1. If you were here last Easter, what was it like for you to hear this message a second time? Do you believe you are loved? Why or why not? If you do believe it, how have you been living it out?

3. You are the most important preacher in your life. The message of the cross is either foolishness or the power and wisdom of God.
  - a. What message do you preach to yourself every day?
  - b. What does the message of the cross mean to you? ([1 Corinthians 1:18](#))
