## DISCUSS & ENGAGE THE SCRIPTURES

[Click here for a link](#) to all Scripture references from the message.

1. Easter answers the question “Am I loved?” which means we now get to ask ourselves, “Am I living loved?” How can you move from knowing you’re loved to living as if you’re loved?
2. Take a few moments to read the story of the prodigal Father ([Luke 15:11-24](#)). Where do you see yourself in this story in your current season?
3. Read Colossians 3:12. Holiness simply means “set apart.” Everything about our lives that isn’t holy is an area where we’re longing for the love of the Father. Where are you longing for love in your life?
4. Read 1 John 2:15. Your heart was created for love. Where is the Father inviting you to trade the orphan spirit for sonship?
