

A black and white line drawing of a stained glass window. The window is composed of various geometric shapes, including triangles and polygons, separated by thick black lines. In the center of the window is a large, white, cloud-like speech bubble with a thick black outline. Inside the bubble, the text "I AM CREATED TO RECEIVE AND RELEASE HOPE IN ALL AREAS OF LIFE" is written in a bold, black, sans-serif font, all in capital letters. The background of the window features some areas with diagonal hatching lines, particularly in the upper left and lower right sections.
