

Weekend Message on May 4, 2025

DISCUSS & ENGAGE THE SCRIPTURES

[Click here for a link](#) to all Scripture references from the message.

1. Before you start discussing anything, pray that the Father's love will fill your Circle and that together you will encounter Him.
2. Love isn't something to be studied or known but something to experience.
Describe your experience with the love of God during our weekend experience.
Was this message hard for you? Why, or why not?
3. In this season, do you identify more with the prodigal son or the older brother?
Why (be specific)? As the Father approaches you, is He trying to lift your head (prodigal heart) or lower your head (prideful)? Are you receptive or resistant to His embrace? Why?

PRAY

Father, open my heart to Your love.
