1. We celebrated our next gen this weekend!
 - Whether you're a student or an adult, how has the next generation impacted your life? How can you help raise up hope carriers?
 - Applications for Kids and Student Leadership experience open June 1, and VC College applications are open now. Who will you share those details with?
2. Read Ephesians 3:17-19.
 - What tends to spill out of you when life bumps into you – worry, peace, love, or something else?
 - Where in your life do you feel the tension between a “big life” filled with love and a “small life” ruled by worry?
3. Based on the Sermon on the Mount in [Matthew 6:25-34](#), what would it look like for you to live loved instead of just knowing you're loved?
4. Worry is being concerned about what might happen to you. Love is being confident in who is for you. When pressure hits, describe what helps you experience God's love in a way that moves your heart away from fear about outcomes and toward trusting in His love for you?
