

DRAW

DRAW YOUR FAVORITE FLAVOR OF POPSICLE!

REMEMBER:
Creation shows
me that God is good!

AS KIDS ENGAGE IN THE ACTIVITY, HAVE THEM ANSWER THESE QUESTIONS.

QUESTIONS:

1. What's the big idea we discovered today?
2. What about the things God made (plants, the sun, animals, etc) show you that He is good?
3. You are God's creation! How do you show that God is good?
4. Thank God for being a good Father who wants us to know Him. Ask Him to help you see His goodness this week as you are surrounded by His creation. Declare out loud that He is good!
