Celebration is paying attention and calling attention to the goodness of God all around us. Let's take time to do that together!

1. What are you celebrating from this year?
2. What are you celebrating about each other this year?
3. What is God showing you through Romans 8:37-39?

## PRACTICE PLAN

If you're doing a practice plan, share how you are celebrating God's goodness in it.

## PRAY

Take some time to pray prayers of gratitude to God.
