DISCUSS & ENGAGE THE SCRIPTURES

[Click here for a link](#) to all Scripture references and images from the message.

Look at the images below, and consider your life and the journey you're on. Ask, listen, and respond to what the Holy Spirit has to say as you walk through these three questions.

1. Where are you on your journey?
 - If you keep hitting the same wall, try describing it.
 - If you're in a valley, share what you think God is showing you there.
 - If you're moving, share your faith through the testimony of your journey.
2. Read Psalm 23 and Psalms 32:8. God speaks in sentences, not paragraphs. What next step is God inviting you to take, and are you willing to walk in obedience in that step?
3. Read Matthew 4:19. We move, and God makes. How can you ask, listen, and respond to what God is inviting you to each day to live a "with-God" life?

PRAY

Life transformation happens in Circles, and we want everyone to experience that! Who is one person you can commit to inviting to our circle this semester? Take time to pray over those people. If you don't know yet, pray for God to give you eyes to see them.

Wrap it all up with a prayer that we may all live a life in step with the Spirit by faith in Jesus' name.
