## DISCUSS & ENGAGE THE SCRIPTURES

1. Take a moment to celebrate anyone joining for the first time, and celebrate those who invited them! Then talk as a circle about who each of you are inviting.
2. Read [Hebrews 11:1,6](#) and [James 4:6](#). We believe that our faith and humility are unlocking what God wants to do in this season. Which one are you struggling with more – faith or humility? Why?
3. God cares more about our hearts than our plans, so He interrupts our lives to lead us closer to Him. Use these questions to process what God's doing in your life right now:
  - a. Where is God interrupting your life?
  - b. What do you think He's trying to show you?
  - c. How is He inviting you to respond?
4. Based on our experience this weekend, how did you encounter God?
5. Who is the most important person for you to keep this conversation going with?

## PRAY

Teach us to number our days, that we may gain a heart of wisdom. Psalms 90:12

Jesus, thank You for meeting us where we're at, interrupting our lives, and calling us back to You. Show us how to move forward with faith and humility as we follow You.
