

*Weekend Message on April 19, 2026 | Have You Heard of the Holy Spirit?*

## DISCUSS & ENGAGE THE SCRIPTURES

Access our [Bible App event](#) with Scriptures and message notes from the weekend.

1. What has your experience or familiarity with the Holy Spirit been like?
2. Read Hebrews 11:3. As you reflect on this weekend's message and the Scriptures we read, how is God changing your perspective of the Holy Spirit?
3. This weekend, we talked about a few reasons people aren't filled with the Holy Spirit. Which of these do you resonate with, and what might God be inviting you into instead?
  - We're prideful (Romans 8:5)
  - We don't understand (Hebrews 11:3)
  - We don't know about it (Acts 19:2)
  - We think it's weird (1 Corinthians 12:7)
  - We resist (Acts 7:51)
4. Read Ephesians 5:18. Being filled with the Holy Spirit is both an initial experience and an ongoing lifestyle. What would it look like for you to live aware of and responsive to the Holy Spirit in your everyday life this week?
5. For those who went to the Fuel the Fire prayer time on Sunday, how did you encounter God?

## PRAY

Pray this simple prayer as you close your Circle. This is also a great phrase to use as you lean into the invitation to pray every day this week.

Holy Spirit, fill me to overflowing in Jesus' name.
