

Weekend Message on April 26, 2026 / Where Does God Dwell?

DISCUSS & ENGAGE THE SCRIPTURES

Access our [Bible App event](#) with Scriptures and message notes from the weekend.

1. The story of Gideon is a prophetic picture of how God is moving at Valley Creek right now. It shows God interrupting our lives, speaking identity, and calling us into something more. Where do you see this in your life or in the life of those around you?
2. Read Galatians 5:16-25. When life bumps into you, either the Spirit or your flesh will spill out. What do you notice “spilling out” in your life right now, and how can you tell?
3. Read 1 Corinthians 6:19-20. Scripture says we’re a temple of the Holy Spirit. If your life is a place He dwells (as if you were carrying a flame you didn’t want to go out), how might you live differently to host Him well and stay aware of His presence?
4. Read John 3:34. Where specifically in your life would you like to see more of the Holy Spirit’s presence, and why?

PRAY

Pray this simple prayer as you close your Circle. Let’s continue to pray this every day this week individually.
