

Weekend Message on May 3, 2026 | Fueling the Fire

DISCUSS & ENGAGE THE SCRIPTURES

Access our [Bible App event](#) with Scriptures and message notes from the weekend.

1. Read Leviticus 6:12-13. During the weekend message, we were asked, "How's your fire?" As you've been processing that with the Holy Spirit, what is He showing you?
2. Read 1 Corinthians 6:19-20. When you come to church, do you come more like a guest or a host? How might God be inviting you to help host His presence when we gather?
3. Read Daniel 3:25. Where do you need to fuel the fire this week instead of trying to fix things?
4. Read 2 Corinthians 3:18. The Holy Spirit transforms us through God's Word, relationships, trials, spiritual practices, and time. To experience change, we have to actually want it. As you reflect on your life, what is the Holy Spirit showing you about what you actually want?
5. Read Acts 1:14, 2:1-4. If you intentionally slowed down and waited on God this week, what might He show you about what's actually filling your life? How can you respond in obedience?

PRAY

Holy Spirit, fill us to overflowing and help us keep the fire burning this week.
