## CIRCLES UPDATE

This weekend is our rest week, where we take a planned pause from our normal Circle rhythm. It's a great opportunity to spend time with family, connect with friends, and enjoy God together. We also encourage you to take time to pray with and for your family, asking God to continue revealing His goodness, presence, and faithfulness in your lives. For any circle continuing to meet, may you have a Spirit-led discussion.

Because we want to do this for a long time, we intentionally build healthy rhythms into the life of our church. Twice each year, we create space to rest in the finished work of Jesus and celebrate all that God has done and is doing.

At the midpoint of the year, we pause to reflect on God's goodness and faithfulness and prepare our hearts for the season ahead. These rhythms help us stay focused on Jesus, grow in gratitude and faith, and create space for our church family to be refreshed.

As you enjoy this week, we pray that you would experience true rest with God. May you slow down, become more aware of His presence, celebrate His goodness, and enjoy the life He is giving you.

A new Circle Guide will be available on Monday, July 6. We can't wait to continue the journey together.
