## for the following articles:

Workwear (vest, jacket, trousers, shorts, coverall, T-shirt, sweatshirt, polo shirt) produced from woven and knitted fabric made of 100 % cotton, cotton/carbon (with anti-static function), 100 % polyester (also fleece, partly coated with polyurethane), polyester/cotton, cotton/polyester, polyester/elastane, 100 % polyamide, protex modacrylic/cotton/conductive fibre, dyed (also fluorescent), acid, disperse, pigment, vat and reactive printed, partly antistatic, water and oil repellent finished or with flame retardant products accepted by OEKO-TEX®, including accessories (sewing and embroidery thread, zipper, polyester padding, reflective tape, silver reflective transfer print, elastic tape and cord, webbing, woven tape, cord, plastic buckle, adjuster, ring, cord stopper, cord end, divider, plastic accessories like ID-pocket made of TPU, badge, snap button, hook and loop, metal eyelet, rivet, button and snap button, printed and woven label); exclusively produced from material certified according to STANDARD 100 by OEKO-TEX®.

The results of the inspection made according to STANDARD 100 by OEKO-TEX®, Annex 4, **product class II** have shown that the above mentioned goods meet the human-ecological requirements of the STANDARD 100 by OEKO-TEX® presently established in Annex 4 for products with direct contact to skin.

The certified articles fulfil requirements of Annex XVII of REACH (incl. the use of azo colourants, nickel release, etc.), the American requirement regarding total content of lead in children's articles (CPSIA; with the exception of accessories made from glass) and of the Chinese standard GB 18401:2010 (labelling requirements were not verified).

The holder of the certificate, who has issued a conformity declaration according to ISO 17050-1, is under an obligation to use the STANDARD 100 by OEKO-TEX® mark only in conjunction with products that conform with the sample initially tested. The conformity is verified by audits.

**The certificate 20.HNO.05615 is valid until 31.03.2023**
