

**FLEXSHOCK™ PROTECTION
32.8FT (10M)**

Our lab-tested materials and design innovations provide impact protection, safeguarding your device drop after drop for its entire lifetime.

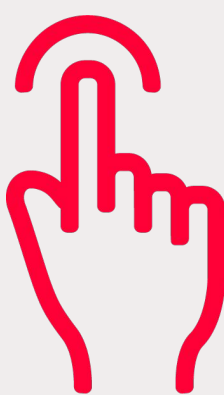

MADE WITH BIO-SPICE™

Our cases feature our innovative Bio-Spice™, which helps break down the case's plastic materials (not magnets) in anaerobic environments (landfills) once you're finished with it, promoting sustainability.

RUGGED GRIP

Featuring a rugged grip for enhanced control and comfort.

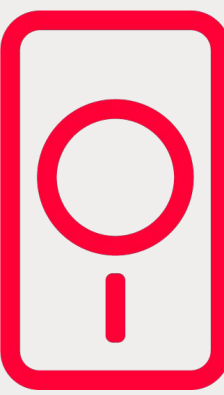

**MECHANICAL
BUTTONS**

Feel the click with mechanical buttons that enhance the tactile experience

**1X LANYARDS
INCLUDED**

1 secure lanyard for additional security when you're on the move.

MAGSAFE® COMPATIBLE

Embedded with a magnetic ring, this case is compatible with all your MagSafe® accessories, from battery chargers to car holders.
