

Common Area Installations

Use this template to record measures installed in the common areas of multifamily buildings. Please list the measure and measure quantity for each building served. The Prescriptive Incentive Reference Number can be found in both the Market Rate and Income Qualified versions of the DTE Multifamily Catalog. For Measure quantity, please list the number of units described in the catalog (e.g., lamp, watts reduced, input MBH, unit).

Property Name:

Building Address: _____ Number of Floors: _____ Building Number or Identifier: _____

	Example	1	2	3	4	5	6	7	8	9	10
Prescriptive Incentive Reference Number	CA-G21
