

PROFESORADO DE ENSEÑANZA MEDIA ESPECIALIZADO EN ENGLISH LANGUAGE TEACHING (ELT)

The teacher-training program in English Language Teaching (ELT) focuses on enhancing teachers' instructional skills to empower their students to communicate effectively in English.

In UVG we train English teachers who impulse effective learning and acquire preparation to handle teaching positions of an English program.

You will learn to design, implement, and assess student-centered language learning experiences for educational contexts in the public and private sectors.

Develop competencies to plan, implement and evaluate innovative learner-centered strategies.
