

# LICENCIATURA EN EDUCACIÓN CON ESPECIALIDAD EN ENGLISH LANGUAGE TEACHING

FACULTAD DE EDUCACIÓN

This Licenciatura en Educación con Especialidad en English Language Teaching program prepares ELT professionals to develop and empower Guatemalans from different perspectives: administrators, innovators, and researchers in the field. With this licenciatura, you can officially be the academic administrator of a school and be the legal representative on behalf of your school to MINEDUC.

## Why Choose This Program?

- **Educational leadership and institutional management**  
To drive academic excellence and organizational growth.
- **Language program and academic project coordination**  
Through effective planning, administration, and evaluation.
- **Research and innovation in English language education**  
To advance teaching practices and learning outcomes.

## GRADUATE PROFILE

UVG prepares teachers, administrators, innovators, and researchers who are committed to quality education and capable of responding to the linguistic and educational needs of diverse contexts. The program combines pedagogical expertise with practical experience, ensuring graduates are prepared to make a meaningful impact in English language teaching and educational leadership.
