

Job Description: Bank Registered Nurse– Procedure Suite – Pre & Post Recovery (Welbeck Orthopaedics & Neurology)

About Welbeck: Redefining Private Day Surgery

Welbeck is built on a simple philosophy: medical excellence without compromise. We're a growing network of specialist day-case centres setting a new standard for private healthcare - combining calm, confidence, and clinical credibility in environments designed around people, not process.

We reject the impersonal and process driven. Instead, we create refined, patient-centred spaces where consultants and teams are empowered to deliver world-class care and a seamless patient experience. Every Welbeck centre reflects our belief that excellence is achieved through partnership, purpose, and precision.

About Our Neurology & Orthopaedics Centres

Welbeck Neurology Centre

Our state-of-the-art Neurology Centre brings together leading private neurologists, neuroradiologists and neurophysiologists to deliver advanced diagnostics and exceptional patient care. Led by consultants who are recognised experts in their field, the centre offers sophisticated testing capabilities and a highly personalised approach to neurological assessment and treatment. Patients benefit from seamless access to specialist expertise, modern technology and a calm, supportive clinical environment.

Welbeck Orthopaedics & Sports Medicine

Our Orthopaedics & Sports Medicine Centre is built on a fully integrated and interdisciplinary model of care. The team comprises highly skilled specialists who work collaboratively to deliver comprehensive, holistic treatment plans tailored to each patient's musculoskeletal needs. This coordinated approach ensures patients

receive the highest levels of clinical expertise, innovative treatments and a smooth, joined-up care experience from diagnosis through to rehabilitation.

About the Role

We are seeking a caring, motivated and enthusiastic Bank Registered Nurse to join the team at Welbeck Orthopaedics & Neurology. - Support patients receiving infusion therapies and assist with basic monitoring and documentation
- Assist with vital sign observations, ECGs, patient hygiene, and comfort measures
- Maintain clear and accurate written and electronic records in line with NMC guidelines and organisational policy
- Escalate concerns to senior staff and participate in safe handovers
- Support the discharge process, ensuring patients understand post-procedure advice and instructions
- Work collaboratively with the multidisciplinary team to maintain a safe, clean and welcoming clinical environment
- Promote dignity, privacy, and patient wellbeing at all times
- Assist with the safe transfer and positioning of patients
- Participate in departmental meetings, training sessions, and clinical audits as required
- Comply with infection control, health & safety, and safeguarding policies

Qualifications and experience

- Registered Nurse with current NMC registration (essential)
- Newly qualified nurses welcome or up to 1 year post-registration experience in a hospital, recovery or day surgery
- ILS certification
- A strong desire to develop skills in infusion therapies and recovery (essential)
- Keen interest in delivering high-quality, compassionate care

Key skills

- Effective communication and interpersonal skills
- Ability to follow instruction and escalate concerns appropriately
- Organise and able to manage time effectively
- Committed to learning and professional development
- Team player with a flexible and supportive attitude
- Basic IT skills for clinical documentation

Why Welbeck
