

Your Southeast Wisconsin

SERVICES & CAPABILITIES

Serving Wisconsin

electrical contractors and
industrial automation customers

for more than 70 Years

Welcome to Werner Electric Supply!

At Werner, we have grown to serve the needs of our loyal customers and valued partners since our modest beginnings in 1948. We provide diverse, high quality products and services from our locations throughout Wisconsin and Michigan's Upper Peninsula.

Today, we offer over \$35 million in inventory made up of 28,000 SKUs in our state-of-the-art, 250,000-square-foot warehouse and corporate offices. Our 400+ employees throughout Wisconsin and Michigan's Upper Peninsula, collaborate with our vendor partners to deliver cost-saving solutions, efficiency-promoting services and distribution of the industry's finest products. As a key partner to our customers and vendors in all areas of business, Werner electric strives to provide service that goes above and beyond expectations. Our 50+ engineers and product specialists provide services such as technical support, training, inventory management, engraving, custom assemblies, modified enclosures, lighting design, and much more!

As President of Werner Electric Supply, I want to thank you for allowing Werner Electric Supply to serve your needs. We look forward to a successful long-term, and mutually beneficial relationship with you, our customers, for years to come!

Craig Wiedemeier
President
