

Robotics kit UR

Product information

Especially designed sets for cable routing on robots of the Universal Robots Company.
The assembly includes the protective conduit, end sleeves and the appropriate fastening with non-slip hook-and-loop tape.
For an easier installation of pre-assembled cables, the protective conduit is available in slit version type LS.
The set offers a lowest possible interference contour for a low risk of damage.

Optional accessories:

- R-SSR – tension clamp for axis 6
- SH-P M25-M32 – system holder
- KEG/ZL or KEG/K – strain relief
