

# Specifications

## Eaton FAZ-B10/2-NA

Eaton FAZ branch protector,UL 489  
Industrial miniature circuit breaker -  
supplementary protector,Low levels of  
inrush current are expected,10 A,10 kAIC, 14  
kAIC,Two-pole,277/480 V,3-5X /n,50-60  
Hz,Screw terminals,B Curve

### General specifications

|                      |                                                                                                  |
|----------------------|--------------------------------------------------------------------------------------------------|
| PRODUCT NAME         | Eaton FAZ branch protector                                                                       |
| CATALOG NUMBER       | FAZ-B10/2-NA                                                                                     |
| EAN                  | 4015081296514                                                                                    |
| PRODUCT LENGTH/DEPTH | 4.25 in                                                                                          |
| PRODUCT HEIGHT       | 1.5 in                                                                                           |
| PRODUCT WIDTH        | 3 in                                                                                             |
| PRODUCT WEIGHT       | 0.56 lb                                                                                          |
| WARRANTY             | 1 year                                                                                           |
| CERTIFICATIONS       | CSA Std. C22.2 No. 235<br>UL 489                                                                 |
| CATALOG NOTES        | For applications that require protection due to potential wiring damage at low fault conditions. |

## Physical Attributes

|                 |                                                                       |
|-----------------|-----------------------------------------------------------------------|
| NUMBER OF POLES | Two-pole                                                              |
| TERMINALS       | Screw                                                                 |
| TYPE            | UL 489 Industrial miniature circuit breaker - supplementary protector |

## Miscellaneous

|             |                                                                           |
|-------------|---------------------------------------------------------------------------|
| APPLICATION | Suitable for applications where low levels of inrush current are expected |
|-------------|---------------------------------------------------------------------------|

## Performance Ratings

|                    |                    |
|--------------------|--------------------|
| AMPERAGE RATING    | 10 A               |
| CIRCUIT PROTECTION | B curve            |
| FREQUENCY RATING   | 50-60 Hz           |
| INTERRUPT RATING   | 14 kAIC<br>10 kAIC |
| TRIP TYPE          | T17                |
| VOLTAGE RATING     | 277/480V           |

## Resources

|                               |                                                                                                              |
