Now in stock at Werner Electric Supply!

**EV charging is a breeze
with BreezEV Electric
Vehicle charging stations
and accessories.**

STEP 1 Choose Charger

NETWORKED Software Solution

EVC-L2-48A-L1-1-4G-D-AU-L-4G-5

- 4G LTE or Ethernet can be used with or without AmpUp OCPP (Open Charge Point Protocol) cloud-based EV charging management software
- 48A/11.2 kW max output, adjustable to 40A, 32A or 16A
- IP65 rated for indoor/outdoor use
- 5-minute activation
- RFID card reader for user authentication (if enabled)

Benefits of Using Cloud-Based EV Charging Management Software

Station Owners

- Real-time analytics and monthly reporting
- Track sustainability metrics
- Customize pricing for usage of the station
- Manage multiple user groups and user access in one place
- Meets all utility program requirements

Installers

- Enter site host and station details in advance, prior to installation
- Save time with 5-minute per station commissioning
- Quick and easy access to all of your BreezEV stations for convenient record keeping

EV Drivers

- Free and available app on Apple iOS Store and Google Play
- Find stations, view transparent pricing, easily initiate a session
- Receive notifications, sign up for station availability alerts, book a reservation and more

Cord
Management
Pedestal

NON-NETWORKED Solution

EVC-L2-48A-L1-1-NC-N-1

- Perfect for residential, multi-unit housing, commercial, retail or municipal properties where a connected networked software solution is not required
- 48A/11.2 kW max output, adjustable to 40A, 32A or 16A
- IP65 rated for indoor/outdoor use
- RFID card reader for user authentication (if enabled)

STEP 2 Choose Charging Cable Set

EVC-L2-CBL-40A-L1-1-18X10 40A 18 ft. cable set

EVC-L2-CBL-40A-L1-1-25X10 40A 25 ft. cable set

EVC-L2-CBL-48A-L1-1-18X8 48A 18 ft. cable set

- Cable with J1772 plug on one end and crimped terminal on the other

*Both 40A and 48A cords have optional 12 ft., 18. ft or 25 ft. lengths available upon request

STEP 3 Choose Optional Accessories

Cord
Management
Pedestal with
side-by-side
bracket

*Custom branding
options available
upon request.*
