**WORKING IN SAFER ENVIRONMENTS (WISE)**

**3**  
CEUs

4:00 PM - 7:00 PM

Attendees will learn about top OSHA electrical violations, hazard recognition, energy control practices like lockout/tagout, PPE requirements, and how products and procedures promote safer work environments. By focusing on practical safety strategies tied to OSHA and NFPA expectations, this course helps reduce unsafe work conditions, improve compliance, and protect employees and assets—making it a valuable investment in workplace safety and risk reduction, not just CEUs.
