CUSTOM ASSEMBLIES

Take the “labor” out of the job.

Keep your skilled workers doing what they do best. Our prefab services eliminate time wasted looking around the job site for pieces and parts and saves your purchasing staff time by creating one part number to order instead of potentially hundreds!

- Adding mud rings, ground pigtails, brackets, and fittings to boxes
- Wiring plugs on the end of cords
- Bending conduit and connecting it to boxes for data drops
- Cutting strut to specific lengths
- And much more...
