Height **685** mm

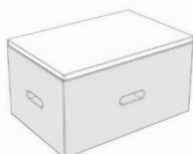

Aufbau hoch

Höhe **1020** mm

Set up high

Height **1020** mm

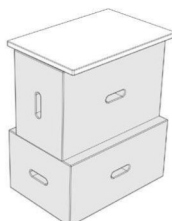

Aufbau niedrig, Variante 2

Höhe **270** mm

Set up low, version 2

Height **270** mm

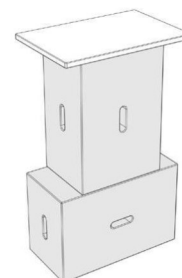

Aufbau mittel, Variante 2

Höhe **600** mm

Set up medium, version 2

Height **600** mm

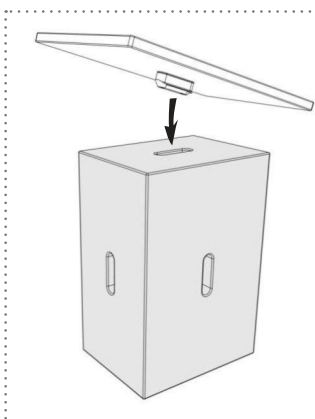

Aufbau hoch, Variante 2

Höhe **850** mm

Set up high, version 2

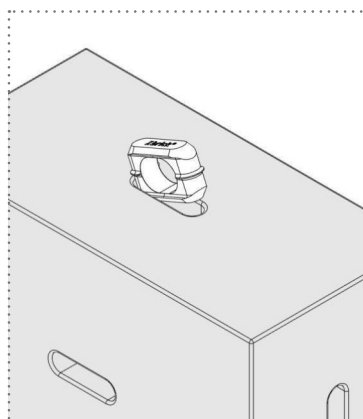

Height **850** mm

Basics:

X-table mini ansetzen
und mit leichtem Druck
einstecken

Place the X-table mini
above and insert it with
slight pressure

Für höhere Aufbauvarianten
den X-connector einseitig
ansetzen und mit leichtem
Druck einstecken, um die
Xbrick® zu verbinden

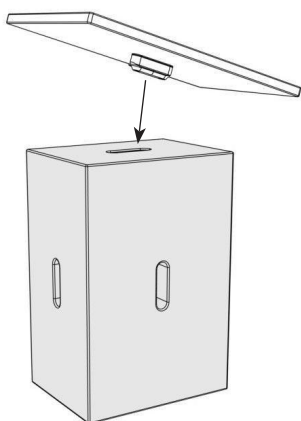

For higher table variations
put the X-connector on one
side and insert it with slight
pressure to connect the
Xbrick® together
