Each piece of flooring is tumbled to achieve an authentic aged look to the edges and surface of the timber.

## Bandsawn

Our bandsawn texture particularly suits retail and commercial projects.

## Fumed

**Maples & Birch** offer you endless combinations of surface treatments to create your bespoke wood floor.

---

Here are the options available.

## Medium Smoked

Surface smoked - tones of medium to dark brown.

## Dark Smoked

## UV Oil Finish

UV cured hardwax oil. Available in Extra Matt, Matt, Satin & Gloss finishes.

Our fumed and smoked colours are achieved through a process which reacts with the natural tannins in the oak and although we use controlled processes, the final colours are dictated by nature and not by using pigmented stains.
