

## NEWSLETTER, JULY 2019

Dear Parents and Caregivers,

Welcome back to Term 3 at Whanganui High School. This term is ten weeks long, finishing on Friday, 27 September.

We are now in the middle of the academic year and the focus for *all* students has to be on academic achievement, with School examinations for the seniors in weeks eight and nine, and for juniors early in Term 4. As Years 11, 12 and 13 students finish their timetabled classes at the beginning of week 4 of Term 4, we will be working hard to ensure they are well prepared for the External examinations. Our Junior examinations are held once the seniors finish timetabled classes early in November, so they also need to be putting continual focus on their own individual academic progress.

Aside from the events for Term 3, we would like to give you advance notice about dates for the various award ceremonies held early in Term 4. This will give you time to forward plan if you wish to attend. We always appreciate and value parental support at these special occasions.

Please encourage your son or daughter to plan ahead for their examinations, especially students in Years 11,12 and 13. Encourage them to ask their respective subject teachers to explain exactly what topics will be assessed in the School examinations, so that they can plan a meaningful programme of revision at home and school. We will be offering a variety of tutorials for the Senior school, across weeks 6 and 7. These are held after school from 3.30 to 5.00pm, and from 7.00 to 9.00pm each evening. They will be advertised via the daily notices and the School website.

Your support with these important aspects of your son or daughter's education is highly valued and appreciated by our entire teaching staff.

**NZQA FEES**

Following a Government announcement, there are NO fees payable for domestic students, however Foreign Fee paying students still have NZQA fees due. The amount is \$383.30 and the due date for payment is Friday 16 August.

Wishing you and your family all the best during this very important term for educational achievement and learning.
