Student Elections for Student Representative on the Board of Trustees

On Monday, 9 September we held our student election for student representative on the BOT. We had seven candidates standing for the position and students from all 56 Form Classes completed their voting during Form Time.

Congratulations to Rebekah Phillips (Year 12) who was the highest polling candidate and is our new student representative on the Board of Trustees. Special thanks are also extended to Rebecca Baker who has been an outstanding student representative on the BOT over the last two years.
