Introducing OUR HEAD PREFECTS 2019

HEAD BOY
Ethan Cohen

ETHAN COHEN - HEAD BOY

Studying: Biology, Economics, English, Physical Education, Probability & Statistics and Sport & Exercise

In my role as Head Boy, I would like to contribute by promoting an atmosphere in which students can feel encouraged to guide others to participate in school events. This will continue to create friendships between students in different year levels and Houses. This will also contribute to a competitive, but friendly environment in the school with students further strengthening pride in the House system. I personally, would like to be the example to students that if you have a goal and work towards it then you can succeed and triumph. Barriers can be pushed down and walls can be climbed over if you inspire to excel.

HEAD GIRL
Rebecca Baker

REBECCA BAKER - HEAD GIRL

Studying: Biology, Chemistry, English, Geometry & Calculus, Physical Education and Physics

I am honoured to be the Head Girl of Whanganui High School for 2019 and my goal this year is to get people involved in their studies and extra-curricular activities, so they can enjoy their time here as much as I have. I want to be a role model to the students at our school and I want to encourage them to strive for personal excellence in every area of their life. I want to see our students succeeding and feeding off other students' successes by going out of their comfort zone and experiencing new things - to be the best version of themselves this year. I strongly believe that the 'LIFE' (Learning, Integrity, Fellowship, Excellence) values our school provides are embodied within our students from all ages. We are not only a school but a family who supports one another within our House system, giving our students a sense of belonging.

DEPUTY HEAD BOY
Jack Donaldson

JACK DONALDSON - DEPUTY HEAD BOY

Studying: Economics, English, Photography, Probability & Statistics, Physics and Sport Smart

As Deputy Head Boy for 2019, I plan to continue improving our school's unity and our student sense of belonging. With our newly introduced House system, we continue coming together for House and Whole School events. I also wish to encourage all new and returning students to make the most of any opportunity that comes their way, be it academic, sporting or cultural.

DEPUTY HEAD GIRL
Emelye Brown

EMELYE BROWN - DEPUTY HEAD GIRL

Studying: English Literature, Dance, Drama, History, Probability & Statistics and Study

As Deputy Head Girl, I want to ensure that all students across our school feel encouraged and inspired to push the boundaries this year. Throughout my years at Whanganui High School, I have been able to embrace and fully immerse myself in all opportunities our school has to offer, including our indispensable 'LIFE' values. It is for this reason that I am extremely thankful for the opportunity to serve the school through this role, as well as lead this year's Student Council - a paramount bridge between our diverse student body and the Senior Leadership Team.
