Introducing OUR HEAD PREFECTS 2020

HEAD BOY
Connor Hoskin

CONNOR HOSKIN - HEAD BOY

Studying: Chemistry, Economics, Probability & Statistics, Trigonometry & Algebra, Physical Education and Study

My goal this year is to get students involved in their studies and extra-curricular activities. I would also like to promote a friendly, welcoming atmosphere, in which people feel comfortable trying new things and showcasing their individual talents. I am extremely thankful for the opportunity to serve the school through this role and I wish everyone the best of luck for the upcoming year.

HEAD GIRL
Leah Aiono

LEAH AIONO - HEAD GIRL

Studying: Calculus & Algebra, English Literature, German, History, Physics, Probability & Statistics, Study

I want to ensure that we have a friendly school environment and that all students feel supported, encouraged and inspired, as they strive for excellence in their chosen fields of interest and as they get involved and try new things. Dedicated staff and older students have thoughtfully guided my growth over the past four years and I am both excited and grateful to have been given this platform within my school community to do the same.

DEPUTY HEAD BOY
Scott Emerson

SCOTT EMERSON - DEPUTY HEAD BOY

Studying: Building & Construction, English, Mathematics, Outdoor Education and Technology Materials

As one of the school leaders a key focus of mine is developing school unity, where everyone encourages each other and students have a sense of belonging. I encourage everyone to make the most of every opportunity that is available, to ensure this schooling year is an enjoyable and memorable one.

DEPUTY HEAD GIRL
Kara Adrole

KARA ADROLE - DEPUTY HEAD GIRL

Studying: English, Health, Mathematics, Physical Education, Sport Smart

I want to ensure that students feel encouraged to participate in extra-curricular activities and make the most of any opportunity that comes their way. I would like to promote a school environment where students are inspired to better themselves and get out of their comfort zone. I hope to build a sense of community and spirit within the school. This year has the potential to be a fantastic year for Whanganui High School and I hope that I can contribute to ensuring that it is.
