Letter to Parents

19 June 2020

Tēnā koutou katoa

Productive Conversations with Year 11 to Year 13 Students Tuesday, 23 June and Wednesday, 24 June

On Tuesday and Wednesday morning, Form Teachers, Deans and Senior Leadership Team members will be having productive conversations with all Year 11 to Year 13 students in their normal form class rooms from 8.40 am to 10.00 am. These conversations will focus on individual student progress in NCEA Levels 1-3 after Covid-19 and provide focused support for each individual student to create an academic learning plan for the rest of 2020.

This means that Year 9 and Year 10 students only will not need to arrive at school until 9.55 am this coming Tuesday and Wednesday. Normal Period 2 classes for all students will begin at 10.00 am exactly on both days.

Year 9 and Year 10 students who come in by bus or who need to be at school before 9.55 am will be supervised in the school library by senior members of staff between 8.40 am and 10.00 am.

Nga mihi nui

Martin McAllen
