EDITORIAL . . .

The year 1974 has seen many important occurrences in school life, both educationally and culturally.

From the educational point of view, the new science block has now become fairly well established and is constantly being improved. Now, with the availability of better experimental and study facilities, the science course itself is flourishing. The music block is also well-established and provides a base for music tuition and enjoyment.

This year has proved favourable for cultural activities. The successful staging of "The Taming of the Shrew" by our students under the guidance of producer Mr Corbett provided both pupils and public with a source of entertainment and showed how much hidden talent exists within the school. The year 1974 also saw the appearance of a soloist and several other musical groups, namely Maranatha, Bulldogs Allstar Goodtime Band and a group of very talented young students from Rosedale High School in Canada, who provided a colourful spectacle and a magnificent display of band music in many forms.

MAGAZINE COMMITTEE

Murray Potts, Peter Barnes.
Teacher-in-charge: Mr Power.

SCHOOL HAPPENINGS — 1974

February—

- 5: Term began with a meeting of the Staff. Louise Turner and Christopher Wynne were invited to the luncheon with Princess Anne and Captain Mark Phillips.
- 7: School began for 3rd, 6th, 7th and repeat 5th forms.
- 8: Pupils of the 4th and 5th return.
- 12: The first of the School Assemblies. Welcome to new teachers Mrs Lawless, Miss Parker, Miss Morrison, Miss Bennett, Mr Corbett, Mr Byres and Mr McLellan. Memorial to Elvis Ranganui, a promising Maori 4th former drowned in the Wanganui River in December, and Mr Robert Danby who was a member of the previous Board and who died very suddenly on 11th January, 1973.
- 14: The first Board meeting of the year was held.
- 16: The future prefects spent the weekend at the Crusader Lodge, Ruapehu. Mr Lupton led a tramping party to the School Hut. The Rowing Regatta was held in Wanganui. The School Senior Fours won their event by three lengths and the Eights gained a minor placing.
- 18: Prefects were announced, the two head prefects being Chris Wynne and Louise Turner.
- 22: The school work day raised \$1500 on first count.
- 23: The School Athletic Sports were held.
- 27: Work day funds total now stood at \$1810.18.
- 28: Rangitikei College teams visit us today. A successful day for sporting activities.

March—

- 1: Stephen Kendrick was selected for Cruise 6 on the "Spirit of Adventure" from the 2-21 April.
- 8: The Interschool Swimming Championships were held. Wayne Taumata gained nine first places. Well done!

In the field of sports the year 1974 has perhaps not been as successful as previous years but there are many up-and-coming youngsters who should in the future combine to form strong and hopefully successful teams.

The success of the school in all these fields is mainly due to the dedication of members of the staff, and the community as a whole, who are willing to give up their time out of school hours for the purposes of organisation and promotion of extra-curricula activities and entertainments.

In this respect thanks must go to these members of the staff and to certain outsiders who voluntarily came in, to coach or advise sports teams, and cultural groups. The Maori group put on a colourful and polished display on more than one occasion. This was due to the help rendered by several Maori members of our community, and thanks must go to them. This is but one of many examples where gratitude is due but where favours go more-or-less unnoticed.

Finally we wish to thank all those who contributed to the "Record '74" and to those who made our job an easier and more pleasant one.

—Murray Potts.

- 10: The School sports teams departed for Colenso.
- 11: The School competed in Rowing, Cricket, Tennis and the Pentalon. A fairly successful day.
- 13: The School Rowing Eight contested for the Webb Shield against Collegiate School and Boys' College. The team came in behind Collegiate.
- 14: The Girls' Cricket Team won against Girls' College in the first of their cricket matches.
- 16: The School Rowing Crews competed in the Wellington Schoolboy Regatta. Wayne Taumata won the over-15 diving at the North Island Swimming Championships.
- 18: School photographs for 1974 were taken. The work day funds total topped \$2000 with \$2091.
- 19: A tennis clash with Collegiate was cancelled due to poor weather conditions.
- 22: The egg-throwing contest was held.
- 23: Inter-school Athletic Sports were held at Cooks Gardens.
- 25: A memorial assembly was held for David Butters who was killed in a road accident on Friday, 22.
- 28: The School Tennis Team played teams from Boys' and Girls' College. The Home and School Association annual general meeting was held and the committee elected.

STAFF NOTES — 1974

Another year has passed bringing its inevitable changes, new faces appearing, old faces departing.

Mrs Lawless came to take charge of another home room, Miss Parker came from Canada via Takapuna, Miss Morrison was a welcome addition to the Geography Department, and Mr and Mrs Corbett arrived from Ireland via Hamilton. Mr Byers came to start our Maori course, Mr McLellan arrived from teaching at Easttown workshops to our Metalwork Department and Miss Bennett took up a relieving position in Maths.

Several changes occurred during the year. Miss Bennett left to a permanent position after the first term and we found a welcome replacement in Mr Meads.

Mr Maxey departed for the rural quietness of Nelson trout streams and Mrs Wallach inherited his classroom. Mrs Smart arrived to be a relieving maths teacher.

Since then the staff has remained remarkably stable, concerned with the Secondary Education Review and our own seminar, with Turoa Royal and Tamati Ready, on Maori Education.

The staff dinner proved such a success, another was held at the end of the year, appreciated by gourmets and connoisseurs alike.

The end of the year saw only two staff changes, probably the least in the history of the School.

Mrs Wallach left for Marton and Mr King, the delight of biology students for ten years, left for a well-earned retirement. A copper beech tree will remain in the School to remind us of him.

PARENT-TEACHER ASSOCIATION

Officers elected at the Annual General Meeting: President, Mr J. S. Humphreys; past-president, Mr R. W. Spencer; vice-president, Mr E. W. Bagot; treasurer, Mr D. R. Haddon; secretary, Mrs G. Oldman; committee, Mr F. E. H. Allen, Mr G. P. Craig, Mr M. J. Ewing, Mr T. T. Takarangi, Mrs E. E. J. Vaughan, Mrs A. Visser, Mrs N. B. Wynne, Mr P. I. Donne and Mr G. Lewin.

Work Day was held on 22 February, again was well supported by the School and the total amount received was \$2149.28. These funds are being held to provide adequate changing facilities in the gymnasium.

A Report Evening was held on 8th May. This year, we tried the system of allotting times to parents, to save a long wait to meet staff, and this proved very satisfactory.

In Term II, a very well attended evening was held in the Art Room, where Mr Donne showed slides of work done by his pupils in the past, and parents had an opportunity to try their hands at various forms of art being conducted in our art rooms.

We also held an evening in the library, not so well attended, where the Principal and Heads of Department spoke about the latest developments in their various departments.

Open Day was held on 7th August, where parents of intending and present pupils had the opportunity to come to the School to see what is actually happening in the classrooms.

One Saturday morning in June, approximately 70 parents, pupils and staff came to school to plant trees and generally have a tidy up of the grounds. In a very short time all the work was completed and a welcome cup of tea was served to the willing workers.

Another Report Evening was held, again with appointment times, on 7th August.

PREFECTS

For the cause that lacks assistance

For the wrong that needs resistance

Willy: Take my counsel my good man, act upon it if you can — Gondolias.

I.S.C.F. REPORT

(Inter School Christian Fellowship)

We have experienced another enjoyable and didactic year of fellowship within our I.S.C.F. group. After a quick three weeks of school about 50 of us went on a camp to Raukawa Falls Y.M.C.A. Camp where, with only the minimum of organisation we had a tremendous time of fellowship and were all able to experience the presence of Christ with us.

On Anzac Day we were the host of a meeting of Christian students from Wanganui, where we learnt about living for Christ and we had fun together. With a pancake evening we soon arrived at the end of the first term which was concluded by a social.

During the May holidays a few members were away at a Senior I.S.C.F. Conference at Otaki where we gained added inspiration which we were able to bring back to the group.

The programme this year has almost had something for everyone with studies of Christian ideas, Missionaries, Camp and Book Weeks, an object time, what Christ's life included, filmstrips and group studies. These and many more have made up a year of teaching. Bible

Study on Tuesday lunchtime, Prayer times each interval and after school on Wednesday, Music practice on Wednesday lunchtime and the Thursday I.S.C.F. meeting make the I.S.C.F.ers week not one lacking in interest.

We have had two staff members, Mr I. McLellan and Miss E. Parker join us as advisors, and they have been very much appreciated. We can all learn so much from the teaching and guidance of those older than ourselves. Thanks.

During the 2nd term the 'Maranatha Jesus Rock Group' ministered within High School for three days. Many people were able to hear more of what Christ did for them and his purpose for all men, through this group.

A leadership weekend, led by Elaine Howie was a much required retreat and a planning day was one of the many ideas that came from this time.

Many people have had the opportunity of fellowshiping together in the I.S.C.F. meetings and activities and have learnt a tremendous lot from them.

With the help of many people within the school, and also outside prayer partners, this year has come and gone but its results will remain forever.

FUN, FRIENDS, AND FELLOWSHIP is our number two motto under "witnesses unto me". Why don't you join in with us and possibly find Christ to be real for you also. "For God loved the world so much that he gave his only Son, so that everyone who believes in him may not die but have eternal life."

—Ashley Sedon (Committee Chairman).

LIBRARY REPORT

Thanks to a considerable increase in our grant from the Board of Governors, the library has been able to maintain the usual wide selection of books throughout the year. Once again we are indebted to a number of people for generous gifts of books — Mrs Priest, Mr King, Mr Smith, Mr McKenzie-Trench, the Crusaders, Craig Tattersall, Greg Hills, Peter Jamieson, Mrs Davies, and a donor who wished to remain anonymous. The Canadian tour party presented us with a book on British Colombia and their school magazine — hard covered! Our Rotary Exchange students Anne Mitchell from Australia and David Roberts from the U.S.A. gave us a delightful book on Australia and one on the history of the United States.

As in every year, many people do not bother to return their books on time or they lose them. This not only involves financial loss to the library but makes a great deal of extra work for the library staff. I appeal to all readers of this report — search your bookshelves for our missing books.

The pupil librarians have worked hard all year, shelving and repairing books and generally keeping the library tidy. Craig Tattersall in particular has done a splendid job of mending and organising.

Mr Donne and Mrs Webby have again brightened the library with changing displays of paintings, prints and colages. Their efforts, and those of the pupils whose work has decorated our walls, have been most appreciated. Mr Davies and Mrs Richdale have also contributed a number of career exhibitions.

In spite of the grass which suddenly appeared in a flourishing state inside the library, it has been a quiet year, with progress continuing in a calm and uneventful way.

ART/CRAFT 1974

This year has seen rapid growth in the work and size of the Art Department. A second art room became available in term 1 and this room, fully equipped with jewellery benches, metal-work bench and general purpose tables, has now become a multi-purpose art and design workshop. Engraving on metal and glass was started for the first time and with the addition of a stone polishing and stone cutting machine, there has been a tremendous amount of enthusiasm and interest generated. A large mural was designed by 6th form students for the tuck shop but it was felt that it would be better displayed and come to less harm were it hung in the school hall — the mural now adorns the proscenium arch and has been generally well received. Pottery has continued and a series of tiles have been designed, constructed, glazed and fired under the able direction of Mrs Webby. These separate tiles will be assembled as a single unit and will be suitably sited on an exterior wall of the school. A large scale work in low relief has now been fitted in the school foyer and three-dimensional works in wood, stone, concrete and polystyrene have or are in the process of being placed in various suitable sites around the school grounds. More and more art work is being exhibited throughout the school and is now no longer confined to the library. We in the art department hope this important aspect of our work will continue so that each block will have an original piece of work of a permanent nature to exhibit in due course. A very large mural panel (306 sq. ft.) designed for the rear of the school hall is now nearing completion. The mural consists of 54 individual panels which are all interchangeable. These designs have been carried out by fourth form students and will form an attractive decorative panel for this rather dark area of the hall. The designs have used elements of line, shape, tone, colour, texture, pattern scale and growth. We have had a fair measure of success in external exhibitions and contests, Lyndsey Gedyne was selected to attend a design course in Wellington, we won two prizes in the Dr Robertson Trust Exhibition held at the Sargeant Gallery and lastly we submitted 12 works to the 1974 Dominion Schools' Art Exhibition and had four works selected to tour New Zealand — one design executed by William Scanlon won a Merit Award — no mean feat for a national contest of this size and calibre.

For the future we hope to add enamelling, work with resins, and perspex to our jewellery curriculum. We are of course short of storage space and could do with a large store room to enable us to utilise limited classroom space to better advantage. Perhaps these problems will be overcome in the not too distant future so that we shall continue to see still further improvement in the high standards of work already being produced at the W.H.S.

—Peter Donne.

SKI TRIP — SEPTEMBER, 1974

This is the third successive year the school has been able to attend a six-day "learn to ski" course on Mt Ruapehu in the third week of the August holidays.

Some nine students and two staff members, Mrs Smith and Mr Power stayed at Erua Ski Lodge hosted

by Lloyd and Janet Horn (Ski Shop, New Plymouth) from 8th-13th September.

Skies, boots and poles were hired from the lodge on arrival and the first lesson was given that night — on Erua's new nylon ski mat.

Dinner that first Sunday night was typical of the meals during our stay — a three course meal of ample sufficiency.

We were introduced to our instructors Lloyd, Allan, Jeff and Brett.

It was an incredible week, generously fine for five brilliant days and with ideal snow conditions. After breakfast we piled into the yellow mountain goat, and headed for the Top O' the Bruce.

Our first lessons were given on Mead's Wall, after being separated into groups (experts, fit and unfit) we started on the first day's instruction fastening skies, sideclips, kick turn and travelling and turning in the wedge position.

Afternoons were free for us to practice the morning's instruction and we soon learnt the thrill of a straight chase down the mild slopes to the tow at the bottom.

By mid week we had advanced to stem turns and travelled up the chair to explore the mountain with our cameras — some majestic snow scenery with clear views to Egmont. Some even managed to book rides on the snowcat to the summit of the mountain in ideal weather.

By now those who were in their second or third year of instruction were exploring the mountain on skis with their new-found skills — stem turns, long traverse and attempting parallel turns on the T-bar, the second chair and the valley Poma.

Friday dawned as fine as all the other days. We skied all morning, ended early at 3 p.m. and came down to greet our transport, check in our gear, say farewell to our hosts and return home. Our thanks are due to those parents who organised transport so willingly.

Perhaps the greatest mark of our trip was the enthusiasm for the sport and the determination to go again next year.

WAITOTARA VALLEY TRAMP

The party consisted of ten people; Mr Lang, Richard Laird, Peter Barnes, Brian Gubb, Craig Tattersall, Brian Basset, Graeme Timpany, Trevor Banks, Colin Thoms, Therese Kendrick. The aim of the tramp was to connect up with the Wanganui River from Larsens Farm by travelling up the Waitotara Valley.

We left on the 25th of November and travelled by car to a farm about 35 miles north of Wanganui owned by a Mr Larsen. The first stage of the tramp was over the farm to the first hut. Mr Larsen had told us that there were four or five false trails in finding the next hut and that the right track was marked by venetian blinds, but we got lost anyway by taking the wrong turning at the junction of two streams. It was getting late so we decided to make a bivvy. Brian Basset had his .303 rifle and we happened to chance upon goat just before we made camp, so we had milky potatoes, peas and carrots and tough goats meat for tea. Richard Laird decided to soak his feet in the stream, but he ended

up doing a bit of eeling, with his toe doubling as a hook. However, it was an eye for an eye since we had eel for breakfast the next morning. Our hunters didn't have any luck that night with a pig hunt.

Sunday morning wasn't a particularly good morning for most of us since we were not used to sleeping on the ground, which was made worse since we had left the mid-ribs in the punga flooring. We started off by backtracking to find where we had left the track, which soon brought its reward, but it wasn't long before we lost the track again and had to follow the river so as not to get really lost. We regained the track at the last moment to lead us into the Pokeka Hut, like the last one it was old and run down, bunks falling apart and the remains of a dead animal in the corner. We decided to go on to the next hut but once again we lost the track and as a result we had to fight our way through vines. After figuring out the track we set up the bivvy for the night. Brian Basset and Graeme went off after pigs again but had no luck. At this stage of the tramp we should have been at the third hut (Mangarau) if we were to make the Wanganui River on schedule. Peter caught a young goat, but we didn't have the heart to kill it so we let it go.

Sleep came a lot easier to us that night and we were off at quarter to ten the next day. Back-tracking again proved successful as we found where to cross the Pokeka Stream to get onto the ridge. It was supposed to take experienced trampers two hours to reach Mangarau Hut from here, but it took us four hours. At this point we were about 1600 ft. above sea level. The most immediate problem after we had put up the bivvy was to find water. One small party went down the west side but had no luck, but we found water on the other side. We listened to the radio to see what weather was in store for us since it didn't look too good and we didn't want to be trapped on the wrong side of the stream. We set off for the next trig point at 10.35 the next morning. The pace was pretty slow since it was basically up hill and there were frequent rest periods.

The third hut was in a lot better condition than the other two huts, even containing rich luxuries as reading material. However it only had enough room to sleep five people and the remainder had to sleep in the bivvy. There was a little thunder and rain and so once again we listened to the weather forecast. The rain stopped after a short period and the mist came down. Luckily there was plenty of water and we even caught a small freshwater crayfish, but not enough to make it worth cooking. We had T.U.P. that night, much to everyone's disgust. Tomorrow was to be our rest day, and we were looking forward to it.

Brian and Graeme left on a hunt fairly early the next morning, but the rest of us did nothing but lick our wounds and muck round. We took a few crazy pictures — one of Peter tied to a tree and being lashed. However, it was a good days rest, giving us a chance to reorganise and even have a high powered conversation on self-control and self-indulgence.

It was pretty cold and windy that night, but that didn't stop anyone from getting a good night's sleep. The slowest were made to go first the next day and we headed back the way we had come, having abandoned

hope of reaching the Wanganui River. When we reached the fourth day's campsite we boiled the goat that Brian had shot the previous day and then fried it. It was a lot better than the first day's effort.

Peter fooled us into getting up one hour early the next morning and Craig led us down the ridge at a fairly easy pace since his blisters were getting to him. We made remarkable progress (for us) and reached the Pokeka Stream by 10.30 a.m. It was at this point that we noticed that the rope for stringing up the bivvy was lost. No-one felt like going back for it and we accepted that it was lost. We had our soup and cracker lunch and set off again for Pokeka Hut. Going back was a lot easier than the efforts of the first few days. On arriving at the hut our marksman shot two goats. We made the bivvy against the side of the hut. We boiled and fried the goat again and had the best meal of the tramp, though the mosquitoes had a better meal still. A few of us dammed up a stream so we could have fresh water the next day.

The eighth day was another rest day, and we did even less than we had at Mangarau. Colin and Brian tried eating huhu bugs, but we couldn't con Mr Lang into having any. About the middle of the afternoon it started raining fairly hard, which had everyone plugging up the holes in the tarpaulin.

The aim for the ninth day was to get back to Larsens. We made a great start to this by making a full circle just outside the camp, but once we found the trail we were right, and we covered the first one and a half days tramping in the last three hours! There were no further incidents on the way back but the thought that we were going to get the first hot bath in nine days cheered us no end.

—R. Laird, G.C.

INSTRUMENTAL GROUPS

This year we have had the largest number of pupils having tuition on various orchestral instruments than in any previous year. The tutors this year have been Mr A. Ramsey (Violin, Viola, 'Cello, Double Bass and Clarinet) and Mrs Hay (Flute). Our thanks to Mr Ramsey who has had a very busy year with a completely full timetable on Thursdays and whose competent efforts have been well rewarded. Also to Mrs Hay whose outstanding skill has helped to sustain a full flute tuition programme during the year. Unfortunately, Mrs Hay has been absent during part of the last term because of a serious illness. We do wish her well and hope to see her again early in 1975 in the best of health.

Violins: Debra Saster, Leoni Smith, Felicity Klavs, Leoni Campbell.

Violas: Sharon Ayres, Michael Greenfield, Clayton Macintyre.

'Cellos: Tom Woods, Colin White, Graham Gubb, Robert Buxton.

Double Bass: Shaun Tizard, Graham Crawford.

Clarinet: Donna Shelton, Simone Bagot.

Flute: Sandra Ackroyd, Mere Smith, Robyn Atkinson, Gail Milsome, Carol Prop.

BRASS BAND

Our Brass Band has played for the School on a number of occasions, particularly at the Manawatu Inter-Schools Sports, and at the Youth Concert which was held in the Opera House in October when they played in the Massed Brass Band. We are indebted to Mr J. Eyres, the conductor, for his help and patient care throughout the year in obtaining a good standard of performance from the pupils.

Cornets: Lynette Whyte, Dean Taylor, Malcome Hussy, Richard Sturzaker, Bruce Savage, Peter Benson, Beamish Kingi.

Fugal Horn: Carol East.

Tenor Horn: James Mako, Andrew Prentice.

Baritone: Neil Graham.

Emphonium: Gavin Herdman, Ian Barclay.

Bass: Bruce Jellyman.

VOCAL GUITAR GROUP

This group has performed a number of songs before the School, and their enthusiasm, grace and charm were essential for the songs they sang so very well at the Youth Concert.

They were Susan Watson, Maureen Dixon, Allison Bell, Brenda Mallett, Christine Mears, Catherine Spence.

MAORI CLUB

This year the Maori Club has been very active, going from strength to strength, under the able and enthusiastic direction of Mrs I. Puriri, who assumed responsibility for the Club halfway through the first term.

A number of girls and staff, organised by Mrs Richdale, spent the greater part of the May holidays making piupiu which the Club wore for the first time for the visit of a school party from Canada. The visitors were greeted at the gate with a traditional Maori challenge and then welcomed into the hall by the Club. There was a hangi in the school grounds, to which both hosts and guests did full justice.

The hard work put in during the year by Mrs Puriri and the Club has been reflected in their successful appearances at the Opera House for the Centennial Concert and the Youth Festival. That they are making a name for themselves in the town is demonstrated by their performances at the Peat Street Rooms for the Foundation for the Blind and a lunch time concert for the I.H.C. on the lawn.

S.C.F.

Interest in the "Save the Children Fund" began in the school with the sponsorship by the staff of three children, Pui-Ying Lau and Hong Leung Lee in Hong Kong and Nirmal Ghoseh in the Hoogly district of West Bengal. Soon after, through the School Council, the school became sponsors for Emelia King in Sierra Leone. With all these children, correspondence has been established which has helped the recipients with an understanding of the joys and problems of people in these countries.

Christmas cards and wrapping paper were again sold in the last term in aid of the S.C.F. A particularly worthwhile venture was the basketball game against Boys College arranged one lunchtime by Laurence Paurini in aid of the S.C.F., which resulted in a gift of six dollars to the Fund.

Enquiries about individual sponsorships or the purchase of tea towels, key rings and notelets will always be welcomed by Mrs Davies.

SCHOOL PLAY — "THE TAMING OF THE SHREW"

The Taming of the Shrew was presented to the School on 19th and 20th August, 1974, and to the public on 21st and 22nd August, 1974.

The following report appeared in Wanganui Herald written by Alan Gallagher, Form 6:

HIGH SCHOOL CAST TAMES "THE SHREW"

The Wanganui High School's "The Taming of the Shrew" this week has been a creditable performance.

Lead Rhonda Atkinson (Kate) proved capable and talented and was by far the best performer. Many of the rest of the cast gave enthusiastic performances and will become quite capable in the future with more experience.

The audience realised this, hence the spontaneous applause at the end of each scene.

Particularly noteworthy were Lyndsey Gedy (Hortensio), Brian Gubb (Petruchio) and Terrence Carr (Baptista). Special mention must be made to the backstage crews who worked in the fields of set construction, lighting, make-up and decor. The work of the make-up crew was especially pronounced in the appearance of Gavin Buxton (Pendant) who suited his role very well.

Only two faults seemed to keep on reappearing. These were that most of the cast spoke their lines too fast and that too many gestures were hidden from the audience. The producer Mr Corbett, is to be congratulated on the success of this difficult play and on being able to extract the obvious enthusiasm from all those involved.

Over-all, the play was a lively and interesting performance from a school that will undoubtedly benefit from this experience.

FRENCH POETRY AND PROSE READING

This year, again, High School gave a creditable performance at a competition held by the Wanganui French Club at Boys' College in August.

Awards gained were:

3rd form: Steven Postelthwaite — third.

6th and 7th forms: Gwenda Copenerhurst — first.

The judge, Madame Jolivet from the French Embassy in Wellington, commented on the large number of students taking part in the competition and also on the high standard of French. An enjoyable evening was had by all.

DEBATING

This was a disappointing season for Wanganui High School debaters. We were all sorry to see the departure, early in the year, of Mr Maxey, who has for the past three years organised and taken charge of debating within the school. Unfortunately, because of this, the debating club in the school was not organised on a large scale, resulting in no contests between teams within the school. It was also unfortunate that the Jaycee Debating Tournament did not take place this year, ruling out debates with other Wanganui schools.

However, there were three senior debates — against Hawera, Rangitikei College and Colenso High School.

In our first debate our team, Ross Jackson (leader), Martin Robinson, and Peter Barnes, all out of practice, were soundly beaten by the Hawera side, debating the motion 'That Trade Unions are Above the Law.'

Our next debate, against Rangitikei College, 'That it is Good to be Normal', was again a loss to our other team, Allan Gallagher (leader), Robert Stainthorpe, and Colin Thoms, though the points difference this time was quite close.

Our other debate, against Colenso High School was 'That the Pen is Mightier than the Sword.' Although on points a draw, our team, R. Jackson (leader), M. Robinson, and A. Gallagher, won the debate on the judge's decision.

Junior Debating

This year we entered four teams in the Jaycee Fourth Form Inter-School Debating Competition. Of these, only one team, Robert Domansky, Gavin Herdman, and Batry Watt, succeeded in reaching the quarter-finals. They won their quarter-finals debate, and are now awaiting their semi-finals debate which will be held on December 5th.

TRAMPING CLUB REPORT

The departure of Mr Maxie at the end of Term 1 proved to be a great setback to the club as was shown by the decline in the number of expeditions undertaken in the second half of the year. Transport continues to be a major problem and while we are grateful to those parents who have helped in this respect we need still greater support.

The great canoe migration down the Wanganui River last December involved 24 canoes and 26 people. The first night's camp at Taumarunui was an introduction to the water for most of us. Several inches of rain fell and

most of the bivouacs were flooded. The river was high and swift. Dave Roberts, our American visitor, tipped out on the first rapid, closely followed by Peter Visser, and it was obvious that many of us were not sufficiently experienced to handle the canoes in the rapid current. Kirsty Laws failed to notice an island in the middle of the river and Veronica Spencer spent a great deal of time upside down in the willows. After many mishaps we decided to camp early and dry out.

Next day the river was much lower and for the remainder of the five-day trip there were few incidents. Few will forget the wonderful camp site at Kirikiriroa, the eel catching, the scenery and the singing on this most adventurous trip. Parents really came to our aid with the large amount of transport required for such an undertaking.

First term this year saw another canoe trip from Pipiriki to Atene, the usual ascent of Mt. Ruapehu, and the hardy annual trip down the Otaki Gorge. Organised sport caused disorganisation of the club in Term II but Term III saw a bad-weather trip to the School Hut and a week long survival exercise by Mr Lang and senior pupils in the Waitotara bush.

Next year we should like to see more young teachers and parents taking part in this worthwhile activity.

The Journal of 1955-56 records in seasonal notes of the Club's activities. It was a year of many firsts and many successes. The Club's first expedition was to the Waitotara bush. The first night's camp was at Taumarunui. The first day's trip was to the School Hut. The first week's survival exercise was in the Waitotara bush. The first year's record shows that the Club has been successful in its first year. The Club's first expedition was to the Waitotara bush. The first night's camp was at Taumarunui. Obituaries

— MR. STANLEY EDWIN DAVIS, died on 10th November, after a short illness.

After seven years as Head of the Technical Department Mr Davis retired at the end of 1973, apparently in sound health and continued to teach one Technical Drawing Class in 1974. He was stricken quite suddenly and there followed just a few weeks of increasing incapacity before his death.

In earlier years, Mr Davis had been a mountaineer of considerable distinction and was the first person to climb five substantial peaks in the Southern Alps. His love of adventure out of doors continued into his last year. He had faced many daunting challenges on the high snow fields and rock faces, and on the white water of our rivers and frequently spoke of his desire to encourage the young men he taught to find the same strength and self-awareness in similar pursuits out of doors. He devoted a great deal of his time after school and at weekends and vacations as master in charge of Duke of Edinburgh Award Training, putting his wishes into effect by leading boys' and girls' in tramps, and canoeing.

Mr Davis's genial and positive outlook and his warm heart towards all, was so easily betrayed in his smile, and outgoing service for others, and there are many boys who came under his guidance in the workshop and drawing room, and in the field, who owe much to his character and example and will long remember him as teacher, counsellor and friend.

MR. DAVIS, A MOUNTAINEER IN THE SOUTH ISLAND

The secretary of the Canterbury Mountaineering Club Inc., writes—

During Christmas 1934 Stan Davis was with a Wellington party in the Rakaia. The party climbed Louper Peak and Mount Lord. In addition Stan and others made first ascents of Mount Neave and the Low Red Lion Peak. In December 1936 he made climbs of Erewhon Peak and The Amazon's Breasts (both in the Rakaia area).

The journal of 1936-37 records in personal notes of 'exiles' from Canterbury that — 'Stan Davis bicycled to the Chateau Tongariro one week-end with his skis on his pack. Heavy snow fell. He returned on his skis, with his bicycle on his pack.'

The journal for 1937-1938 contains an article written by Stan giving an account of his climb of Mount Evans, the second ascent, and during which one member of the party lost his life.

The next year's journal records that Stan Davis gave the members of the Club's Wellington branch an opportunity of seeing an oil painting of Mount Evans by Austen Deans

as a memorial to Norman Dowling. The painting was hung in the Tararua Tramping Club's rooms. At Christmas Stan set up a plaque in the Whitcombe Valley to Dowling's memory.

By kind permission of the Canterbury Mountaineering Club we republish Mr. Davis' account of his ascent of Park Dome and Mount Evans printed in the Journal of 1937-1938.

PARK DOME AND MOUNT EVANS

Having been through some particularly trying experiences since his first alpine venture the previous year, I thought it strange when Norman Dowling suggested that we go into the Wilkinson and sleep under Evans for a few days during the next holidays.

I admired him for wanting to go back, and did not have the heart to disappoint him. Then came Derek Freeman — a lusty lad, tall and strong; he also wanted to climb mountains. We were a threesome, so the trip was arranged. Seemingly, Norman had been anticipating this event the whole year. His suggestions, his gear, and his physical preparations, were just part of the intensity with which he was wrapped up in his combat with Nature, in the great outdoors.

Four hours after leaving Christchurch, lunch was spread by the girls on the green grass at Glenfalloch and Norman provided a "Tui" beverage.

The three parties arranged in Wellington, and about to venture forth into the high hills were: The Scott, i.e., Walter Patrick Scully, Austin Deans, Betty Lorimer, and Joan Singleton. The Chorlton, with Tony and Barbara, Muriel Broughton, and John Stackhouse. The Davis, comprising Stan, Norman Dowling and Derek Freeman.

The distant Arrowsmiths lengthened our vision and soon came nearer, now towering above now aloof, and laughing at our puny efforts to cross the Rakaia, now withdrawing into themselves for the night, but ever present, proud, in their immensity, mysterious beneath their draperies of mist.

At long last, came the Washbourne Hut, friends, foods, stars, sleep, dew, then Mt. Butler rose coloured in the dawn and the satisfying sight of high snow in the sunlight. Breakfast on the wet grass, and loud confusion about getting the good things back into the rucksacs they belonged to.

Opposite Duncan's Hut the river was quickly crossed and then the sunshine slowly warmed our frozen extremities. The Scott party continued up the South bank while the crossing was in progress.

Derek displayed the advantages of long limbs, by relaying over most of the packs in a middle loop. The girls managed to keep their heads dry, and the others scrambled awkwardly about on wooden legs.

We farewelled the Chorlton party, advising them to visit Mein's Knob, and see the "finest view in the world." Then some three hours later, on the Whitcombe Pass, we lazed in the long grass, occasionally stirring to watch the avalanches from the towering Louper, to suck lemons or glucose, or to admire the tremendous cleft of the Katzenbach. Norman noted our back door route of the previous season, when we had beat a hasty retreat from the Braken blizzards through Kitchingham's Col and down the Barron Glacier; also seen, was the old camp-site where we had revelled in our bed of stones after having spent the previous six nights on the ice of the Ramsay and Erewhon Col. Further down the Whitcombe, I located the large cubical boulder at Snag Creek, from which base we had climbed Mt. Neave in 1934.

A very comfortable night was spent and the anticipation of an easy day to our Wilkinson Base on the morrow, lent an atmosphere of contentment and completion to a very satisfactory day.

At 10.30 in light rain, we moved leisurely through the Gorge endeavouring to capture—

"The Hell of waters
Where they howl and hiss,
And boil in endless torture."

by so poor a medium as a shutter and lens.

We forded the river below a high bluff, of Jourdain Cone, and found relatively easier going on the deer tracks high above the boulders in the river. The Wilkinson ice face towered above where we hopped the McKenzie Tributary, then the vision of the cairn surmounting our boulder home, morally assisted us up to the terrace.

This excellent bivvy gave no indication of tenancy since our first stay three years before.

The rain continued throughout the day, but being so dry and extremely well fed and comfortable, loaned wings to the hours and gave the bivvy an atmosphere of deep content.

A very angular patch of sky seen through a hole in the cave, exhibited stars, and at 2.30 a.m. we began preparing to make the first ascent of Park Dome.

Revering in a glorious sunrise, we proceeded up the left side of the Seddon Valley. Presently a steep snow tongue gave access to a ridge, loose and steep. Then the rocks became larger, and provided excellent climbing, and sound belays, to where the choice of a steep chimney or the climb of an exposed face indicated a halt. The awkward approach to the chimney favoured the latter route. It went for a certain distance then the description from Derek's viewpoint, fostered doubt, so I secured the rope and went up to investigate the chimney from above. Vocal communication with the boys indicated their discovering an easier variation on the face and Norman led.

From the chimney, the ridge proper developed into a real arete, with a long drop into a cold couloir of blue ice on the left. The sunshine, scudding clouds, good steep sound rock, the virgin jaggedness of Thorndyke across the way, Neave on the Main Divide and the new angle of Evans to the right, were but a small supplement to the whole magnificence of the prospect in full.

I prepared a snack and waited for the boys where the ridge merged into the neve of three hanging glaciers, the avalanche feeders of the McKenzie ice. We roped, and wandered upwards through the crevasses, wending around seeking bridges, finally gaining the summit after a nine-hour climb.

It is worthy of record that Norman Dowling produced a large bottle of liquid "Tui." This had been secretly purchased in Wellington, transported into the Wilkinson, then by an exacting climb to the virgin summit of Park Dome—"not because of the refreshment in itself, but because the task was one which required great integrity and endurance," was Norman's own consideration of the act.

General handshaking, congratulations, first virgin climb, a well-built cairn, surmounted by the empty "Tui," photographs, then we set off into the mist, down the unexplored neve of an unnamed Waitaha glacier. An upright slide brought us quickly to the Seddon Col through which we stepped, then swooped down into the amphitheatre of Seddon snows, and paused to regard the three regular tracks of our standing glissades. The cavern was reached without further incident.

Thursday, December 30th, our sixth day out, arriving with rain and fog, gave us a lazy day, and opportunity to appreciate the culinary efforts of Norman.

Shouts! Answers! Visitors!

Tony Chorlton, his sister Barbara, and Muriel Broughton arrive. We welcomed the first lady visitors into the Wilkinson with eats, drinks and merriment. Their party were sleeping at Cave Camp and had almost climbed Mt. Neave the previous day.

Later, we went sight-seeing in the mist, rain and fog of the Wilkinson Glacier. Eerie avalanche thunder reverberated the rivalry of Park Dome, and Evans. The long continued growls gave the only indication of hills at all. Norman mentioned our intention of climbing Evans on the morrow, and from the high conical deposit, we waved and yodelled our visitors down the river.

Friday, 31st December, at 3 a.m., found us scrambling out of the cavern with a billy of hot rice and cheese for our breakfast on the McKenzie Col. When examining the glacier on 29th inst., it was suggested that we forced some rocks on the right and under Park Dome we would avoid a whole lot of step-cutting in the icefall. I went up first on a long rope, up came Derek, and while Norman hauled in his pilot line, and looped up, a deafening roar produced clouds of ice dust high up the Dome and heavy blocks of blue ice rolled close by.

From here, we climbed steadily upward, seeking bridges, kicking and anchoring rhythmically in the steep neve until the slope eased off to the Col at 8 a.m. A swift glissade, a photograph of the Red Lion, then a solid bout of step-kicking from the County neve, brought us directly up to the Col of the Red Lion, where we cleaned up the remainder of the rice, and departed for the low Peak at 11 a.m.

The interesting rock passed all too quickly, and we found the snow easy to the summit at 1 p.m. Whitcombe was a giant, and we felt proud to have climbed Erewhon Peak and had fun on the Whitcombe Rocks.

Sawtoothed and extremely loose, characterised the connecting ridge to the High Peak. Three hours were spent in this decidedly draughty place, during which time we ascended the highest point, photographed the surroundings, tore pieces from a Pascoe handkerchief, and generally made the most of our visit. On the summit of this twice-conquered virgin, we indulged, building a durable memory with the ineffable joy of a good climb well done.

We slithered down the rocks, glissaded to the col, devoured more food, and departed at 5 p.m. for the McKenzie Col. The steep climb from the County gave occupation, and we literally swarmed up, feeling good and putting extra vim into the rhythmic steps just for the joy of doing so. Norman wanted to relieve me, and politely swore something about step-kicking all day. I consoled him with the fact that he would soon be in front on the McKenzie. About fifteen minutes from the col, we left our morning route for an easier way noted on the ascent. While moving in unison diagonally across a clean thirty to thirty-five degree slope, I suddenly found myself vigorously endeavouring to check the rapid pace with which we were sliding over the snow . . . a few vague bumps . . . oblivion . . . years later . . . the delicately tinted blue-green ice of the overhanging glaciers . . . the inflamed tongues of a dying day . . . and beyond . . . infinity . . . a voice? Someone gesticulating . . . it's Derek. Park Dome! Evans! We'd fallen . . . Norman? . . . he's dead.

We laboriously raised his unprotected head, laid him comfortably, and heaped about the snow. How we managed to get down the icefall — God only knows; surrendering to the inevitable and collapsing every few yards, our battered bodies bore us down through the moraine. In the scrub, the spells became more necessary, occasionally we became separated, finally, we reached our boulder home about 3 a.m.

We awoke, reduced, humbled and grateful. Sunshine and cold water, and after six hours enfeebled preparation we managed to leave. Nourishment was frequent, and spells very necessary. At eight o'clock that evening, we were found asleep at the Whitcombe-Wilkinson confluence by Walter Scott, Joan Singleton, Betty Lorimer, Austin Deans, and Pat Scully. They assisted us over the river, and made our beds in the cave. Friends, food, warmth and sleep—

Such is providence!

Walter, Austin, and Pat, departed early for the McKenzie icefall, leaving us under the expert care of the two girls. Feeling much better after a complete rest and the capable attention of Betty and Joan, we made Chainman Flats, just at dusk and adjusted the abrasions by candle light.

A rapid improvement was very noticeable the following day. Price's at noon, and Hopeful Creek Hut at 6 p.m. The boys had arrived after making a fast trip from Cave Camp. The previous day they had tried to force the McKenzie Icefall, and after hours of step-cutting, decided that: the body could not be reached, and enough daylight left to return to the bivvy; the body could not be lowered down the icefall without more assistance; the weather was worsening and the girls may be needing help.

It is to the sterling support and assistance rendered by this party and the girls together with the continued sunshine, that Derek and I was able to come out alive.

On the fifth day after the accident, we arrived at Ritchie's homestead, then Hokitika about mid-day.

S. E. Davis.

DAVID ROSS BUTTARS, David was killed in a two-car collision just south of Kaitoke on the night of Friday, 22nd March, 1974. He was at school from 1970 to 1973 and had begun training as a Police Cadet. At school he gained a Bronze Duke of Edinburgh Award and was a keen softball player.

REV. NOEL CHARLES WILLIAMS, B.A., died at his home in St. Heliers, Auckland, on Wednesday, 4th September, 1974, after a long illness in which he suffered much.

While minister of St. Paul's Presbyterian Church in Wanganui, he joined the Board of Governors of Wanganui High School as a parent representative in June 1967. He served as Chairman of the Board from June, 1970 to May 1971, when he moved to the St. Heliers Parish, Auckland.

Already heavily committed to a caring ministry in this city, Mr Williams entertained no other ambition in his labours for this school than to spend and be spent for its progress, good standard and harmony. He brought to its counsels, valuable new perspectives in the area of administration. To its relationships and human concerns, he added a wealth of wisdom, experience and tact from his strong character, exemplified by unflinching integrity, personal grace and humility. Mr Williams was a man loved and respected by all who knew him, and his association with the school was a continuing source of strength to all concerned with its responsibilities.

Our deep sympathy is extended to Mrs Williams and to Paul, Jenny and David.

NORTH ISLAND SECONDARY SCHOOLS ATHLETICS, AUCKLAND HELD 6-4-74.

The track events of the Athletics meeting were held on a cinder track, instead of a grass one which our athletes are accustomed to. The athletes were very weary from travelling on the previous day. They found atrocious weather conditions and were allowed no time for physical or psychological adjustment. Nor did they have a chance to work out on the cinder track. However their results were quite satisfactory.

Wanganui scored: 2 2nd's, 7 3rd's, 5 4th's, 9 5th's in the finals.

Creditable performances included:

Murdoch MacKenzie — 5th Senior Boys Triple Jump Final.

David Ngeru — 5th Junior Boys Triple Jump Final, 3rd in 4 x 100m Relay, qualified for 100m Junior Boys Final.

Trevor Lockett — 800m Boys Final, 14th in a large field.

Jenny Mosen — 800m Senior Open Girls Final, 12th.

Debbie Lawless — 2nd Intermediate Girls High Jump. She jumped a height of 1.45m but on a countback she was

placed back to 4th. Wanganui also gained 2nd in the Senior Boys High Jump only to be relegated to 5th on the countback.

Debbie Lawless was 4th fastest qualifier in the Intermediate Girls 400m Heats with a time of 62.6s. She went on into the finals.

Sue Henderson 5th Senior Girls High Jump Final (1.45m.)

Stephanie Baron 3rd Junior Girls Long Jump Final (5.24m.). This was a great effort on her part.

Heather Hulme 3rd Senior Girls 4 x 100m. Relay Final, 3rd Senior Girls 200m. Heats and qualified for the Finals.

WANGANUI INTER-SECONDARY SCHOOL'S ATHLETICS, 1974.

Organised by the Wanganui Amateur Athletic Club and sponsored by Wanganui Motors Ltd. this tournament was held at Cook's Gardens on a Thursday during 3rd Term, 1973 and in the 1st Term of 1974 on 23rd of March.

Wanganui High School Girls won the Girls competition earning \$50 for the School.

The support of W.H.S. staff and pupils was a grand effort, not only in administration (office staff included) but in active participation (athletes, judges, etc.) catering, cleaning and clearing gang (Cook's Gardens) and the loyal "cheer" group. An effort to be proud of and as hosts a job well done.

Our thanks must go to the Wanganui A.A.C.C. (personnel and facilities given), parents and other school staff members, Mr McNab, Collegiate; Mr Lawless, Gonville; Mr Mahoney, Wanganui Intermediate; Mr Peterson, Rangitikei College; Father McCormack, St. Augustines; Mr "Digger" Joyce, manager of Cooks Gardens plus his ground staff, W.H.S. Canteen, the Wanganui City Council — use of the observatory for power, Mr Stephenson Senior, and the Mayor Mr Andrews for the honour of his presence. Our thanks also to Wanganui Boys College for the use of their grounds for discus and javelin.

NEW ZEALAND SECONDARY SCHOOLS ATHLETICS CHRISTCHURCH

DECEMBER 7/8, 1974,
Queen Elizabeth 2nd Park.

As a team of 12 among 1400 athletes from 197 Secondary Schools, we were delighted to compete on the Commonwealth Games Park in Christchurch. In very large fields of several heats in every round we did very well to achieve notable results.

Heather Hume: 1st Round 1 Senior 200m 26.9 secs.; 3rd Semi-finals — Very close 2nd.

Joanne Parkinson: 4th Round 1st 800m Junior 2.35.4; 5th Round 2nd.

Trevor Lockett: 5th Round 1st 800m Junior.

Girls Senior 4 x 100m Relay: Heather Hume, Margaret Perry, Stephanie Baron (Jnr) Sue Henderson, 5th Semi-Final.

Boys Senior 4 x 400m Relay: 4th Semi-Finals, 3.39; 4 x 400m Relay, 8th Final. Trevor Lockett (Jnr), Neil Domigan, Tyrone Mulligan, Murdoch McKenzie.

Helen Visser: 400m Junior, 4th Round 1st, 66.5; 6th Round 2nd.

Tyrone Mulligan: 800m Senior, 4th Round 1st, 2.05; 6th Semi-finals.

Lynne Brown: 80m Junior Hurdles, 4th Round 1st, 13.1; 2nd Round 2nd; 5th Semi-Finals — Head wind.

Stephanie Baron: Junior Long Jump, 10th out of a field of 43 Final 4.81m.

David Ngeru: Triple Jump Junior, 8th = field 21, final 11.65m.

Margaret Perry: Senior Long Jump, 12th field 25, 4.63 min., final. Best personal performance.

Neil Domigan: High Jump Senior, out on 1.75m field of 34. Final.

Sue Henderson: Senior High Jump, 2nd = final 1.55m. Best personal performance, 23 competitors. 1st, 2nd and 3rd placings all jumped 1.55m but were out on 1.58m. Sue lost 1st place on the count-back by 1 jump.

Murdoch McKenzie: Senior Triple Jump, 3rd final 13.23m. Best personal performance, field of 29 competitors. Senior Long Jump, 9th final, field of 33, 5.97m.

It has been a pleasure to be associated with such a loyal group. Through the great effort of Board, Staff, Parents, Friends and Athletes themselves the experience and opportunity to compete at Q.E. II has been made possible and greatly appreciated.

Thank you.

E. P. MAHONEY (Manageress)

Wayne Taumata: Senior Boys Dive — 1st, won by 16 points.

Although none made the finals all the above performed well in their heats against experienced opposition including Commonwealth Games team members and New Zealand age group title holders.

INTERSCHOOL LIFESAVING

Lifesaving competitions were held at the Gonville Pool on Thursday, March 7th of this year the school entered two teams, the "A" team, all third formers, comprised Carol Prop, Sharon Ayre, Yvonne Gosnall and Wendy Langman. The "B" team was Vicki Mills, Alison Ballingall, Sue Watt (the only 4th former) and Daryl Chegwidan.

The "A" team gained third place with 105 points — a great effort.

Thanks to: David Roberts who gave of his time and experience to help coach.

Rowing

ROWING SEASON 1973/74

1. Opening Regattas proved to be a success for our school crews as at the Jury Cup Regatta we gained first in the school fours.

2. At Waitara on the 15th of December we also carried off the school fours. In fact our two crews gained 1st and 2nd places.

3. At Wairoa over the new year period a scratch crew of novices and senior rowers did well in gaining third in a class field of the school fours.

4. At the Wanganui Championships we gained a comfortable 1st in the school senior fours by a good two and a half lengths to St. Augustine. The crew consisted of S. Humphreys (stroke), P. Kitson, B. Gubb and J. Thompson (bow) with coxswain T. Kitson.

Sprint Regatta (1000 metres) (Saturday, March 9th) High School rowers performed well here gaining more firsts than any other school competing including Collegiate High School teams won the Junior Fours, the Colts Fours and the Senior Fours, the latter team won com-

fortably against old rivals Collegiate putting on an impressive display to take the gun $2\frac{1}{2}$ lengths clear of them. The Colts Fours won their race by the same distance.

Colenso Visit:

The annual inter-school row against Colenso was dominated from start to finish by our Senior Four. We eventually won by some 13 lengths. This race has always been dominated by High School because Colenso rowers are not as lucky as our rowers. This is because their rowing club is rather isolated and therefore they aren't able to do much training.

Wellington Schoolboy Championships:

These were held in atrocious conditions, which had some effect on our performances, a better crew beating us in all classes we entered that day.

Results were: Senior Fours 3rd, Senior Eights 3rd, and Junior A Fours 4th.

This was our last competitive outing before Maadi Cup so there was some concern for our results.

Maadi Cup Regatta, 29th - 30th March 1974 (Championship)

This glamour event for the cream of New Zealand Secondary School oarsmen was hosted locally earlier this year on the Championship Course in Aramoho. The school rowers who had worked hard all season now had the chance of winning national titles and pitting their strength against the best crews in the country. The opening day brought some good results. None more so than our great win in the second heat of the Springbok (Senior) Fours.

The crew: S. Humphreys, P. Kitson, T. Clark, B. Gubb and coxswain T. Kitson won comfortably by three lengths. In all three grades of four-oar rowing, Intermediate, Colts and Junior we gained third placings. Although the Senior Eight was not quite as fortunate in placings, it qualified for entry into the petite finals on Saturday.

On Saturday all crews performed creditably, particularly the Intermediate Four comprising P. Visser, L. Tebbut, G. Clark, J. Thompson and coxswain T. Kitson who turned on a magnificent display of precision rowing to take the gun a length clear of second place-getters Westlake. The Junior A Four of J. Chapman, B. Guthrie, D. Joseph, G. Kenning and also performed with distinction against heavier opponents and gained second place in the petit final.

The event for which I think we held highest hopes was the Springbok (Senior) Fours. After the win in the heat the Senior Four was all geared to give the best a run for their money.

The race was rowed in good conditions over 2000 metres (as are all senior events). As it happened we found the best we could give was just not enough and we had to be satisfied with a minor placing of fifth position.

In the last race, the Senior Eights, we gained a similar result as we were left behind by about three lengths and only gained fourth position.

We found though that we were racing against very heavy opponents and this makes a lot of difference to the performance of a crew. At the Senior level we would have been the lightest crew competing.

Two notable achievements by W.H.S. rowers at the Rowing Regatta at Karapiro were Tom Clarke, who rowed in the Youths 8 and whose team came 3rd in N.Z. and who reached the semi-finals in the Youth Fours crew and Sharon Nolan who represented Wanganui at the same Rowing Regatta.

Overall we were pleased with our results. Next year we hope to see more novices at the Wanganui Rowing Club sheds. Perhaps we will gain even better results. We have a great fan at the helm in the figure of Mr J. Byres. It is to Mr Byres we owe our successes.

It has been a successful season for our school oarsmen and although no major races were won I would like to thank Mr Byres and the Club for their efforts over the past year.

— Simon Humphreys.

Basketball

A wide range of competition was available to the W.H.S. basketball teams at both local and regional levels this year.

The boys "A" team, hard worked by coach Graeme Lawless, were nonetheless rewarded for their training. The girls "A" team had no coach for the greater part of the season, but the resulting losses were made up for by their keenness and the sportsmanship displayed during their games. A number of players from these teams were included in various Wanganui representative teams also.

High School has mostly to be proud of its junior teams which deserve to be placed among the higher ranks. In particular are the boys and girls "C" teams whose games were always a pleasure to watch. We have in these younger players much potential to harness in future years.

Each school was allowed four boys and girls teams to play in the Friday night inter-school competition.

Friday Night Competition:

The first two Fridays were grading games. On the whole, all teams did extremely well in the competition games against strong opposition.

Girls Section:

The "A" team did not have any remarkable successes this season but, still, took everything in their stride.

Secondary Schools Basketball Tournament

Hawera, June 7th - 9th:

- v. Sacred Heart, lost 16-33.
- v. P.N.G.H.S., lost 24-36.
- v. N.P.G.H.S., lost 25-56.

Team: L. Turner, G. Cockrell, L. Bates, C. Dawson, E. Andrews, S. Barron, C. Ratcliffe, C. Jones, N. Joll.

Visiting Teams:

- v. Colenso, lost 19-49.
- v. Hawera, lost 16-22.

After these defeats by visiting teams the girls went on to Wellington to compete against other regional school teams. A very pleasant time was had by all although we again lost all our games.

- v. Tawa, lost.
- v. H.V.M.T.C., lost.
- v. P.N.G.H.S., lost.

Our girls in the "C" team went on to the final in the Handicap Knockout Tournament after beating both W.H.S. "A" and a strong Sacred Heart team. In the final they played Girls College "D" (who had a twelve point lead) making them runners up. The under 18 representative team was chosen to go to Hawera in the second term.

C. Dawson, E. Andrews, S. Barron, L. Bates, C. Ratcliffe.

Claire Dawson was also chosen as a Wanganui Senior Representative as well as Barbara Hill and Dianne Battersby who are past students of the school.

Boys Section:

The boys were always more exciting to watch on Friday nights. Our "A" team came up against some very strong opposition in all aspects, but with a tough-minded coach and large numbers of supporters at their games, they always came out the better.

Secondary Schools Tournament New Plymouth, 14th - 15th June:

v. Q.E.T., won 48-30.

v. Spotswood, lost 29-35.

v. Hawera, lost 39-63.

Team: T. Clarke, L. Paurini, B. O'Connor, K. Oldman, G. Lawless, T. Ireton, B. Hill, W. Taumata, M. Paurini.

Unfortunately Bill and Tom had to return to play rugby for the first XV halfway through the Spotswood game and missed the Hawera game. This cost us the tournament.

During the Canadian visit the boys played the visiting team and won a very good game 38-28.

v. Hawera 16-22 — a narrow loss for our team considering half the team also played rugby.

v. Boys College, won 31-28.

The boys also organised a sponsored game against 2ZW to raise money for their Wellington trip. They won a great game (properly conducted too) by 106-4.

v. Colenso the boys lost after two periods of extra time, 37-40.

Wellington Trip (two teams):

Seniors: L. Paurini, K. Oldman, G. Lawless, N. Domigan, T. Ireton, W. Taumata.

Under 16: M. Paurini, P. Gooding, M. Savage, J. Scanlan, J. Oldman, J. Booth, K. Green, A. McLean.

Results (Senior):

v. Dannevirke, lost.

v. Taita, won 33-26.

v. Kuranui, won 35-34.

v. Wellington College, lost 21-38.

v. H.V.M.T.C., won 16-8.

(Post Section) v. Collegiate, lost 18-22.

Under Sixteen:

v. Wellington High, won 31-29.

v. Colenso, lost 13-50.

v. Wellington College, won 26-25.

v. Silverstream, lost 16-22.

(Post Section) v. Wellington College, lost 39-44.

The boys came away with the Sportsmanship Trophy again.

The under sixteen boys then went to Dannevirke and were placed 3rd overall in the tournament. Winners of Grades (Friday Night Competition).

Boys "C" won the C grade, the boys "D" shared the D grade with College "D" and the "A" team won the Free Throw Trophy.

The high standard attained in all of our team's games resulted in a large number of W.H.S. pupils being chosen for the secondary school representative teams.

Senior boys: T. Clarke, L. Paurini, N. Domigan, K. Oldman.

Under 16: P. Gooding, J. Scanlan.

Senior girls: L. Turner, C. Dawson, G. Cockrell, C. Ratcliffe.

Under 16: M. Perry, E. Hill, To'aiga Su'a, S. Barron.

Tennis

W.H.S. TENNIS TEAM

The High School Tennis Team did not have such a successful year as we had hoped, but nevertheless the team's spirit and conduct made up for the losses sometimes incurred.

Our games were all very enjoyable and attracted a good audience to all venues.

Colours were awarded to Robyn Atkinson, Lynette Thomas, Allison Elliot, Lynley Sloan, Trevor Ireton, Tony Ireton, Murdoch McKenzie, Lawrence Paurini, Neil Domigan.

"Kotiate" Maori Carving for Girls was presented to Robyn Atkinson.

"Wakaika" Maori Carving for Boys was presented to Trevor Ireton and Murdoch McKenzie.

Interschool matches played:

v.s Rangitikei College at Wanganui:

Girls Doubles, won 2, lost 2.

Girls Singles, won 7, lost 1.

Boys Doubles, won 2, lost 2.

Boys Singles, won 6, lost 2.

Mixed doubles, won 6, lost 2.

A convincing win. Games were played under overcast skies in strong windy conditions.

v.s Colenso at Napier

Girls Doubles, won 2, lost 1.

Girls Singles, won 4, lost 2.

Boys Doubles, won 0, lost 3.

Boys Singles, won 0, lost 6.

Mixed Doubles, won 1, lost 7.

The girls team especially played very good tennis.

v.s Collegiate-Nga Tawa Combined at W.H.S. cancelled due to bad weather.

v.s Boys and Girls College Combined at W.H.S.

Girls Doubles, won 0, lost 4.

Boys Doubles, won 1, lost 3.

Mixed Doubles, won 1, lost 3.

W.H.S. team played creditably, but were well beaten on the day.

v.s Collegiate at W.H.S. and Collegiate

Boys Doubles, won 0, lost 7.

Boys Singles, won 3, lost 11.

Once again the opposition proved too strong all round.

This was a disappointing year for W.H.S. tennis. Players did not complete matches on schedule so the Tennis Championships were not completed before the winter and had to be abandoned.

The standard of tennis is obviously slightly below that of other schools and it is hoped that more inter-school fixtures will provide much needed practice.

Junior coaching was introduced in the third term with Mr G. Dickson. The squad contains over forty players and is assisted by three senior boys, Murdoch McKenzie and Trevor and Tony Ireton.

Cricket

FIRST XI CRICKET

College Fixtures:

v. Rangitikei:

Rangitikei 61: G. Ewing 3 for 15, M. Neilson 5 for 16, B. Ta'ala 1 for 14.

High School 148 for 7 declared: B. Ta'ala 46, M. Ewing 31 not out, M. Neilson 38 not out.

Rangitikei were 39 for 4 in the second innings, but any chance of an outright win was prevented due to the game being reduced in time.

v. Colenso.

This match which High School lost was a 40 over match with each bowler restricted to 8 overs.

Colenso batted first and made 112: G. Ewing 2 for 16, S. Ericksen 2 for 18, M. Ewing 4 for 12.

High School 65 — G. Ewing 23 not out, Lawrie 10.

High School perhaps did not perform quite so commendably this year in the Senior Reserve grade, as in previous years. This can be attributed largely to the fact that, at the beginning of year the team was depleted to the extent of only 3 of last year's team returning to school. The resulting young team has improved tremendously throughout the season, and there are several players who will surely serve the school well in future seasons. Notable performances:

Stephen Ericksen Skilful higher order batsman, and effective offspin bowler.

Guy Ewing: Left arm opening bowler.

Jonathan Wallace: Much improved wicket-keeper and middle order batsman.

Mr Byres: Accurate opening bowler, and efficient left hand higher order batsman.

Mr Milne: Successful batsman and excellent fielder.

Mr Blakeley: Opening batsman and effective spin bowler.

Mark Ewing: (Captain). Higher order batsman.

Garry Raine: Effective change bowler and lower order batsman.

—M. Ewing.

GIRLS CRICKET

This year saw the revival of a girls' cricket team at High School. The girls all impressed with their eagerness to learn and perform the game well. They were rewarded with two successful victories over Girls' College.

The first match was a cliff-hanger victory, High School narrowly winning by 2 runs. The second match was a tougher one but High School scored enough runs to win convincingly.

Wendy Asplin and Adele Garret proved competent leaders of the side. Stephanie Baron, Debbie Churton and Leigh Taylor batted well for the side. However,

our main weapons were our penetrative bowlers, Joanne Fox and Debbie Lawless. Linda Kerfoot also bowled well.

Overall, it was an enjoyable season with a very keen, competent team.

Rugby

FIRST XV RUGBY

At the start of the season, with only three of the previous year's 1st XV members returning, the team was almost completely new. Although it was down on weight and size, it was a team with an abundance of character and spirit.

The season started well, the team narrowly losing the first few games, and then succumbing rather heavily once or twice, but whether it was a heavy defeat or a narrow win they came off the field knowing they had played in the true spirit of the game.

As usual the highlight of the year was the inter-school games. We lost four of the five games, three being played on extremely wet and muddy grounds, which hampered the effectiveness of this relatively light team.

Inter-school Matches:

v.s Collegiate School XV — Unfortunately we couldn't repeat the performance of the past years' teams, and lost to an extremely strong and well-drilled Collegiate team by 30-0. Congratulations Collegiate for a good clean game.

v.s Boys College — This game was played in atrocious conditions at Boys College. Our team knew that it would lose to a team whose members were big but each player played his best for the entire 80 minutes. We eventually lost 48-3. McKenzie kicked a fine penalty from 50 yards out.

v.s Hawera High School — Again this game was played in terrible conditions. Playing with a slightly depleted team, due to injuries and "flu", we lost in an uninspiring game.

v.s Rangitikei College — This was a game we were all looking forward to, as Rangitikei was a team whose members were about the same size and strength as our own. We won 10-4 with two fine backline tries, after the ball had been repeatedly won by the forwards in both teams. Benko Ta'ala scored the first try and full-back Kerry Knott scored the second. Murdoch McKenzie added the two extra points with a conversion.

v.s Colenso High School — This was the last game of the season for the team. We lost the game 12-10 with captain Bill O'Connor and Jacko Ta'ala scoring tries and Robin Williamson converting Ta'ala's tries.

This record is not particularly bright, but all performances were creditable. The team definitely improved as the season progressed and one highlight was beating Marist 10-8 after losing by over forty points to them previously.

Thanks must go to our coach Mr Lewin who was beside and with us all the way throughout the season.

Thanks must also go to John Howarth and Terry Fitzgerald, and their club Wanganui High School Old Boys for the time they gave up to help us. Thanks also to the parents who supported us, supplied transport, supplied oranges, etc.

Thanks to the Social Rugby Team and 2nd XV members, who played well for us, and to the remainder of the school and staff for making our First XV year an enjoyable one. With over half the team returning next year, and the talent in the 2nd XV, we can look forward to an extremely strong team in the year to come.

This year's 1st XV was: Kerry Nott, Tom Clark, Jacko Ta'ala, Tony Jones, Murdoch McKenzie (Vice-Captain), Paul Kitson, Robin Williamson, Lance Tebbit, Benko Ta'ala, John Green, Grant Calvert, Bill O'Connor (Captain), Kent Allison, Glen Clark, Milton Hartley, Paul Bares, Phillip Hinton.

SECOND FIFTEEN RUGBY

The Second Fifteen came through a hard season of wet weather rugby well. Although the side lost its three inter-school matches it won more games than it lost in the local competition.

Highlights of the season were undoubtedly a spirited defensive performance against Boys College 2nds in atrocious conditions, and a fine, well-deserved draw against top side Waverley.

Although the side could not be praised as great "practice goers", they showed determination on the field and flexibility in their approach. Most results were narrow, and finishes were often of the "cliff-hanger" type.

The side was captained by Alex Prentice who always led by example with his dedicated approach and vigorous play. The pack, although often beaten in the tight were usually superior in the loose. Instrumental in the use of spoiling tactics were Captain Prentice, Robin Sykes and Tony Craig. These three proved a devastating loose trio, constantly disruptive to the opposition. Warwick Whibley impressed as a strong player and Brian Gubb sustained his reputation as an honest toiler.

The backs did not have many dry days to run the ball but took their opportunities when they came. Full-back John Wallace played superbly throughout the season, defending well and often driving the opposition back with long raking kicks. Kevin Peterson and Tyrone Mulligan showed imagination and spark as outside backs. Darryl Dowman was the completely effective link at second five-eighth. Steven Eriksen and Trevor Lockett combined well on the inside. Both are very promising rugby players.

Overall, it was an enjoyable season, in 1975 the First Fifteen are not going to be short of competent rugby players.

3XV RUGBY REPORT

A season in which some close and some not so close second places were recorded to complement some very fine victories.

It's not usual to find a 3XV packed by mostly junior students but this was the case in 1974. And while conceding a considerable weight advantage in the forwards, the speed of our loose trio — Kerry Green (Captain), Wayne Wright and Darryl Joseph, compensated for any lack of size.

In fact, the team's strength probably lay in the factors of speed to the loose ball and the enterprising play of our backs, with Joe Scanlon (Vice-Captain), Maurice Savage, Peter Gooding and David Ngeru being particularly prominent. The understanding between Joe at halfback and David, wing three-quarter provided many good tries.

Back to the forwards. Our lineout strategy of bringing in Maurice Paurini from the three-quarters to number three, having hookers Wayne Leith and Maurice Walters take the 'throw-in' and having Darryl Joseph or Victor Daynes scuttle into the backline, at least confused the opposition and resulted in 'Pine Tree' Paurini taking a lot of good ball.

Games to be remembered were victories over top teams St. Augustines' and Rangitikei College and a closely contested mud bath battle against Boys' College.

This report would hardly be complete without mention of the tremendous support of Mr and Mrs Green and Mr Bates. Their interest was reflected in their regular presence and encouragement which was appreciated by the players, and their service, which was certainly valued by the coach — A good season.

Players: K. Green, J. Scanlon, W. Wright, D. Joseph, V. Daynes, K. Hartley, M. McGarry, W. Leith, M. Hazelwood, F. Puriri, C. Eriksen, M. Walters, C. Brown, D. Ngeru, P. Amer, M. Paurini, D. Ingle, N. Ta'ala, P. Gooding, R. Glass, M. Savage.

—A.J.A.

SOCIAL RUGBY TEAM

The Social Rugby Team was initiated this year to provide "casual recreation" for sixth and seventh formers who couldn't attend practices.

The team "rules" were that there were to be no practices and all players had to convert their own tries. The latter explains why not many points were scored from conversions. A notable element of play in general was fast play with numerous attempts at solo tries from our own twenty-five. Defensive play was slightly suspect, but performance was fantastic when on attack. Our most effective triumphs were over Collegiate Greyhounds and Marton Old Boys, both ending with scores in excess of 60-0, and in one of these games every player scored a try, although none of these were successfully converted.

The team was: Noel Balasingan, Ken Hodson, Chris Keenan, Scott Black, Barry Buttars, John Sykes, Danny Wallace, Kerry Nott, Alan Highet, Paul Honoré, Chris Wynne, Peter Visser, Peter Barnes, Stephen Kendrick, Allan Gallagher, Trevor Banks, Simon Humphreys, Mark Ewing, Garth Lawless.

Soccer

SOCCER 1974

With the resurrection of a local inter-school Soccer competition this year, Senior Soccer at the High School was able to provide a regular Saturday game for those keen players not affiliated to clubs. Although there were only five teams in the League and although the arrangement of fixtures and venues left a lot to be desired, the scheme was a success and many of our players developed their skills and techniques considerably. Next year perhaps each side could choose to field a staff member to try to ensure that moves practised during the week can be tried out in a match situation. Too often lack of experience showed through, too often coolness was lacking at vital moments, but the several deficiencies notwithstanding, the decision to revive this local league proved a wise one. B. Jellyman was a tireless and inspiring captain and deserves a special mention.

It was decided that this year we would choose our best available XI for the College games and this meant that only one player who turned out for School on Saturdays was selected in our "best" XI. All our others play for clubs on Saturdays. Once again the "swamp" proved unplayable if not quite impenetrable and was unavailable from early June onwards. Thus our three home fixtures were played on grounds other than our own and the irony was that because of the very wet winter, all of these three games suffered from the water-logged state of our borrowed grounds. However High School performed most creditably, played attractive, attacking soccer under atrocious conditions and with a little luck might well have won all four fixtures.

Results:

Boys College 2, High School 2, (B. Thompson, T. Linton).

Hawera 1, High School 4, (E. Hulbert, R. Penn, T. Ireton).

Rangitikei 1, High School 3, (E. Hulbert (pen.); G. Benson, G. Raine).

Colenso 4, High School 2, (T. Linton, R. Penn).

The team was captained by E. Hulbert who led his team with flair and example and his tirelessness and imagination inspired his players. G. Benson deserves mention too for his constant effort and driving force and it is no surprise that these two mid-field players represented the Wanganui Senior Representative team all season. The defence had a couple of bad moments against Colenso which cost us the match but was generally comfortably in control. The forwards scored goals under difficult conditions, some of them memorable ones (goals and conditions!) The following were awarded colours for the year: K. Kerr, E. Hulbert, G. Benson, B. Jellyman, B. Thomson, T. Ireton, S. Black, S. McInnes, R. Penn, T. Linton, S. Postlethwaite, M. Christiansen, G. Raine and M. Swann also played in College games this year.

Junior Soccer:

A keen young team captained by Bill Harrison lost their first game against Collegiate but thereafter won all their remaining games and ended the season a very attractive team to watch.

Team: R. Johnston, G. Ryder, C. Cowan, R. Lane, I. Booth, M. Duncan, I. Williamson, D. Benson, B. Walch, B. Harrison, R. MacKay-Wood, F. Mako.

Hockey

BOYS HOCKEY

The 1974 season can be regarded as a very successful season for High School Hockey. We had three teams entered in Saturday afternoon competitions, the first XI being in the Men's Senior Reserve grade, the 2nd XI in the Intermediate grade and the 3rd XI in the Junior grade.

Although winning 5 out of 13 games, the 1st XI can in no way be ashamed of its performance. Some of the scores give a false indication of what play was like. The most notable example is when High School played against Collegiate A. We held the stronger team to 3-1 until about ten minutes before the end when Collegiate came back to narrowly defeat us 4-3.

Although the team was basically the same as that of last year, there have been a few changes. The most notable was the new goalkeeper, Bruce Gibson, who performed extremely well and stopped very difficult shots by the opposition. He works well under pressure and many fine saves have come about despite the circle being full of players both defending and attacking.

Also the changing of the speedy right-winger Scott Turner to centre-forward gave the forward line a greater striking potential. With fast movement (although he tended to be too fast and overrun the ball) he set up and scored quick goals.

The combination of Simon Humphreys and Duncan McLean in the penalty corner was a deadly one. Most of our goals would have come from this partnership and it was one of High School's best combinations.

All of the forwards combined well and some of the goals resulted from good passing from one another.

The halves and the backs formed a dependable linking system and it was these features that made the 1974 Hockey 1st XI one of the best for some time.

The Second XI did extremely well in the Intermediate section, winning the Championship Cup. The Third XI played with great zest and enthusiasm. Although some of the boys were new to the sport, they showed great promise and will develop into future First XI players.

Unfortunately, the First XI only played two inter-school games — Boys College and Colenso. The Boys College game was played in appalling conditions. At least one quarter of the field was under water or was just thick mud and it was raining continuously. Despite this the match was even and as could have been expected, was a draw, 1-1. For two years a draw or narrow loss was all we were able to manage against the Boys' College team. Boys' College scored first and after that High School pressured the College defence until Scott Turner equalised early in the second half. The game wasn't a fair indication of the team's talents as we had to concentrate on small things such as finding the ball in the water, wiping mud out of your eyes and in one case a player's stick slipped out of his hand and landed on the next field.

The Colenso game was played at High School and was dominated by High School. We displayed some extremely intelligent moves and although Colenso was a relatively young team, we won the game by tactical passing and close stickwork. Duncan McLean featured in the game by scoring 3 of the 6 goals. Scott Turner scored the other 3.

Throughout the season High School has played consistently good hockey and it was fitting to be praised by the local newspaper after our win against Collegiate B 13-1.

Three of our players gained representative honours. Scott Turner played in the Wanganui Under 21-Colts team, Duncan McLean represented Wanganui in the Senior Reserve team and several games in the Colts, and Simon Humphreys played for the Colts on several occasions.

In the August holidays High School attended a Secondary School Tournament in Gisborne. This is where our best hockey was borne out. Eight teams were entered and by beating Melville High 5-0, Tawa College 5-0 and equalising 3-3 with Gisborne Boys High, we

were in the semi-finals against our old rivals, Boys College, whom we finally beat 3—1. We were unfortunate to lose the final to Horowhenua College 3—2 in a very close game.

Our thanks must go to Mr C. J. Milne whose expertise of the game was invaluable and whose coaching produced a marked improvement in our game.

Gisborne Secondary Schools' Hockey Tournament

The Wanganui High School and Wanganui Boys College teams left Wanganui at 11.30 a.m. on Saturday, 24th August, and arrived in Gisborne at 7.30 p.m.

The team was billeted within a two mile radius of the "Harry Barker Reserve" where all games were played. In this they were extremely lucky as travelling was kept to a minimum.

Sunday — the team practised at the Gisborne Boys High School at 11 a.m.

Monday — 9 a.m. — Official opening by the Mayor, Mr Barker.

9.30 a.m. — games commenced.

The tournament was a success for Wanganui High School as over the four days and the five games played, only one game was lost and that was the final against Horowhenua on Thursday, the score being 3—2. Presentations were made at a luncheon held on Thursday.

Duncan McLean was selected in the tournament representative team to play Poverty Bay senior team on Wednesday.

Organisation was excellent with weather fine, grounds in perfect order and an "on the spot" cafeteria was provided.

The team was well behaved and a pleasure to supervise and a number of billeters all expressed delight in having such well behaved and appreciative teenagers in their homes. No doubt the credit must go to the school and in particular to their teacher and coach, Mr C. Milne.

The help given by teachers from Wanganui Boys College — Mr O'Connor and Mr Burroughs, was much appreciated.

The team left Gisborne at 8 a.m. on Friday, 30th breaking the journey in Napier to watch the Wanganui-Auckland hockey nationals, arriving in Wanganui at 7.30 p.m.

—Ian McLean.

GIRLS HOCKEY

An increase in the number of girls wanting to play Hockey on Saturday afternoons enabled the School to field 5 teams in the Wanganui Women's Hockey Association competitions.

Unfortunately the two coaches who assisted in the 1973 season were both unable to coach this season and an appeal sent to parents to assist went unanswered. Members of the A team devoted time to the junior teams and assisted with the coaching and supervision of these teams in addition to their own practices.

Unless extra adult coaches are available in 1975 it may be necessary to restrict the number of teams entered in the competition.

In terms of results, the most successful team was the 'C' team which were runners-up in the Junior A competition. This team, worked well together under captain Ruth Mathie and coaches Susan Kosmala and Gillian Nimmo.

A number of players were selected to represent Wanganui in the various grades. Gillian Nimmo won her representative blazer after playing excellent hockey in all Wanganui's games at the National Tournament in Timaru as well as games during the season. Gillian would like to thank all members of the school who helped make it possible for her to travel to Timaru.

Susan Kosmala, Gillian Nimmo, Pat Marklew and Joanne Fox represented Wanganui at the Secondary Schoolgirls Tournament held at Masterton in the May holidays. All the teams stayed at Solway College and Wanganui finished 3rd out of 8 teams.

A number of other players also represented Wanganui teams during the course of the season.

Inter-school Games:

v. Rangitikei College, lost 5—0. A disappointing game. The School team had opportunities to score but never seemed able to finish of their moves.

v. Colenso, drew 1—1. A muddy game and it wasn't until well into the game that the School team was able to equalise. This is the best ever result against Colenso.

A disappointing feature of the season was the number of girls who after finding themselves in a junior team, or not able to play in the position they wanted to decided not to turn up for games and let their teams down.

BOYS CROSS COUNTRY

v. Rangitikei 30/7/74:

Wanganui won 53—109. They defeated R. Coll. by a surprisingly wide margin filling 5 of the first 6 placings:

1st Paul Shann, H.S.; 2nd Peter Shann, H.S.; 3rd N. Walbran, (R.C.); 4th S. Simcox, H.S.; 5th, T. Mulligan, H.S.; 6th S. Turner, H.S.

v. Manawatu Secondary Schools held at Foxton 5/10/74:

Stephen Simcox was placed in the Intermediate Section but failed in the Wanganui Regional contest. This was due to the fact that he competed as a Senior — by his own choosing. Wanganui Boys did not do so well at the Regional Contest.

—E. Mahoney.

Netball

This year as in the past the "A" team has had mixed fortunes both in Saturday play and inter-school fixtures.

The first inter-school match of the season was against Hawera on 23rd July, who once again provided a large amount of water in which to swim. We eventually won 11—10 after a determined comeback on our part.

On 30th July we played Rangitikei College. This game was fast-moving and enjoyable and with the help of the cheering "B" Team members we scraped home to win 22—20. On 19th August we played Colenso, who intriguing us with a spectacular warmup left us unsettled for the duration of the game. We lost 17—19.

Other results were:

"B" and "C" Waverley visit 2—10 and 13—8 respectively. These games were played in freezing weather conditions which marred the play considerably.

This season produced representative players in both the "A" team and lower grade. They were:

Wanganui Senior B: Denise Samuels and Claire Dawson.

Reserve A Trialist: Wendy Reid.

Secondary School Trialist: Lyn Thomas, Denise Samuels, Claire Dawson and Cheryl Ratcliffe.

3rd Grade Representatives: Carol Brown, Marama Mako.

My thanks to the rest of the team of Claire, Linda, Cheryl, Natalie, Raven, Denise and Gillian who helped with refereeing and general moral support in organising the inter-form netball tournament. The winners were:

3rd Form — 1st, 3H; 2nd, 3C; 3rd, 3J.

4th Form — 1st, 4C; 2nd, 4F; 3rd=, 4D, 4H.

5th Form — 1st, 5E; 2nd, 5B; 3rd=, 5D, 5K.

6th and 7th Forms — 1st, 6C; 2nd, 6E; 3rd=, 7th and 6A.

My thanks to Mrs Mahoney and Mrs Blair who gave up their spare time and energy for support and advice all for our enjoyment.

—L. Thomas.

Softball

High School Softball is dying a slow agonising death due to lack of competition. Only one game was played by the boys and two by the girls. This is due to the fact that many of the schools that we visit and visit us do not have softball teams. Even some Wanganui schools do not possess them. The results of the games we did play were:

Boys:

v. Rangitikei — won 7—4.

Girls:

v. Rangitikei — won 23—10.

v. Girls College — won 14—13.

If softball is to survive at High School some drastic changes will have to eventuate. We obviously have the potential as is clearly seen from the list of reps. below. This will involve more fixtures and possibly even the purchase of top grade equipment by the school.

Boys Team:

Scott Black (Captain), Grant Calvert (Vice-Captain), Trevor Banks, Ian Smith, Stuart McInnes, Duncan McLean, Peter Jones, Des Noble, Jacko Ta'ala; Reserve, Martin Swann, Craig O'Donnell.

Girls Team:

W. Jackson, H. Takarangi, T. Waitere, P. Keat, C. Pratt, S. Holman, R. Steele, C. Dolkingham, T. Thompson; Reserve, E. Dixon.

Wanganui Under-21 Representatives:

Scott Black, Grant Calvert, Trevor Banks, Ian Smith.

Badminton

Although having mixed fortunes in both Girls and Boys teams, Badminton flourished in High School in the '74 season.

We only played two out-of-town inter-school matches one of which we won and the other we lost.

Hawera:

High School put up a very good show to defeat Hawera soundly 14—2.

Colenso:

High School was in the unenviable position of having several players playing other sports as well. We eventually ran out of time due to players not being ready and lost 8—5 with three games not played. With more time we possibly could have drawn this match. One notable feature was the game between the two No. 1 boys Black and Simkin. This was a close exciting game won by Black for High School 18—17, 18—16.

Local Inter-school tournament held on Friday nights was a relative disaster for High School. Both Boys and Girls "A" teams lost the trophies they had won the year before, the girls losing it for the first time in five years.

Girls:

Played well and held their own in inter-school

matches. Tournament competition came from Girls College, Rangitikei College and High School "B" and "C" teams.

"A" team: Linda Joblin, Sue Visser, Kristen Walker, Vicki Lawrence, (Reserve, Deborah Holly).

Boys:

Due to withdrawal from playing of three of our top players due to injury or absence our team was left rather depleted at the closing of the season. This is possibly a reason for lack of success. Tournament competition was provided by Boys College, Collegiate and High Schools "B" and "C" teams.

"A" team: Scott Black (Captain), Chris Wynne, Kerry Nott, Mark Ewing; (Reserve, Allan Gallagher).

Representative Players:

High School again had its share of Wanganui under 18 representative players with Linda Joblin for the girls and Scott Black (Captain) and Chris Wynne for the boys. These players are members of one of the top Junior representative teams in the North Island.
