

WANGANUI HIGH SCHOOL

# RECORD

1981

# WANGANUI HIGH SCHOOL

## BOARD OF GOVERNORS

(As at October 1981)

Chairman: Mr D.L. GEMMELL

Secretary: Mr G. RYLAND

Mr M.J. Ewing

Mr A.N. Glass

Mr B. Hutchins

Mrs P. Kitson

Mr N.K. Mahoney

Mrs B.M. Marshall

Mr J. Bell

Mr W.T. Penetito

\* Mr N.H. Tizard

Mrs H. Wooding

## STAFF

Principal: Mr P.G. CANHAM, M.A. (Hons.)

Deputy Principal: Mr L.I. POWER, M.A., Dip.Tch.

Senior Mistress: Mrs A.J. GERNHOEFER, B.Ed., Dip.Ed., JP.

### Heads of Departments

Mr A.F. Woodbury, M.A. (Hons), Dip.Tch. (History, Social Studies).

Mr D.R. Gilbertson, M.A., Dip.Tch. (English).

Mrs M.H. Wallace, B.A. (Hons.) (Queens Belfast), T.C. (Maths) 6th Form Dean.

Mr H.M. Shaffer, B.Sc. (Hons.), Dip.Tch. (Science).

Mr F.C. Blakeley, B.A. (Hons.) (Manch). Dip.Tch. (Languages).

\* Mr R.L. Burgess, Ad. Tr. Cert. T.C. (Technical).

Mr J. Jones, Ad. Tr. Cert. M.I.N.Z., M.I. (Technical).

Mr P.I. Donne, N.D.D., A.T.D. (London), S.G.A., F.R.S.A. (Art).

\* Mr D.H. Goodall, M.Sc. Dip.Tch. (Geography).

Miss H.M. Tilley, B.A., Dip.Soc.Sci. Dip.Tch. (Geography, History).

Mr D.I. Lang, M.Sc., M.Inst. Physics. M.I.E.E.E. (Physics).

Mr D. Kloppe, B.A., N.T.C.C., H.E.D. (Commerce)

\* Mrs E.P. Mahoney, T.T.C. (Phys.Ed) 3rd Form Dean.

\* Mrs J. Martel, T.T. (London), Dip. G.C. (Guidance Counselor).

Mr C.J. Milne, M.A. (Hons.) Dip.Tch. (English). 7th Form Dean.

Mr T. O'Connor, B.Sc., Dip.Tch. (Biology, Science).

Mr H.C.T. Taylor, B.A., Dip.Tch. (General Studies).

\* Mrs J. Titter, Tch.Cert. Homecraft (Home Economics Commerce).

Mr A. Wilson, L.R.A.M., L.T.C.L. (Music).

### Teaching Staff

Mrs J. Blair, B.A., Dip.Tch. T.T.C. (History, Soc.St., Phys Ed.) 5th Form Dean.

Mr P.F. Boyle, B.Ed (Alberta), D.L.C. (Loughborough), Geography, Soc.St. English).

\* Mrs D. Brough, T.Dip Typing (Commerce).

Miss P.M. Burgess, B.A. (Languages).

Mr C. Burgess, B.Sc. (Maths).

Mr A.P. Goodwin, B.A., T.T.C. (English Library).

Mr W. Greenwood, B.Ed., B.A.T.T.C. (Maths, Tech Drawing).

\* Mr D.G. Kilpatrick, T.T.C. (English), 6th Form Dean. Careers Officer.

Mr C. King, B.Sc. (Chemistry Science).

\* Mrs G.M. Lawless, T.T.C. (General Studies).

Mr W.R. Loader, B.E., M.N.Z.I.E., Regd. Eng. T.C.C. (Maths, Science, Physics).

Mr N.K. Mahoney, B.A. Dip.Ed., Dip.Tch. (History, Soc. Std. English). 3rd Form Dean.

\* Mrs C.E. Mills, B.Ed., T.T.C., Dip.Tch. (Biology, Science).

Mrs J. Moodie, B.A. (English, Relieving).

Mr M.S. O'Hara, B.A., T.T.C., Dip.Tch. (Geography, Soc. Std. English).

Mrs C.M. Pearson, Dip. P.E., T.C.C., Dip.Tch. (Phys.Ed., Science). 4th Form Dean. (On Leave).

Mrs Y.J. Phillips, B.A. (English, Geography).

Mr E.L. Price, M.Sc., B.Ed., T.C. (West Ontario) (Science, Phys Ed.)

Mr N.D. Rankin, B.Sc., T.C.C., Dip.Tch. (Mathematics).

Miss B. Robertson, Cert. Home Ec. B.A., Dip.Tch. (Home Economics).

Mr T. Rogers, B.Sc., (Hons.), B.Ed., (Phys.Ed.).

Mr R. Scott, T.T.C. (Accounting, Commerce).

Mrs L. Sigley, T.T.C. (Home Room, Maths).

Ms J. Skinner, B.Sc. (Science, Biology).

Mr A. Smeaton, B.Ag.Sc. (Maths, Science).

\* Miss J.M. Smith, T.C.C. (Home Economics).

Miss E.H. Snell, T.T.C. (Remedial).

Mr C.E. Styles, Adv.Trade Cert., T.C. (Technical).

Mr G. Wakely, Tch.Cert. Tech. (Woodwork). 4th Form Dean.

Mrs J.M. Webby (Art).

Mrs K. Wilkes, T.Dip.T., C.T.D. (Commerce, English), 4th Form Dean.

Mr A.N. Wills, Dip.Sp.Ed. (General Studies).

### Part-Time Teachers

Mrs R. Petherick, B.A. (Economics).

Mrs R. Paterson H.C.T.C. (Science).

Mrs K. Price, B.Sc. (H.K.), (Science, Phys.Ed).

\* Mrs J. Power, T.T.C. (Mathematics).

\* Mrs B. Sinclair, L.T.C.L. (English, Soc.Std).

Mrs E.L. Spooner, B.A. (Mathematics).

\* Mrs J. Walker, B.A. (Pre-Employment).

Music Tutors: Mr J.C. Coleman (Brass), Mrs J. Labrum (Flute), Miss H.M. MacLean, M.A., A.T.C.L. (Strings).

### Administration

Bursar: Mr M.S. Byres; Secretary to Principal: Mrs L.E. Malcolm; Staff Secretary: Mrs C.A. Lace, Mrs B.M. Burnside, Mrs Clow

Laboratory Technician: \* Mrs R. Oliver, Mrs J. Jones

Library: Mrs D. Lamont

Caretaker: Mr I. Vick

Groundsmen: Mr F. Lozell, \* Mr P. Parker, Mr B. Littlefair

(\* - left during the year.)

## THANKS

This year's magazine has a 'new look' cover. The credit for the design goes to Mark Osborne of the 6th form. I would like to record my gratitude to Mrs B. Sinclair and the newspaper senior elective for the willing assistance they gave me in the gathering of information and proof reading copy.

As usual my thanks go to Mr Lakeland for the photos, the Physical Education Department for their careful recording of the year's happenings and Mrs Malcolm and Mrs Burnside for their typing, tolerance and co-operation.

To the Principal, Members of the Board and Parent Teachers Association, thank you.

Finally, to Hanton and Andersen for production of the magazine — thank you.

— Yvonne J. Phillips

## POOL PATTERN (alias Staff Notes)

Inveterate staffroom watchers will have noticed that for 1981 Things Have Been Happening in the Seat of Learning. With great Russian-like efficiency the little Afghanistan that was A2 is absorbed into our Empire, a corridor is enclosed to accommodate the Purnell Branch of Coull Battell's, a work room disappears to make way for a "Hudson and Halls", there's Axminster on the horizontals and in the men's workroom...

Click go the balls boys, click, click, click,  
A cue with no tip like a bent hockey stick  
Ron takes a shot and Phil calls it foul  
Alec's on the black and John gives a scowl  
So click go the balls boys, click, click, click  
The sound of raucous laughter makes the ladies  
slightly sick,  
The bell has been rung so let's have another frame  
List A B C in teaching will never be the same.  
(Repeat Ad Naus.)

Architecture and playtime apart it has been the usual eventful year. Since the last magazine we have enjoyed free morning tea at the expense of —

Colleen Mills who with her husband has gone to Christchurch. A little further south, right into Aramoana country has gone Glenys Lawless also with a husband on transfer. That Geographer and World Traveller Extraordinary Don Goodall has joined the hierarchy in the Coromandel (we have it on the highest authority that there is absolutely no truth in the rumour that his arrival and mining rights problems in the area are pure coincidence.) Another world traveller and noted jogger, Roy Burgess, jumped the fence and finished up on the Collegiate staff. Julyn Smith has moved only as far away as the Gonville Manual Training Centre, and Chris Pearson having decided that 4th form deaning had given her the appropriate background is now across the road, full time "deaning" "Kate" Pearson. Finally our very capable lab technician Mrs Rita Oliver left for a post at the library and her place has been taken by Mrs Jill Jones.

As these good people have moved out our very good wishes and happy memories go with them all. Immediately we say "giddy" to some new, eager, freshly-scrubbed faces, all eager to make their mark on WHS. (If a certain M. Wellington should read these notes he will see that we welcome more than we farewell. Relax, there is no special staffing arrangement for WHS, it just seems that way.)

The Science and Maths Departments received the largest influx. Craig Burgess (Maths) fresh from Northland, Auckland University and Teachers' College straight to the iniquities of the men's workroom, wherein he shows altogether too much talent on the pool table, is a path

which none but the most gifted of teachers should ever take. As if this is not enough his talents extend to the race track where a close examination of one of the rails clearly shows his imprint (he was known round the place as "Bluey" for a while).

Colin King (Chem and Science) after receiving the best years of his education at WHS decided to make the return and thus completes the first father-son staff membership (not simultaneously). He is already making his mark in the world of Smells and Bangs. A cool pool player.

Kerry Price (PE and Science) has this year moved in part-time. She carried the maple leaf high on the hockey field, completes another of the staff husband and wife doubles and generally keeps us Antipodeans fit and active.

Tom Rogers (PE and Science) joins the team of AWOL Canadians (Pierre, do you know about this?) He coaches the growing sport of volley ball, helps the staff sponsorship of Adidas and makes for a good pool partner.

Julian Skinner (Science) came from Victoria U.W. and Teachers' College to Bio, High School style. For a while she liberated the pool table and is a known supporter of international toll calls.

Lorna Sigley (Maths and Home Room) comes from a lectureship at Auckland T.C. and St Anthony's. Lorna successfully combines the hobbies of arc welding, etching and harriering.

Alec Smeaton (Science and Maths) from his World Tour is another to boost the sporting prowess on the Rugby field and the volley ball court. He is our Number 1 Marathon Man (a claim hotly challenged by senior runners) and in 1982 does his bit for Regional Development by starting the new ag. course. Deadly on the pool table especially when he has mislaid his glasses.

The Commerce Department has some new members. At its head is Dave Klopfer from South Africa and Girls' College. He is working on deflating an 18 golf handicap and recruiting members for the Sacra Schola Choir. Dee Brough (Typing and EC Stud) fasted the staffroom tea while doing the Outpost course, liked it, joined the staff, and here she is collecting the staff tea money. For extras she has bought and sold a house and organised props for "The Sheik" (anyone finding or missing a tonne of sand, an almost new camel and a third harem wife, please contact Dee). Kaaren Wilkes (Typing, Economics, English) has completed a unique treble. Parent, adult student, staff member. She is 4th form dean and in her spare time is studying for a BA at Massey.

John Jones (HOD Technical) came from Hawera High School. He is the owner of a recycled duplicator that does need oil and has a Taranaki golf handicap of 10. A vicious pool player.

Barbara Robertson has brought much experience to the Home Economics Department.

Jill Walker established the pre-employment course and has now moved on to Jim Knox territory.

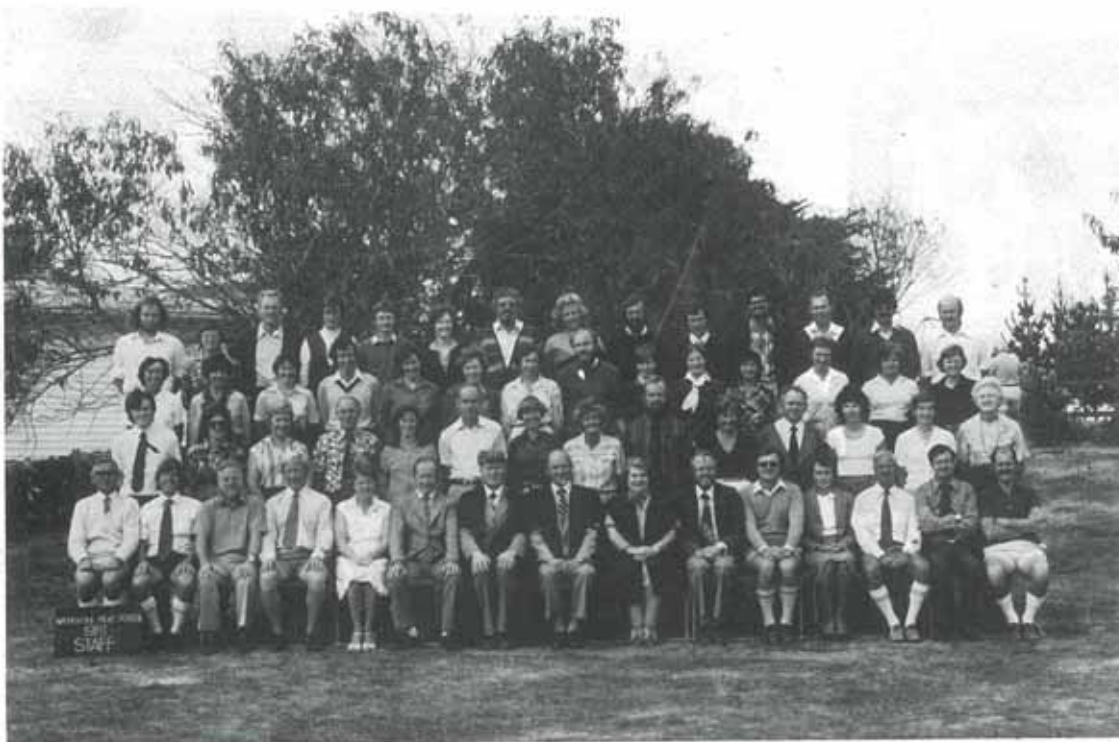

To you all, welcome. May your stay be long, may the students taste kind and the tea taste sweet.

As at the time of writing a unique position prevails — no-one is leaving. What are we going to do for morning tea? An interval without a speech is just not on.

However, two staff are taking some temporary time out in order to re-charge their batteries. Tony Goodwin, having painted everything within reach in G1 and the library is going to the UK for a year to brush up on his accent and make a field study of Thatcher v Muldoon. Alan Wills will be much closer to home. He will be "pursuing a wide range of options".

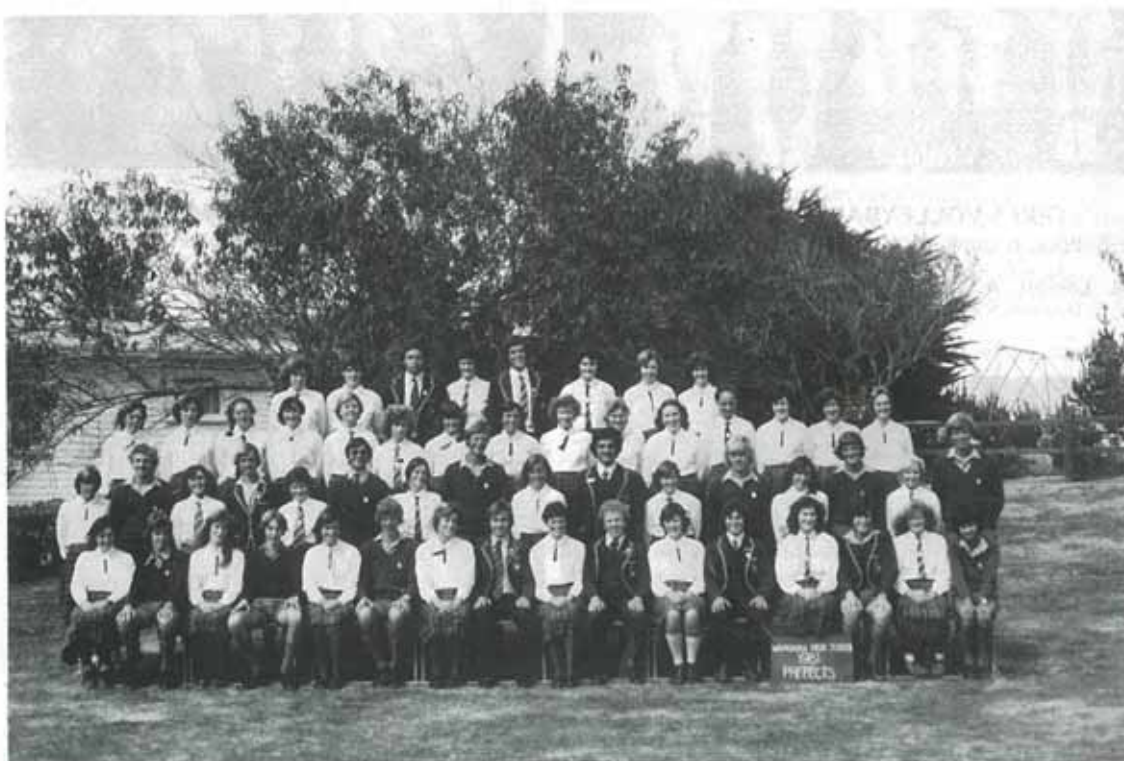

Within the staff, certain promotions to glory have taken place. Helmut Schaffer is now HOD Science, his place as HOD Biology is taken by Terry O'Connor and Helen Tilley is HOD Geography. Congratulations to you all. Your pool playing ability had nothing to do with your

### STAFF, 1981

TOP ROW: Mr M. O'Hara, Miss H. Tilley, Mr B. Greenwood, Mrs Y. Phillips, Mr C. Burgess, (Ms J. Skinner, Mr P. Boyle, Miss J. Smith, Mr A. Wills, Mr E. Price, Mr A. Smeaton, Mr C. King, Mr R. Scott, Mr C. Styles.

FRONT ROW: Clare Easingwood, Kevin Wright, Bronwyn Dalley, Karl Cobb, Helen Loader, Blake Kitson, Coral Ennis Barry Quirk, Fiona Gutschlag.

success.

For many of us who neither come nor go, we look back over many years, even as far as the 50's. We look forward to 1983. Remember, readers that the school will then be a quarter of a century old.

In the sundry category we note that PFB and CJM had their day in court (put your pens away Truth reporters, nothing more salacious than a bit of the theatricals). That the middle of the school has been transformed into a very pleasant area by the Power & Loader Construction Co., ably assisted by PTA members and pupils. That Abdullah Al Wills also took to the stage of "The Sheik" with a harem of truly Saudi Arabian proportions. This Navel Chorus showed a degree of allure which had the TV talent scouts reaching for their cheque books.

In this magazine there is fuller comment about the deaths of Roy Lupton and Alan Dunsmuir. We would like to pay our own brief tribute.

If ever there was any truth in the saying that it is possible to live life to the full then that was well seen in the life that Roy Lupton lead. There is so much in this school which he established, not just the tangible things like a hut on the side of Ruapehu, but the best part of education, that of taking a body of knowledge and talking about it and demonstrating it with such enthusiasm and perception that all students found that they too became filled with this same zest. Hundreds of past students and many staff members must look back with great pleasure on the example that Roy set them in the staffroom, the classroom, the sportsfield and the mountains, streams and lakes. We will long miss Roy but he will not be forgotten at WHS. A trust fund is to be established in memory of his contribution to WHS. Many people will want to contribute.

Although he was with us a shorter time, Alan Dunsmuir formed many friendships during his time as Lab Technician. Alan's cheerfulness and courage in difficult times was admired by all. We extend our sympathies to the families and friends of both good men.

As we say farewell to the Upuk Kid and the Waihi Wonder to Full-Ball Phil and Hurricane Milne and as the black sinks slowly into the pocket, a plaintive cry can be heard from a distant corner... "Anyone for billiards?"

## THE YEAR 1981 — — —

### February:

- 2 The staff met to plan the coming year — many new faces.
- 3 The year begins for 3rds, repeat 5ths, 6ths and 7ths.
- 4 The 4th and 5th join us.
- 9 3R, 3W, 3B and 3Sm adjourn to Waitotara to sample Camp life.
- 11 The change-over takes place, now it's the turn of 3Sn, 3P, 3Sk and 3L and teachers to spend two days under canvas.
- 20 Mrs Mills leaves for Christchurch — we wish her well. The staff socialise at Lake Wairitoa — a chance to meet new families.
- 23 Swimming Sports. Juniors am; Senior pm. The staff maintain their superiority in the relay.
- 24 1st XI play St Augustine's this afternoon.

### March:

- 3 All Sixth Form biology students go on field trip. "Wings of Light" entertain the junior school this afternoon.
- 9 3rd Form parents meet the teachers in the library.
- 10 The "Certain Sounds" entertain the school this afternoon.
- 11 The Athletic Sports — a fine but windy day and full participation from all.
- 13 The 7th Form Geography students go on a field trip while in the evening all 7th Formers are invited to

attend a social gathering at Girls' College.

- 14 PTA Old Time Dance, Kaitoke Hall.
- 17 "Tuesday" becomes "Wednesday".
- 18 The junior school has a dance tonight.
- 19 The 7th and three 5th form classes visit Mr Tarrent's farm to learn about agriculture in the region.
- 23 The Centre Court proposal has its first airing and is favourably received.
- 25 The Inter-school Athletic Sports are held at Cook's Gardens and High School is well represented.
- 26 The Navy visits the school with their vocational display.
- 31 Each class lines up for photos.

### April:

- 6 Parents of the junior school have the opportunity to discuss progress with the teachers.
- 7 Summer sports photos are taken.
- 22 Exams begin for 5th, 6th and 7th forms. Two hours only this time.

### May:

- 5 The whole school is fully occupied on "Work Day" to raise money for Centre Court. The target of \$8000 is reached - well done school!
- 8 The term finishes on a high note. The new look staff and administration block has done much to raise staff morale and the experience of working together on Work Day has done much to integrate the school. We farewell Mrs Lawless, Mr Goodall, Miss Smith and Mr Burgess, and wish them well in their new positions.
- 25 We welcome new staff and are impressed with the work done over the break on the Centre Court, organised by Mr Power and Mr Loader.
- 28 Our netballers get the opportunity to see the NZ netball squad play England.
- 29 Mr Kilpatrick takes a group of runners to Tuakau - the girls' team wins 3rd place against strong opposition.

### June:

- 2 The Seventh Form biology and geography students go on a field trip to Mt Egmont.
- 10 The Seventh Form visit Massey University with their Dean. Parents of senior pupils meet teachers to discuss reports and exam results.
- 13 The PTA hold a successful auction in the school hall.
- 16 "Open Day" is held - a time for prospective parents and pupils to see the school in action.
- 22 The Inspectorate team arrives to do a full school inspection.
- 23 The winter sports team travel to Rangitikei for their annual fixture.

### June:

- 24 The 3rd Form are privileged to see the Impulse Dance Theatre perform.

### July:

- 1 Junior Dance is held - another opportunity to socialise.
- 2 Annual sports fixtures against Collegiate and Sacred Heart take place this afternoon. Senior Dance takes place - many people join in the masquerade there.
- 7 The 5th Form geographers get some more practical experience.
- 9 3rd and 4th Formers' parents meet to discuss their children with the teachers.
- 10 The planned sports trip to Hawera is cancelled because of the state of their grounds. It is a wet winter everywhere.
- 14 The 7th Form have the opportunity to view the film of "Othello".
- 15 The Inter-school matches against Boys College take place.

- 21, This year's musical "The Sheik" is performed to full houses. Well done Mr Mahoney, Mr Woodbury, Mrs Gifford and Mrs Titter for their fine effort.
- 30 The pupils stay home as the staff from the region get together for their annual In-Service Day.

#### August:

- 5 The seniors face their final school exams. Where has the time gone?
- 13 The 6th Form forum is held. A day to discuss the future and the challenges it holds. Sports teams from Waverley visit.
- 17 Our teams visit Colenso College in Napier.
- 21 The second term ends. Mrs Pearson takes maternity leave.

#### September:

- 14 The final term begins. Mr T. Rogers from Canada is welcomed to the PE Staff.
- 16 The junior school is entertained by the Barrenjoey Australian Band this afternoon.
- 18 Mr Power takes the ski team to competitions at Turoa.
- 22 The PTA hold a successful fashion parade in the school hall. The models display the clothes to perfection.
- 23 The Home Room classes spend an enjoyable day on the mountain.
- 25 The PTA hold a dance for the whole school.
- 28 Mr Nagaho, a Japanese Professor visits us for three days.

#### October:

- 1 The whole school and a record number of staff turn out for the annual road race. Some excellent times recorded but, more significantly, excellent participation displayed.
- 3 Mrs Burnett becomes Mrs Burnside. We wish her well.
- 5 Parents of senior students have their opportunity to discuss their children with staff.
- 7 Wanganui High School participates in the Inter-School cross country at Mosston and carried off nearly all the prizes!
- 8 The 4th Form parents discuss courses for next year with the Principal and senior staff.
- 9 Winter sports photos are taken in beautifully fine weather.
- 10 The Lamington Drive! PTA parents work hard to make and deliver 2000 dozen lamingtons - brown and pink.
- 12 The Japanese Ambassador to NZ visits the school and speaks informally to our Japanese classes.
- 13 Many senior staff and students attend the funeral of Roy Lupton, HOD Science for 19 years before his retirement in 1979.
- 14 Pitmans Examinations begin - 3 days of feverish activity for the Commercial Department.
- 17 Mr Canham and Mr Donne run in the Hamilton marathon; Mr Donne to improve last year's time and Mr Canham to run an excellent first-ever time of 3hr 42 mins.
- 19 The school is saddened to hear of the death of Mr Alan Dunsmuir, laboratory technician for a number of years until mid 1979.
- 22 Kate Pearson is born!
- 28 The Minister of Education, Mr Wellington, visits the school this afternoon.
- 30 The annual Senior Ball is held. An important social occasion for the 5th, 6th and 7th forms.
- 31 A human rights forum is held in the library involving a wide range of speakers, workshop and socializing over meals.

#### November:

- 3 A group of Japanese visitors look over our school this afternoon and are entertained by the pupils of Japanese at all levels.
- 9 University Scholarship candidates begin their study

leave.

- 11 The aspirants for the Ivan Higgins Scholarship sit their exams.
- 16 Bursary and School Certificate candidates begin their count down. The Junior school have their first taste of the more serious side of life - exam time!
- 18 Accrediting is announced - jubilation and relief for some.
- 20 The staff socialise at the Palm Lounge. School Certificate begins.

#### December:

- 4 A group of aspiring athletes attend the NZ Secondary Athletic Championships in Hamilton.
- 7 1982 entrants visit the school to observe the school in action.
- 9 Prizegiving is held this evening.
- 10 Term ends - time to say goodbye to those leaving us. We look forward to greeting the returners, refreshed and relaxed next February.

## SCHOLARSHIPS

Miss Edith Beatrice Wheal, who died early in 1975 and who had served as a primary school teacher in Wanganui for 50 years, continuing in various relieving positions after her formal retirement in 1954, gave, by bequest, the sum of \$13,000 to the Principal and Board of Governors, to be held in trust for the establishment of two Scholarships.

The IVAN HIGGINS SCHOLARSHIP, a memorial to a young relative of Miss Wheal who died in his early years, consists of an award each year of \$200 to a boy or girl entering the 3rd Form on the basis of scholastic merit and an entrance examination plus the previous school record.

Award 1980  
Derek Hamilton-Gibbs

The EDITH WHEAL SCHOLARSHIP consists of an award of \$500 for an ex-pupil of the school who wishes to render voluntary service abroad or to assist in academic studies. This year's recipient of the award is -

Miss Sue Timpany

Miss Timpany was selected by VSA to serve with the Presbyterian Church of Vanuatu. She has used her grant to buy teaching aids and materials to instruct the local women in the practises of pre-school education.

## IN MEMORIAM

### ROY LOCKLEY LUPTON ...

Born December 1st, 1919, at Morcombe (just a few miles from Lancaster) he attended Morcombe Grammar School and won a County Scholarship to Heckmondwike Grammar School, a small town south of Leeds.

He won a County Grant to Manchester University - graduated B.Sc. Hons. (Chem.), trained at Liverpool Uni-

versity for his first job, the Army. 2nd Lt in REME - stationed near Ipswich (near Norwich). After D Day to Germany - via France, Belgium, Holland. Demobbed 1947. To Manchester University for Teaching Diploma. Taught Bury Technical College. Kendall Grammar School. 1953 applied to come to New Zealand. 1954 Girls' College; 1957 Boys' College; 1960 Wanganui High School. Retired 1979.

One is acutely conscious, facing death directly, that the spark that made life is no longer present - that whatever made the person is absent and abides elsewhere.

In exactly the same way, the bare facts outlined are lifeless. What made the man, the warm human being, is not there.

In Roy's breadth of background some people saw a flowering of centuries of English culture. One trait was his perseverance, that Lancashire stubbornness to endure, to fight, to persist and never give in. It showed up in so many ways - his round the mountain jaunts, his confidence in his own ability, his surety in danger. His wife said that when he was in Army training, they were 60 miles apart - and each used to bike 30 miles to meet in the middle and see each other. The bike became part of his trademark, even after he retired. He had a disdain for easy travel, specially motorised and aquatic.

After his demob he hated the idea of returning to the industrial north. Perhaps Germany gave him his love of the open spaces and meeting up with New Zealanders led to a curiosity about New Zealand.

He was recruited in England by Dr Mollie Christie to Wanganui Girls' College and came out to find the science job filled, but was offered a position as a Biology Mistress. Remember those Anzac WGC parades with the level black gym hems and straight panamas? Because of his drilling of the rejects, Roy became master-in-charge. There were so many girls at WHS who came up and said, "Please sir, you taught my mother at Girls' College."

He went to Wanganui Boys' College in 1957 as a Chemistry teacher and it was probably Doug Smellie who, to Cec Day's annoyance, I would think, inadvertently turned his thoughts to Wanganui High School.

He became Head of Science at Wanganui High School in 1960 - taking the Chemistry classes away from John Caradus.

One of the greatest loves of his life was the teaching of chemistry; and what a superb teacher he was. Pupils simply loved him - and how many in three schools have gone through his hands either to an abiding love and enrichment in Science, like Kirsty Laws and Stephen Henderson whose Scholarship photos latterly adorned the entrance to his office or others whose life was enriched by his wide-ranging and catholic background, for he was no narrow scientist. Most of his students have cause to remember with excitement his explosive experiments, the trash can lid embedded in the ceiling, the dust exploded from Collegiate rafters. Even after he retired he didn't retire. His love of chemistry led him to teach or relieve in almost all the schools in town.

Yes, as a teacher he was inspiring. His linking of literature to chemistry by Shakespeare quotation is still remembered. "Now watch this precipitate 'It droppeth as the gentle rain from heaven.'"

"I beg your pardon, Sir?"

"It droppeth . . . Don't you do any Shakespeare anymore?"

"Only in chemistry, Sir."

As a teacher he never believed in pupils taking notes that wasted too much time. He prepared and cyclostyled his own notes so they could look and listen.

He virtually pre-empted programme learning. David tells me, in the 6th Form. Introduction, experiment, consolidation and test in a week - all on one unit.

He had so many mnemonics and jokes to help pupils remember tables.

Q. What do you get if you feed the cat calcium carbide and water?

A. Acetylene kittens (a set of lean kittens).

His class at Wanganui Girls' College still remember the silica gardens they made. He asked each to write a poem on it, and quoted:

"Shall I compare these to a summer's day

Thou art more lovely, made of silicate."

Roy inherited a deep love of music. His knowledge of G & S was phenomenal-enough to sing lustily and not to repeat himself the whole length of the Parapara. You would likewise see him sitting with Susan enrapt in the Messiah or the Bach St Matthew Passion.

His love of the outdoors is perhaps the main memory most students will have of him - canoeing the Wanganui River, making Tramping Club porridge, coming down the Otaki Gorge or the Waitotara or the Kuratau. The School Hut was his inspiration. He founded the Wanganui High School Tramping Club and he and Peggy with Susan on his back went looking for a site. The enthusiasm was his; the logs were grown on his piece of Bastia Hillside, milled, taken by the Army to Ruapehu College and carried in by relay and the hut built. Peggy remembers that for four months every weekend he was away building the hut or tramping elsewhere. He went up in November 1979 to help put it in order and repaint it before he retired.

Roy had been a fisherman in England in the sea and in the rivers - he and George Lewin would swap stories of perch and pike, dace and tench. They would go off to Wiri-toa with float and spoon to catch perch - confounding the locals. It was probably Les Gregory and Johnny Johnson who introduced him to trout fishing and a combination of John Maxey's canning out and Stan Davis's ply canoe led to his unique experiment of canoe harling for trout - and very successful it turned out to be.

As his eyes grew more tired, he tied bigger and bigger monstrosities of flies - and caught bigger and bigger fish. He loved fishing at Kuratau - it became a passion and if he hadn't been up to the lake for a month or two his fingers itched to hear the scream of the reel - and once there to be out while it was still dark at 6am to hook that elusive big brownie before dawn.

People remember with affection his tremendous sense of humour. He could get very angry - with senseless vandalism of tramping huts or senseless vandalism in a laboratory. But it never lasted. He was always optimistic and cheerful - his love of Wooster would erupt into an apt quotation or dissolve the staff meeting seriousness with his dry wit.

Roy enjoyed life. He was always optimistic. Life was too interesting to waste looking back. Life was a continuing adventure. This positive attitude allowed him to get on well with all students. His psychology was excellent. He would stress Maori courtesy and get loyal co-operation. He would stress male weaknesses in dissection and get female expertise resulting.

Roy was a big man - not only big in frame but enormous hearted! Always encouraging, always reassuring, always uplifting. His willingness to help young staff in practice and in theory has benefited many schools in the city. He would spend hours of his own time with anyone who asked for extra help. I feel sure this tolerance, caring and patience had its origin, perhaps in Dalton Hall, the Quaker Hostel where he spent his University years, and it came naturally - he knew no other way.

John Donne said, "every man is a piece of a continent, a part of the main. If a clod be washed away by the sea, Europe is the less . . . Any man's death diminishes me, because I am involved in mankind."

Roy's death has diminished all of us - for he was a fine friend, and his talent was so wide ranging and touched so

many people. Yet in a way we aren't diminished. He enriched us all. We will carry a piece of him in our heart.

I suppose we all feel the tragedy that he should have had longer to enjoy retirement for he did love life so. He was a gentle man, caring and kindly. His outflowing love was ever present. The blessing that Mort Fountain often used to end assembly impressed Roy. But then he exemplified so much of it —

Go forth to the world in peace, be of good courage, hold fast to that which is good, render no man evil for evil, strengthen the fair hearted, support the weak, help the afflicted, honour all men.

The quotation on the memorial cover at his funeral service typified him. One couldn't choose better than the lines Shakespeare gives to Brutus - the noblest Roman of the all.

"His life was gentle, and the elements  
So mixed in him, that Nature might stand up  
And say to all the world, 'This was a Man'."

\*\*\*

Mr ALAN DUNSMUIR died on 15 October 1981. He was Technician for the Science Department from 1976 until 1979. He came to help the school, despite being retired and not in the best of health, since specialist Science Technicians were very hard to obtain.

We must be very thankful for his services and his skill in maintenance and construction of equipment.

#### P.T.A.

The PTA Executive consists of — Chairman: Mr Peter Robinson; Vice President: Mrs Janette Bell; Immediate Past President: Mrs Rae Cvitanovich; Secretary: Mrs Joan Gifford; Treasurer: Mr Ian Baillie; Board Representative: Mr Amos Glass; Staff Representatives: Mrs Yvonne Phillips and Mr Terry O'Connor; Committee Members: Mrs June King, Mrs Rita Holt, Mrs Kath Pinker, Mr Ron Cleveland, Mr John Burroughs, Mr Gil Bycroft, Mr Bill Loveridge.

The above members represent all the parents and staff of Wanganui High School, without whose assistance and co-operation we would accomplish very little. I would like to record the Committee's grateful thanks to all those during the year who responded so willingly to our requests for help.

Working bees assisted with the Centre Court project and completed the renewal of the Purnell Street fence. Two sets of attractive gates, plus a Ladies' Painting Party, have greatly enhanced the main entrance, at a cost of over \$1000.

Catering for school functions such as the Ball, the Drama Production, and for sports fixtures has been a regular duty of this and previous committees. New equipment has been purchased for the school during the year with money being raised by a Monster Auction, a Lamington Drive, a Fashion Show and a School Dance.

The PTA has taken over the running of the school canteen. Under the direction of Mrs Janette Bell, our Vice President and Manageress the canteen has made great progress. Previous losses have been recouped, it is trading profitably and providing a high standard of service and wholesome lunches. It is hoped next year to be able to develop these services still further and carry out some improvements to the canteen equipment and building.

Mrs Jean Martell, the school's Guidance Counsellor, spoke at a PTA meeting in August on aspects of her work.

All parents are welcome to attend our monthly meetings, especially if there is any aspect of education that they wish to discuss. The PTA exists to help Wanganui High School and with the co-operation of all we shall continue to strive towards this goal.

—P.D.R.

## 1981 GRADUANDS

### Massey University:

Stephen Paul Lace — B.B.S., U.E. 1976.

Jonathan Patrick Wallace — B.B.S., U.E. 1975.

Alex Andre Prentice — B.Tech. in Industrial Engineering. U.E. 1976.

Julie Annette Charrott — B.Agr.Sc., U.E. 1974.

Graham John Green — Dip.Ed., U.E. 1966.

Mrs Catherine Elizabeth Trimmell — Dip.Ed., U.E. 1971.

Deborah Anne Archer (nee Prentice) — B.Ed., U.E. 1972.

John Emson Medcalf — B.Ed., — U.E. 1975.

Bernard James Coveny — B.Ed., — U.E. 1962.

Penelope Anne Neilson — B.A., U.E. 1976.

Jacqueline Ruth Sanders — B.A., U.E. 1975.

Annette Gaye Dow — B.S.W., U.E. 1974.

Heather Margaret Young — B.S.W., U.E. 1975.

Elizabeth Helen Andrews — B.A., U.E. 1976.

Kerri Lynn Sturzaker — B.A., U.E. 1975.

Gillian Margot Cockerell — B.R.P. with Second Class Hons. (Div II). U.E. 1974.

Prizewinner: Vivien Wallace — U.E. 1978 — NZ Vet. Assoc. Prize in Vet Biology.

### Victoria University of Wellington:

Stuart Alexander McInnes — B.Sc., U.E. 1974.

Alan Geoffrey Highet — B.C.A., U.E. 1973.

Robert Anthony Domanski — B.Sc., U.E. 1976.

Allan Joseph Gallagher — LL.B., U.E. 1974.

Pamela Margaret Clarke — B.C.A. with Second Class (1st Div) Hons in Accountancy. U.E. 1968.

### University of Otago:

Christopher John Wynne — M.B., Ch.B., U.E. 1973.

Mark Peter Ewing — B.D.S., U.E. 1973.

Leonard Ross Jackson, B.Sc., — Dip.Sc. in Biochemistry with Credit. U.E. 1974.

Neil Murray Domigan — B.Phys.Ed., U.E. 1974.

Duncan James Macfarlane — B.Phys.Ed., U.E. 1974.

Christine Alison Laws — M.B., Ch.B., U.E. 1973.

### University of Canterbury:

Neil Richard Britton — M.A. in Sociology. 2nd Class Hons (Div 1). U.E. 1970.

Peter Bruce Wynne — B.A., U.E. 1975.

## OUR EXCHANGE STUDENTS . . .

ANNE COPPIN — Rotary Exchange Student,  
Johannesburg, South Africa

It certainly does not seem almost 12 months ago that I arrived in New Zealand; rather apprehensive about what I would find and very ignorant of your country — I didn't find "Footrot Flats" the least bit amusing.

If you can imagine what it is like to answer questions such as — "How do you like New Zealand?" "Do you ever get homesick?" "Does your father own a gold mine?" and "What do you feel about the rugby tour?" — for a whole year, then you can imagine what my year in New Zealand has been like. But you are only imagining a very small part of it. In every way my year as a Rotary Exchange Student has been a very worthwhile and most rewarding experience for me. This, I think, has been due partly to a tremendous Rotary Club — Wanganui South — and partly to Wanganui High School. From my first day here I was made to feel very welcome and your warm friendship soon made me feel as if I had been at school here all my life. A special thank you must go to my fellow seventh formers for so readily including me in all your activities, both in and out of school.

Indeed this year will be one on which I will look back in years to come with many memories; be it learning very quickly, while working in the canteen, that a New Zealand fifty-cent piece is not the same as a South African twenty-

cent piece; paddling down the Wanganui River in the raft race; playing rugby in the girls XV (twenty really) against ten boys from the first IV; or watching Mr Woodbury and Mr Mahoney patiently "lick into shape" the cast of "The Sheik". Playing hockey on muddy fields was also a new experience as was the seemingly endless rain all winter. Roman sandals and a system of a Senior Student Body and Executive Committee were also new innovations for me — not to mention "sheilas and jokers", "she'll be right", and "Giddy and hooray"!

I was very fortunate and did quite a bit of travelling throughout my year. In the May school holidays all the Rotary Students were taken on a two week tour of the South Island — down the east coast and up the west coast. During the August school holidays one of my host families took me north, as far as Cape Reinga. Likewise the school ski trip and actually seeing snow for the first time must be amongst the highlights of my stay.

Overall I think I have learnt that not only do New Zealanders like beer, rugby and racing; but that they are the warmest, friendliest and most hospitable people in the world — particularly all of you at High School! Thank you one and all for having me and for helping to make my year so enjoyable!

Best Wishes to WHS and every success in the future to those leaving school.

— Anne

**ANN KREBILL, Rotary Exchange Student,  
Tempe, Arizona, 1981**

"Giddy Mates",

Ann from Arizona, alias the "Yank", is finally writing the long-awaited "Krebill's Theory of Life as an Exchange Student". Such a theory has been accumulated over my year's stay with you. I can only say that I have been very fortunate and thankful to spend my time with the "lot of you chaps". (I know, grease). I have grown to love Wanganui from the "she's right" attitude to the rolling beautiful hills dotted with fluffy sheep. New Zealand has a British atmosphere that is still "typically Kiwi".

As for me, this year I have been able to do "untold" activities, including being a counsellor at the Third Form camp, after riding up a dirt — pardon! — gravel — road, which reminded me of Arizona, hot; walking through rain-drenched Mt Egmont studying plants; wearing a school uniform and learning to tie a tie; standing QUIETLY during assemblies; giving lots of speeches and answering many questions (No, I don't know any movie stars.); and learning a new language, supposedly derived from English (?).

Due to everyone's patience, I have played, or tried to play, many sports, everything from volleyball, soccer and hockey to rugby league. Thanks to everyone's generosity I have been able to travel both the North and South Island, to meet many families, and learn a great deal about the New Zealand lifestyle and land. Thanks to everyone's tolerance, I have learned a lot, and done more than I ever expected — I have learned to make a pavlova! I am proud to be an honorary Kiwi!

I sign off with the hope that I'll be remembered as not a stereo-type character from "Dallas", "Charlie's Angels" or other TV programmes, but rather as a true example of an American! A person who lives relatively similarly to you.

Thank you for a year I shall always remember. I shall always consider myself lucky for having such a terrific year!

**HIDEYUKI NAKASHIMA**

I have been staying in New Zealand for nine months. Compared to my school in Japan this school is quite different...

Most upsetting thing for me was ✓. In New Zealand ✓ means "correct", however in Japan ✓ means "wrong".

Instead of ✓ we get a circle if the answer is correct. So when my first maths test was given back to me I found no circle at all but many ✓s. I nearly fainted.

By the way, I do not do so well with exams or tests here. Most annoying thing in doing exams is that I just can't answer in English, especially in chemistry and biology exams, for they have a host of technical words which are all English. That is why I sometimes feel so irritated when I do exams. And that also prevents me from studying at home because I can't read and understand even the text books without looking up the words into the dictionary hundreds of times a page. So, not to mention, I got incredible marks. But I was not upset because I am used to getting bad marks.

The pleasant thing is we don't get punishment even when we fail in exams here in New Zealand. It is also pleasing for me not to get punished even when we are late for school here. The teachers in Japan hit our heads or cheeks softly, sometimes hardly. Or we have got to run on a playground. One of the teachers at Wanganui School even looks forward to listening to my excuse for being late rather than gets angry with me.

Another difference is the assembly. We don't have the assembly twice a week over there, we have just once a month. We all stand up and listen to the Headmaster's boring speech. Some of the teachers in Japan say jokes at assembly to relax us, however they are sometimes so silly or childish that we say "SHI — I — I — I — I", which means "bloody boring". Of course, we are not allowed to say that, but we say it bravely. Anyway I enjoy staying here and I would like to thank all the teachers and students for treating me so nicely. "Tah".

**Extract from CAROL HADDON'S LETTER**

"My Japanese has improved a lot but there is still so much to learn. There are so many ways to say the same thing depending on whether you're being polite, normal, angry, using school slang or just the various dialects that even the Japanese can't understand.

I leave for school — which is 10 minutes by foot — at eight every morning and get home at 6.30pm when I have club practise, and 4-4.30pm on the others. My club is karate which I'm really enjoying but the training is hard. Though there is no one teacher involved with the club, every one goes to practice and trains hard — self discipline and loyalty to groups are strong characteristics of the Japanese people.

School is more interesting this term. Mind you, its taken a while to get used to. My school is very serious. Students don't often talk in class — it's like a lecture from the teacher. At the beginning of the lesson we stand and bow and at the end, the same.

WHS would find it easier to teach Japanese students, I think? PE lessons are one thing Mrs Mahoney would enjoy. Everyone has the right PE gear and is ready to begin on time. We line up in ranks and call out the number of lines, then account for absences. We then have set exercises for about 10 minutes after which we run or learn other things such as volleyball or track and field continually for the rest of the hour. We then line up, number off again, bow, and go off to class almost dead! Also we have sports tests — soon is the marathon, about 7km and nobody walks!

... I never realised how crowded Japan was until I came — but just to give you an idea I can touch the next door neighbour's roof from the bathroom window and I've yet to find a place without people."

**Extract from letter from GAYLENE KENDRICK**

Let me tell you about some of the good things that happen here. I'm very happy — I don't think AFS could have given me a better placement.

Samarinda is as far as the good road goes up the East

Coast of Borneo. There are rough tracks further on that you could take a landrover on, but it's best to take planes to isolated townships further up. Samarinda is built around the biggest river in Indonesia, the Mahakam, and it hasn't any bridges across it. So to get to my house we have to put the car on a ferry which operates all day and most of the night. Luckily, most of the city is also on our side of the river so we only need to cross when we are leaving the city.

During August the Government here that is in control of the tribal areas of East Kalimantan sponsored a boat trip up the Mahakam for us six exchange students and friends of AFS. It was an incredible trip - two days in a very old rocking boat travelling up the river visiting little villages and stopping at shops that were built on rafts and strung together especially for the boats travelling up and down the river, two days living in the traditional long house with the Dyak people, natives of East Kalimantan, and then travelling back home again; overall five days and it was one experience after another. Everywhere we stopped on the way up we were surrounded by children; they walked with us and watched us eat and listened to us talk as if it was of great importance. We had incredible welcome parties where we almost had to fight our way through all the children lining up to see us and touch us. When we left the main river we had to travel by long boat as the water was very shallow. It was while travelling in these shallow small boats we saw the monkeys on the sides of the river. I nearly tipped our boat over when I saw my first one I was so excited. We saw others swimming around the fishermen's nets, scaring the fish and flamingos (white) standing in the shallows of the lake. At the village we were treated like royalty - ate a lot of sweet pineapples, bananas, and drunk coconut milk. We were treated to a night of traditional dances - they weren't very spectacular in either actions or costumes but the control of the girls was quite incredible. They weren't very native-natives; they lived in houses and used toothpaste and soap just like we do, and the women don't pull their ears down to the shoulders anymore. (There was a reason for that apart from beauty - they hung weights to stretch the ear lobes and also to make it painful for the women to turn their heads quickly - so the women hold their heads high and straight, which was meant to keep them on the straight path of life.) I was a little disappointed in that they had used modern things on their traditional costumes. They had plastic buttons decorating the hats and sequins on the skirts instead of their hand weaving and embroidery, also the necklaces had money threaded in between the beads. I guess such changes are to be expected. We were sad to leave that happy little village. It was on our way home that we realised what the phrase "AFS is experience" is all about. We were back in our old rocking boat when we stopped at a village to help evacuate houses of furniture, etc., as a fire spread through a row of houses. The wood that the houses are made out of is just so dry and the roofs are just a bark shingle or bamboo leaves, that the fire just jumped from one house to another. It was eventually controlled by hoses attached to motors that were pumping water out of the river. Five houses were completely burnt and two or three others damaged. We continued down river when smoke started drifting out of the engine room on the boat. "Hey, look, we are on fire now", somebody said, and we all laughed. Next time we looked there were flames shooting out of the roof and we all had to "abandon ship". Luckily we were close to shore so we saved most of the luggage, including all the cameras which we agreed were the most important. So there we stood, up to our thighs in mud watching our boat burn. Luckily another boat came past and took us back to Samarinda, but to use an old AFS saying, "What an experience".

## TOWN and AROUND

- \* Brenda Donald, Jason Mallasch, Wendy Wilson and her partner, John Peltzers, performed very well at the NZ Rollerskating Championships early in the year and were selected in the trials for the NZ team for the World Championships. Wendy won a place in the team and performed very creditably in the Championships in Nelson in September. She was further honoured by being awarded a merit certificate in the Wanganui "Sportsman of the Year" Award.
- \* At the Easter Golf Tournament held at Castlecliff in a world-wide field of 144 golfers, Lee Mahoney was runner-up in the Improvers' Division losing the final 4/3 after winning his first three games.
- \* Also over Easter, Lisa Mahoney, Tracy Phillips and Joanne Mahoney were selected in the WCNI under 14 team to attend the Mt Cook Team Games at Mt Smart Stadium. Each competed in three track and one field event.
- \* At the NZ Frisbee Championships held in Auckland during March, Steven Banks was 3rd overall in NZ and broke the junior distance with a record throw of 96.1m.
- \* Jenny Lacey, Jacqui Funnell and Robyn Francis did very well at the Wellington Open Gymnastic Championships, Jenny gaining a gold medal in the Grade 4 girls' bar exercises.
- \* Mrs P. Bowers, Suzanne Knipe and Debbie McConachie were successful in First Aid exams held by the St John Ambulance Association in May. Later exams show success for Kerry Watson, Karen Weaver, Yvonne McConachie, Patty Ryland, Brent Wilson, Phillip Jellman, Scott Orr, Karen Gatchell, Michelle Whibley, Kerry Rudge, Sandra Rigg, Katherine Manning, Tracie Kilgour, Sharon Campbell, Lynn Cameron, Fiona Fackney and Freda Chand.
- \* Ross Jewell and Alan Thorburn combined well with other team members to achieve a well deserved win in the West Coast Centre Hope Gibbons trials over 16kms.
- \* Janice Peffers won 1st prize, a 5-day stay in Perth, for his entry in the Broadlands Finance Group Competition from the Trades Alphabet.
- \* Rachael Hamilton-Gibbs was lucky to be chosen from a group of local ballet dancers to take part in the performance of "Witch Boy" with the artists of the NZ Ballet Company. Truly the dance of a lifetime!
- \* Students of WHS, together raised \$2021 for World Vision 40 hour Famine. There must have been some very hungry pupils come Sunday afternoon.
- \* Anna Dunlop and Catherine Bishop performed creditably in the Taranaki rhythmic gymnastic championships, Catherine winning the Over 13 class.
- \* Vicki Rogers won the first round of the "Young Driver of the Year" contest and Peter McIntyre was placed 4th. They will compete in the area final for a place in the national contest.
- \* WHS was well represented in the Wanganui Garrison Band junior solo competitions in September with Tony Lekj, Barry Broadhead, Paul Seiler, Michael Clark and Jackie Boyle all gaining places.
- \* Nicola Hartfield was successful in Grade 8 theory examinations conducted by the Royal School of Music. Karen Doney, Fiona Page passed Grade 5 and Linda Porteous won Grade 4.
- \* The results of the Championships held by the Wanganui Rollerskating Club show that those mentioned earlier are not the only WHS pupils prominent in the sport. Lynette Thomas, Darryn McCoskery, Robert Mallasch, Blair Lockett and Mark Willis also featured on the prize list.
- \* Catherine Bishop won top prize in the Wanganui Science Fair with her exhibit titled "Detergents - Squeaky Clean?" Merit award went to Andrew Murchie and Joy Coughlan.
- \* Glenn Park was selected for the Manawatu-Wanganui Golf team to play for the Shand Cup at Bulls.

\* Wanganui High School was honoured to host the Japanese Ambassador, Mr T. Oyamada who was in the city to speak to local clubs. He spoke informally to 4th and 6th forms while here.

\* Debra Garrett and Glenn Whyte were selected for the NZ Age Group Swimming Championships. Glenn took the NI Under 14 100 metre breast-stroke championship title early in the year. Chris Pene, Stacey Burford, Elaine Atkinson, Guy Waipara, Margaret Lloyd and Lynette Townsend were selected for the consolation champs.

\* Wanganui High School pupils were very much to the fore in the Wanganui Harrier Club prize list this year. In fact, the finishing order for the road race was almost all High School. Lisa Mahoney won both the Cross Country and Road Race Under 16 titles, Jenny Beach won the Shingles Cup for the Handicap Race along Castlecliff Beach, Raewyn Spencer was in the winning team for the women's Bramwell teams race from the Racecourse and Joanne Silk won the Perry Cup for the Most Improved woman.

\* Other High School runners to record excellent seasons were Tracey Hogarth and Joanne Mahoney.

\* Vicki Oliver competed in the Central Regional Surf Lifesaving Championships in Napier and was a member of the Castlecliff Women's team who won the surf race.

\* Helen Loader was a member of the Wanganui Rowing Eight crew chosen to race against a NSW Australian Representative Crew here and on Lake Karapiro.

\* Former student David Lupton (son of the late Mr R. Lupton), recently gained a Phd in Economics from Leeds University, England. He is now the Executive Officer of the newly formed Urban Transport Council in Wellington.

\* The Wanganui Junior Roller Hockey Team is - goalie David Turner and field players Buddy Parkins, Dennis Mahoney, Clinton Raymond, Bert Lockett, Craig Wakefield. Four of these lads are from High School. The team came first equal with Papatoetoe when they visited them on 26 September. The lads said "We hope to beat Papatoetoe at the Nationals at Christmas." The games will be held in Nelson.

## WHEN HIGH SCHOOL HITS BROADWAY . . .

In the darkness of the Riff Mountains glows a dim light, the camp of the Red Shadow and his men, planning their battle against the French soldiers. Their seclusion is uncovered by a spy called Bennie (short for Alf) who is captured and sent back to Morocco, where his girlfriend awaits him.

On his return, he encounters the Sheik of Araby and his harem - a colourful band of people, high in spirit, enthralled in some new kind of Arabian dance. (Thanks to the staff for such a memorable scene!)

Meanwhile, Captain Fontaine's lover, a native girl called Azuri, swears vengeance when she learns of his new love, Margot Bonvelet, a French woman who unknowingly holds also the adoration of the Red Shadow.

The son of General Birabeau, Pierre, who is shy and unable to prove himself to his father, has chosen Margot to be his sweetheart. Unknown to Margot, is that he, Red Shadow, and Pierre are one and the same . . . and so the plot thickens, with the very worthwhile introduction of Ali Ben Ali and his harem; the appearance of Bridget Keenan as Clementine, a seductive example of womanhood, as compared to the part of Bennie's girlfriend Susan, to which Fiona Graham adapted very well.

Once again all praise is due to Mr Mahoney, Captain of his crew, Mr Woodbury (vocals), Mrs Gifford (piano) and Mrs Welton who made an excellent show with the work as choreographer. Costume design was tasteful and well suited to the play. Likewise, the scenery and props were vital in adding to that "story" atmosphere. Credit and thanks to all those backstage workers, fitting it all together and

smoothing over any mishaps.

Now to the actors and actresses - lead roles were filled by Cheryl Holt and Karl Cobb, such a lovely couple! Karl's strong voice and stage experience manifested themselves in his confident manner and on-stage finesse.

Although Cheryl had much less experience with which to comfort herself, she was nothing less than an instant success, involving herself to the advantage of the role. Her management of the solos and duets was remarkably competent considering their difficulty. Together, these two people created a pleasant feature of the play.

John Aldersley's performance as Benjamin Kidd was truly excellent, his buoyancy giving energy to the entire story and gaining enthusiastic reactions from the audience.

Richard Thompson, Stephen Pointon, Donald Aldridge and Andrew Simpson playing convincingly their roles as French officers, as did the more dominant of the Riffs, Paul Claridge and Lee Mahoney. Special mention also to Glenda Spencer and Linda Woodbury for their fine contributions as actresses.

Ali Ben Ali, the exalted little "fat man", played superbly by Alan Fox, held the attention of the audience several times with his bold lines and song. His debut was supported by the splendour of his harem and brilliancy of Kimber Mackie, Anne Coppin and Coral Ennis, as leading dancers.

The role of Azuri was shared by Iolande Bishop and Mandy Donne, both of whom were outstanding in their portrayal of such a confining part. Mandy Donne's previous acting experience in other major parts proved to be an advantage in her performance. Overall, the production was another achievement that High School will long remember and be proud of. Three wonderful nights where students of WHS were able to display to parents and public the talents and spirit that makes such an event possible.

So, as many are still reflecting on the Musical '81 and all that it gave us, I am eagerly awaiting next year's!

— Pamela Cronin

## CONCOURS ORAL

The annual Concours Oral competition judged by members of the Alliance Francaise, was held at High School in September.

The following High School pupils were successful: 7th Form - Philippa Story, 1st; 6th Form - Hanna von Randow, 2nd; 4th Form - Catherine Bishop, 2nd; 3rd Form - Evan Barker, 2nd.

Also competing were: Julia Sewell, Form 5 and Leigh Monks, Form 3.

## JAPANESE SPEECH CONTEST

In April of this year a Japanese Speech Contest was held by the Language Department at Massey University. Two students, Cheryl Holt and Catherine Bishop, entered the Junior Division, with Cheryl winning the first prize, a tape recorder, and Catherine the second prize, which was a dictionary.

In September another contest was held. Three students, Catherine Bishop, Janet Vaughan and Vikki Oliver, faced the judges this time. With the help of sock puppets Catherine told a delightful story about two frogs and won first prize, a \$20 book token. Janet was awarded a \$5 book token for her speech, which was also well received. Vikki, whose topic was "Lifesaving" spoke well in the Senior Division. The judges were of the opinion that all the entrants in this class were worthy of the first prize so the contestants voted to choose the top two placings. Vikki received a \$15 book token for coming second.

It is hoped that next year more students will enter the Contest. Not only does everyone receive a prize, but it improves one's ability to understand Japanese when it is spoken by other people.

## JAPANESE SPEECH COMPETITION

March 1981

Isn't it strange, how some of us get pressured into doing things we don't really want to do, and then end up being pleased we did them? Entering the Japanese Speech Competition at Massey University in March of this year didn't occur to me at all, to begin with. But after much pressure from my fellow classmates (both males), I decided to prove who was of the better sex.

The competition was held in the Japanese Language Lecture Theatre. Both me and my colleague, Catherine Bishop (who turned out to be my closest rival) were horrified to learn that we were the only secondary school people involved - the rest were studying Japanese at Massey!

The topic for the speech was "Japan and I" and thanks to Mrs Irving, Catherine and I were both prepared with five minute speeches on the topic.

It was surprising after the judges' results were read out, to find that Wanganui High School had taken both 1st and 2nd places. This is a great credit to Mrs Irving as our Japanese teacher.

In the end I guess it was worth the stomach turning and blood, sweat and tears and I haven't regretted entering since. I only hope that others who learn Japanese will take advantage of the opportunity also!

(Besides, the first prize of a cassette recorder wasn't a bad sort of thing to win!)

— Cheryl Holt

## MATHEMATICS CONTEST

On 17 June this year 39 High School students took part in the Australian Mathematics competitions, involving Third Formers through to Seventh Formers. This competition was entered by nearly 200,000 students from throughout New Zealand, Australia and Pacific Islands.

Therefore, the nine Distinction Certificates and the further 17 Credit Certificates that were awarded to our students was a tremendous achievement. Mention should also be made of those students that failed to gain a Certificate or Prize, but tried hard nevertheless.

## MATHEX 81

Wanganui High School entered several teams in the Mathex 81 competition held in Palmerston North during the 2nd Term. Teams in Junior, Intermediate and Senior divisions represented us, competing against secondary schools drawn from a large area. All our teams performed particularly well in their respective divisions, with the highlight being the performance of the senior team, comprising members Heather Wallace, Eric Pyl, Vivienne Chapman, Phillip Marshall. The team finished first equal in their competition, but then after a series of questions had to settle for second place.

## DEBATING YEAR — 1981

Debating is often thought to be merely a "minority sport" or "art", but what excitement it offers! Wit, thought, repartee, art and thrust and quite a lot of laughter. We've had our share this year.

We entered two teams at 4th and 5th Form level this year in the annual Wanganui Debating Union's contest. Our 4th Form team consisting of Janet Vaughan, Karen Doney and Kevin Deane contested as the negative team v. Collegiate on the amusing topic "That bicycles should be registered and cyclists licensed". It was the first time this team had actually worked together and contested but they certainly gave the Collegiate team a 'run for their money' being narrowly defeated by 267 points to 234. Congratulations on a very good contest against stiff opposition. I hope the team forms again next year.

Our 5th Form team, consisting of Julia Sewell, Felicity Samuel, Julie Quirke, again faced a Collegiate Affirmative Team on the topic that "Anzac Day should be forgotten" and very amusing and emotional it proved. The affirmative's lightness and cynicism played up to a packed home (Collegiate) audience but we felt superior in emotional appeal. However, Collegiate won by 300 to 285. A most enjoyable lively contest.

On 2 May two speakers represented the School in the Qantas — New Zealand Jaycee — Litter Control Council Secondary Schools' Speech Contest (the so-called 'Hi-Neighbour' Contest). They were Mandy Donne and Diane Bloor and we were left in no doubt that these two girls were in total command of their subject. They not only had to speak for up to ten minutes (seventy-five percent of their marks), but also undergo a four to five minute interview for the rest of their marks. We sat on the edge of our seats for an 8.00pm start until 11.00pm to hear the final result. Although the regional winner was not one of our entrants, I was particularly proud of the excellent standard of both our contestants. A really magnificent effort, Mandy and Diana.

During our 1981 visit to Colenso High School, Napier, a senior team consisting of Janet McLean, Julie Rowland, and Ann Krebill affirmed on the topic of "that the piano has done more for society than the bath", a curious topic we found difficult to reconcile. But again, though eventually defeated, we fought hard and well and with much determination. Again congratulations on sportsmanship and a superb attitude.

We also conducted a "parliamentary" type debate v. St Augustine's on the topic "That Christmas Day should be abolished" to a packed library audience.

In terms of results and awards, on the surface not a showy year, but in terms of participation and enjoyment an excellent one. My grateful thanks to all those who have in any way taken part.

— A.P. Goodwin

## WANGANUI HIGH SCHOOL SKI TRIP August/September 1981

The third and last week of the August school holidays brought the ski trip to Mt Ruapehu. On Sunday afternoon the 6 September a group of about 24 gathered outside the school gates, had their names ticked off, piled gear and bodies into unsuspecting parents' cars and set off for the mountain. Two terms' fund raising (with the kind and enthusiastic help of Mrs Papworth), and anticipation had finally brought the big day!

A reasonably uneventful journey with us all gleefully gazing out of the windows at the fields of snow along the Parapara brought us to Erua Ski Lodge.

There we were met by the Instructor in charge and assigned to rooms. Chaos reigned while students from Wanganui High, New Plymouth Sacred Heart and a Whangarei High School sorted out gear and bunks. We were then formally introduced to the staff of the Lodge and given gear, skis while those who were new to it all were taught the difference between a ski boot and a ski pole.

After dinner was a lesson on the Erua ski "mat" and the adjustment of our skis in anticipation for Monday. Cards, music and talking brought bedtime and lights out.

Monday dawned bright and early. After a very filling

Upstairs we hope to develop a mending area with some creature comforts for the Librarians, a stack room for older stock, a study area with an archives section for prints and school records. We hope the mezzanine will prove a popular and useful area.

At the moment, the fiction section has been culled and the non-fiction area is undergoing the same process so that a long term purchase policy can be established to bring the stock up to standard. We hope next year that increased monies can be poured into those areas that really need to be built up.

It is not realised just how much in the social area the Library is used and we are thankful to the Art Department for their colourful work that always helps to make the environment interesting.

The Library does offer a continuous service and for their help in the actual day-to-day running we could not do without the set of student librarians who give up much of their free time. Thank you all for your support.

We do welcome suggestions on how the library might be improved as a service and hope that it may be gradually transformed into an up-to-date and exciting place for you all to enjoy the "world of books".

#### FOUR FRIENDS TRUST

On 30 June 1977 a freak mountain accident killed four friends in the Mt Cook National Park. In memory of Craig Benge, Bill Benne, Rob McLean and Fenele Druce the Four Friends Memorial Trust was set up.

The trustees sponsor a group of eight people to commence a special course held at "Tawhitikura" Outdoor Pursuits Centre of NZ in the Tongariro National Park. Heather Wallace and I were lucky enough to attend the 1980 course under the expert instruction of Tony Parker.

On the first day, eight nervous people clambered over a confidence course of rope bridges, log swings, tyre jumps and ultimately the "big swing" and flying fox. This was supposed to build our confidence for the mid-air gymnastics necessary in learning the basics of Rock Climbing on the man-made wall at the centre and later descending off a bluff into the Mangatepopo Gorge. The next day we studied map reading and tried our luck at orientation. However certain navigators on the 2nd pitch got us totally off the track although we did manage to work our way across unfamiliar country to an old opossum hunter's hut where we were met by Tony. The rest of the day was spent rock-climbing from the inside out! Squeezing through holes that looked far too small and getting caked in mud made the limestone caving absorbing to say the least. The 3rd and 4th days were spent on (and in) the Tongariro River and in the Te Kaanu hotpools (pure luxury). We made a tyre raft and floated (almost!) over 21 rapids. Little did we know that we'd be kayaking it later on. I was really gripped about this but just managed to go the entire run without falling out; unlike someone else who liked scaring the instructor silly by showing her prowess at canoeing backwards down a Grade 4 chute without using a paddle!

The last three days were spent mountaineering in all most white-out conditions with the idea of building a snow igloo. All went well until a huge crack developed on one side. Needless to say, we slept in the Ski Patrol hut while the weather raged outside.

I strongly recommend anyone with the opportunity to apply for the Four Friends Trust course. It is rewarding not only physically but mentally. You gain a whole new

family and you must be able to accept and appreciate them no matter what, because although the course teaches you to be confident in yourself and your ability you still have to depend on seven other people in some exhilarating situations.

Thanks must go to OPC for the incredible job they do and to the trustees, without whom the course would never have been set up. Both organisations have my full backing and I hope others encourage the trust to hold the course again — it's truly mind-blowing!

— Julie Rowland, 7th

#### FRIENDS OF THE PACIFIC

In May of this year I was lucky enough to experience a once-in-a-lifetime trip to the Tongan group of islands called Vava'u, for this was no ordinary overseas trip. You may have heard of an organisation called "Friends of the Pacific". This organisation, based in Wanganui, selected students from applications by 6th and 7th formers all over NZ to participate in giving not only financial help, but also practical aid in the form of refurbishing and upgrading community buildings such as schools and sometimes churches. Three pupils from Wanganui went on the May trip — Geoff McGowan, also from WHS and Duncan Wilson of Collegiate.

Each group member is asked to raised \$100 with school help, as well as paying for his/her return airfare. Our destination in May was to Tailulu College, Neiafu, Vava'u. But this school, run by the Free Church of Tonga, is vastly different from any colleges here. It had virtually no furniture, the pupils sitting on the concrete floor, so we set about building desks and forms and, before long, we had bought all the wide timber available in Vava'u! Before we arrived we had sent over nine sewing machines which we had had converted from treadles or motor drive to hand operation. Of course, electric sewing machines were a bit pointless as the only electricity available at the school came from a generator and could only be used sparingly. We also took with us many lengths of material and although it was school holidays over there we found many 4th Form Tongan girls crowding around eager to learn to sew. Such a difference from pupils in NZ who are often reluctant to work and do not appreciate education at all. These Tongan pupils worked very hard and were so proud of the little that their school did possess.

Our group of 16 lived in the school since it was their school holidays. We were expecting to sleep on mats on the floor, but instead, mattresses were all made up beautifully for each one of us.

Of course, apart from sewing, making desks and painting buildings, we did get a lot of time to do all those things you dream of doing on tropical islands. Many days we worked only for four hours and Sunday is a complete day of rest. But because of the climate it would not be possible to do a lot more in the heat. We went on a boat trip to an outer island one day - Nuku - with its long sandy, white beaches, coral reef, crystal clear waters, one of many Tongan feasts cooked in a traditional "umu" and the inevitable swaying palms.

Vava'u is undoubtedly the most beautiful of the Tongan group and the scenery is often breathtaking. The kindness and open generosity of the Tongan people is overwhelming. For me, this aspect made it such a wonderful experience.

So, if you're 16 or older, interested in helping others less fortunate than ourselves, are not afraid of a bit of work and would like a taste of genuine island life, not the tourist package variety, then a Friends of the Pacific work camp is for you! Mr Woodbury would be happy to tell you more I am sure.

Linda Woodbury, 7th

## 7th FORM EGMONT TRIP

It was just starting to drizzle . . . on a dark, cold morning. A busload of scientific, conscientious and bio-geographical students were escaping from the mundane existence of school life . . . to the WET realities of the Mt Egmont RAIN forest. (Incidentally, did you

know that Taranaki has one of the highest RAINfalls in New Zealand.)

After having arriving at Konini Lodge on the Dawson Falls side of Mt Egmont, there came the problem of who was sleeping where. Cheryl and Leigh, showing an uncharacteristic interest in biology and making their own rules in regard to geographical zonation, chose to take the spare beds in the boys' bunkroom — a noble sacrifice for science! We duly put on our WET weather gear and ventured out onto the track. We had been told that it was only one mile to the next hut. The fact that the mile was vertical was conveniently omitted. Having walked for a couple of hours we came to the conclusion that the "steps" must have been made for, or by, the abominable snowman. Needless to say it was RAINing. At last we saw the hut - a great place to dry out. After lunch Mr O'Connor asked for a group of volunteers to tackle the herb-field. These intrepid climbers reached the snowline (just a little above the WATER line). The conditions made it almost impossible to observe the herb-field in detail so soon it was down the mountain we came, leaping daintily from puddle to puddle and stopping only to retrieve our footwear from the mud, wring out our gloves and observe geographical zonation.

We had just taken off our WET weather gear when the news was broken (like a RAINCLOUD) - we had to go out again. We returned with significant, if rather soggy, pieces of paper recording the type of plants in each zone. There was a notable predominance of ferns (which absorb WATER like sponges) in our immediate area.

It was time for tea. Some cordon-bleu chefs set about hydrating dehydrated potatoes (this was not very difficult considering the circumstances), while the less culinary-minded opened tins of spaghetti. We then embarked on a three hour game of charades which climaxed with Alan F's contribution: "Which all goes to show that one Indian squaw's moccasin will not necessarily fit another Indian squaw's foot."

Time for bed and bedtime stories. These rendered Ken inconsolable - clutching anxiously at his baked beans tin ready to strike at any ghostly hand that might grip him in the night. The macabre was displayed in some, eg. Digger's hangman's noose.

HMT kept an all night vigil on her stretcher in the dining hall. She managed, however to miss the raid of one boys' room on the other. (Ken defending himself with his baked beans tin). We will censor Mr O'Connor's comment on being woken up in the middle of the night by (what sort of animals?)

Then morning came and despite Miss Tilley's threats of a 6.30am rising time, some of us managed to lie in until the indulgent hour of 7.15am.

After breakfast we were given two alternatives; one, to go up the mountain in the RAIN to further investigate zones or go to the informa-

tion centre to take notes. It's amazing how interesting an information centre can be, especially with such alternatives.

For a while the push-button displays were of great fascination until the teachers started murmuring and staring uphill. So we were forced to take notes on native birds (we didn't see any in the flesh) park history and soil profiles which all came in very handy for the inevitable monstrous assignment.

When most people had finished, a group of adventurous souls who didn't mind the WET went to have a look at Dawson Falls. Others, of a less adventurous nature, went over to the shop and staved off starvation with the aid of chocolate, potato chips . . .

The next pleasure on the agenda was to clamber onto the bus and study the mysteries of zone seven?! We were all WET (surprise, surprise) when we finished.

And so, to finish off (once and for all) this wonderful experience (simply oozing with . . . well . . . water) - a trip to the Kapuni Gas Fields.

Unfortunately the noise was so loud that we couldn't hear the guide - nevertheless it was interesting walking up bridges, down bridges, past machines, more machines, pipes spurting (you guessed it) - STEAM and in to see the controlroom at the end.

It was with general relief that we returned to the mundane existence of DRY school life.

— Heather Wallace

— Janet McLean

## ISCF REPORT

1981 has been another enjoyable year for the ISCF group, meeting regularly under the guidance of Mrs Martel. In the last term we also gained the help of Bruce Patrick, Pastor of Wanganui Centre Baptist Church, in running our group.

Lunchtime activities have been varied, including many visitors, films and programmes taken by pupils. Outside of school time, the group has held two successful "Fish and Chip" evenings and an "easter egg" afternoon. These were also participated in by Girls' College and Collegiate ISCF.

We look forward to 1982 being just as rewarding for the group.

## ON HIGH

During the first term selective programme, Mr Goodall organised a small group of senior students to plan and edit a school newspaper, namely "On High".

With the help of many photographs and a few keen students, two newspapers were printed featuring events from around the school, eg. the third form camp at Brunswick, and the production of "The Sheikh". The general layout was improved by student contributions of cartoons, jokes and appropriate headings.

The newspaper was sponsored by shops from throughout Wanganui and with aid from Mrs Sinclair, the teacher-in-charge, the paper was printed and cut by Wanganui Newspapers Inc.

During the third term it was decided that the newspaper team should assist Mrs Phillips with the school magazine, instead of producing another paper.

Next year it is hoped that another edition of the newspaper will be printed with more pupils contributing new ideas to increase its popularity within the school.

## THE RUBIK CUBE

During the second term a craze swept the school. 'Cube Fever' had struck! People walked about in a daze, bumping into each other,

some started going crazy and had to give up the cube for weeks, sneaky people learnt how to take the cube apart, but those who kept at it (or read the instruction manual) succeeded in the end. What a joy! The ability to solve the cube became a status symbol, people watched in awe as the master nimbly turned and twisted the cube until all the colours matched.

But this is not the end of the cube — the solution is not revealed to just anybody, so the puzzle of the cube lives on.

## THE SCHOOL ROCK BAND 'REVOLUTION'

The School Band was started at the beginning of 1981. After a short period it suffered a temporary breakup but was reformed two weeks into term 3 with renewed growth and enthusiasm, plus a new member. The band decided to call itself 'Revolution' after much talk and started to practice for an item in term 3. The talented members of 'Revolution' are Eddie Peterson (bass guitar, vocal), Mark Osborne (lead guitar, vocal), Bronwyn Fulford (rhythm guitar), Nicky Mallasch (Percussion), Alison Lewin (Piano, vocal), Kim Rees (Vocal), Brent Wilson (Technical Advisor).

All above students are talented and dedicated musicians and special mention must be made for the help and work of Eddie Peterson and Brent Wilson for supplying the instruments and technical material - also thanks to Mr Wilson for the use of the Music Room on Sundays and for the support of Mr Canham and staff and pupils of the school. This is Wanganui High School's first rock band and what was started in 1981 will hopefully provide a basis for a permanent band in the future which will play at socials, dances and general functions, plus assembly items. The band will fill a gap for those people who play instruments associated with a Rock Band and want the experience of playing in a Rock Band. 'Revolution' is hopefully the start of greater things and its success in the future should continue with the members in it now and the talented musicians around Wanganui High School - there are a lot out there. I wish the band success now and in future years to come.

— Mark Osborne, 6G

## ART REPORT

A good year in the department with the new art studios providing a boost both to the quantity and quality of work produced both by junior and senior pupils. The new suite comprises, a large painting and drawing studio, a multi-purpose studio, a resource room for seniors, a dark room for photography, a pottery bay and a separate room for housing the kiln and drying shelves. In addition there is adequate storage space both for materials and pupils finished work. A truly first rate complex by any standards.

The Dr Robertson Art Award attracted some 300 entries and more than half of these were selected for exhibition. According to the Gallery Director the standard was the highest it has ever been and the following pupils from this school received awards:

### Art School Award Winners:

Alistair McGowan, Anne Barclay, Phuoc Tran, Glyn Struthers, Prudence Westwood.

### Certificates of Merit:

Mark Osborne, Joanne Davis, Theresa Tella, Brent Thomson.

The gallery has been so impressed with this year's standard of work that they are organising a mini-tour of the best works early next year. Pupils work selected from our school for this tour are: Phuoc Tran, Anne Barclay, Sarah Bardsley, Joanne Davis, Alistair McGowan, Mark

Osborne, Glyn Struthers.

Our heartiest congratulations to all who participated and especially to the award winners.

The mural on the fence surrounding the swimming pool was commenced at the end of term one, but work has been held up until the weather improves. It is hoped that the mural will be completed in term three. Sixth form pupils under the direction of Pamela Cronin successfully completed a mural at Carlton Road School in just one day - a splendid achievement deserving of high praise not only to Pamela who designed the mural but to all those who so ably assisted her.

— P. Donne

## COMMERCIAL DEPARTMENT

Having arrived at High School as HOD Commercial at the start of term II, I thought this would be an ideal opportunity to express some opinions about this area of study in general. The Commercial Department covers three disciplines - accounting, economics and typing. Accounting and typing are well established areas of study. Some change, however, is taking place at the moment in order to keep pace with the rapid changes occurring in practice.

At the end of this year School Certificate candidates from High School will be examined in accounting for the first time. Previous students were examined in bookkeeping (now defunct). Accounting is offered at 5th, 6th and 7th form level. Students in the 5th form should be well motivated to enable them to cope adequately. This is because accounting is somewhat narrow in its scope. Ideally, students should opt for this subject because they anticipate studying further after school, as Professional Accountants, Chartered Accountants or, perhaps, Auditors. There is some correlation between accounting and mathematics. Economics Studies is offered in the 3rd, 4th and 5th forms. Pure Economics is studied at 6th and 7th form level. Both subjects are relatively new areas of study and have outstanding potential for growth due to their general appeal. Economics is a human science, which means it can be taken in conjunction with mathematics (a natural science) and with geography, and especially history (social science). It must be stressed at this point that study in this area is not preparation for future employment. It is, rather, preparation for living; students receive instruction in the major problems facing NZ (and the world) at the moment, ie. inflation (causes and possible solutions), unemployment, the economy, the value of money and so on. As in the case of accounting, motivated students (irrespective of academic skills) are encouraged to take up studies in the most exciting area of the curriculum.

Typing, like accounting, is in a state of change. New syllabuses have been introduced at School Certificate level, with attempts made to link keyboard skills to other areas such as computer programming. Typing is a practical subject, requiring definite mechanical skills. Students need to be well disciplined. Like economics, this area is not a preparation for employment; the well-motivated and diligent students, however, should have no difficulty in finding suitable employment, not necessarily as typists!

In conclusion, I would like to say that I am very happy to be at High School and look forward to building up a most important part of the curriculum. Any parents who are uncertain about any aspect of studies in the Commercial area are most welcome to consult me at any time.

— D. Klopfer (HOD Commerce)

## PITMAN'S INTERMEDIATE - 1980

20 candidates, 10 passes = 34% pass rate.

### Passes:

M. Carson, S. Dando, W. Gudsell, K. Hammond, C. Hardie, J. Irvin, P. Lister, H. Rennett, G. Siddells, S. Welch.

## PITMAN'S ADVANCED - 1980

11 candidates, 3 first class passes, 4 passes = 72% pass rate.

1st class passes:

V. Guy, K. Mackie, H. Rennett.

Passes:

S. Bell, K. Hammond, J. Newell, G. Siddells, S. Welch.

## Original Contributions

### Friendship Is . . .

Friendship is . . . sharing things with each other.

Misery is . . . finding a bed full of worms.

Love is . . . walking through spring flowers together.

Friendship is . . . believing Richie is king.

Misery is . . . people being smart.

— 4W

### Fidelity

A man,  
sitting on a park bench  
in the warm spring sunlight  
feeds a squirrel  
talking nonsense to it.

That same man,  
opening a cupboard  
in the early morning  
sees a rat -  
and kills it.

Now,  
you take the tail off  
a squirrel.  
What do you have?  
A rat.

A man,  
sitting on a park bench  
in the warm spring sunlight  
sees a white man  
and talks with him.

That same man  
walking down the road  
sees a negro  
and spits  
and abuses him.

Now, you take the colour out  
of a negro -  
What do you have?  
a white man.  
— Jacquie Frazer

### King of the Land

With a piercing whistle and a savage scream,  
The jet black stallion led his band through the stream  
As he turned to hasten a wind broken mare  
the sounds of gunshot shattered the air.  
The lone single rider was evil, discreet  
he killed off the Brumby for hides and for meat  
he fired and a mare fell to the ground  
and fear turned to anger as the stallion whirled around  
and screamed out his challenge for all to hear,  
and the evil man stopped his horse in fear.  
He had not encountered the stallion's move  
and knew if he attacked, he should lose,  
he raised his rifle aiming between the eyes,  
The stallion screamed and the man's horse jumped aside  
and the man fell heavily to the ground dazed,  
the stallion's eyes were burning and glazed.  
He rushed at the man with hate in his heart

he reared, landing on his head, and broke it apart  
he reared and stamped the man into the ground  
the smell of death hung around.

After a while the stallion's fury eased.

He screamed out his victory over the man he appeased.

He turned and trotted back to his band,  
the triumphant and joyous 'King of the Land'.

— T.C. 3P

## SCHOOL COLOURS TERM I, 1981

### Athletics:

David Allan, Wayne Armishaw, Cameron Bell, Keay Bishop, Denise Burt, Barbara Cantillon, Paul Claridge, Malcolm Corkran, Jonathan Davis, Stephen Fisher, Alan Fox, Keith Gardner, David Hall, Lexia Hiri, Tracey Hogarth, Paul Hopper, Shona Hounsell, Brian Keat, Gaylene Kendrick, Brigid Kennedy, Paul Kilkolly, Greg Kosmala, Barbara Lockett, Stephen Lockett, Lisa Mahoney, Phillip Marshall, Geoff McGowan, Peter McIntyre, Trieste Patea, Stephen Pointon, Julie Rowland, Ian Sammons, Graeme Silk, Alan Taylor, Phillip Warren, Annette Western, Linda Woodbury.

### Girls Cricket:

Barbara Cantillon, Julie Rowland, Fay Brasting, Joanne Oldman, Andrea Tong, Heather Yalden.

### Indoor Hockey:

Heather Wallace, Heather Yalden, Fay Brasting, Julie Rowland.

### Boys Cricket:

Colin Hodson, Sloan Kelly, Steven Thomas (left), Richard Thompson, Alan Fox, Keith Gardner, Paul Kilkolly, Phillip Marshall, Graeme Silk.

### Swimming:

Elaine Atkinson, Bruce Gemmell, Margaret Lloyd, Natalie Pinker, Sheila Robinson, Alan Wakeling, Glenn Whyte, Barbara Lockett.

### Lifesaving:

Elaine Atkinson, Bruce Gemmell, Natalie Pinker.

### Diving:

John Loomes.

## TERM II, 1981

### Volleyball:

Michelle Carson, Bernadette Eveleigh, Liane Smithies, John Aldersly.

### Badminton:

Heather Wallace, Leigh McCallum, Clare Wooding, Janet McLean, Richard Thompson, David Hook, Kevin Wright.

### Netball:

Barbara Lockett, Jo-Ann Allen, Huia Morgan, Lydia Karena, Ema Andrews, Rachel Wallace, Moetu Rihia, Lexia Hiri.

### Hockey:

Heather Wallace, Clare Wooding, Julie Rowland, Heather Yalden, Fay Brasting, Christine Day, Sheila Robinson, Andrea Tong, Brenda Brodie, Paul Brasting, Dean Kendall, Christopher Reynolds, Richard Beaumont, Ross McCallum.

### Basketball:

Barbara Lockett, Jo-Ann Allen, Andrea Tong, Alan Fox, Ian Sammons, Andrew McGregor, Karl John Allen, Paul Kilkolly, Keith Gardner, Anna Webby, Jane Walker, Sandra Dawson, Clare Easingwood, Barbara Cantillon, Kathryn Mobbs, Steven Lockett.

### Soccer:

Alan Fox, Graeme Silk, Ian Sammons, Geoff McGowan, Pamela Cronin, Julie Dale, Karen Page, Gaylene Kendrick (In absentia), Diane Rogers, Karen Silk, Jenny Kloppe.

Michelle Whibley, Ann Krebill (Honorary).

#### Rowing:

Kevin Wright, Craig Stuart, Cameron Bell.

#### Rugby:

Richard Thompson, Craig Stuart, Cameron Bell, Karl Cobb, Stephen Pointon, Steven Lockett, Jonathon Davis, Paul Claridge, Robert Forlong, Bruce Gemmell.

#### Drama:

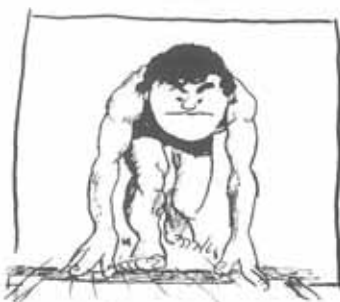

Richard Thompson, Cheryl Holt, Karl Cobb, Stephen Pointon, Mandy Donne, Fiona Graham, Kimber Mackie (Dance), Anne Coppin (Honorary) (Dance), Shane Drummond (Lighting) and Ross Jewell (Drama Lighting only).

#### Debating:

Mandy Donne, Nicola Gibson, Joanne Spencer, Tracey Brownbridge.

#### Music:

Hanna Von Randow.

### ATHLETICS RECORDS TUMBLE AT HIGH SCHOOL

Seven new records were set at the Wanganui High School's annual athletic championships.

Two of the records fell to Tracey Hogarth who set new marks of

13.2s (old record 13.3s set by S. Henry in 1977) and 2m 46.5s (old mark 2m 56.8s by T. Hourigan last year) in the intermediate girls' 100 and 800 metres.

Lisa Fox smashed the junior girls' javelin record with 18.91 metres compared with M. Brasting's 13.42 metres last year.

Denise Burt boosted the intermediate girls' high jump record from 1.42 metres (D. Burt last year) to 1.56 metres.

Shane Venimore also picked up a javelin record with a throw of 28.2 metres in the junior boys' grade with the old standard held by M. Parini with 25.93 metres last season.

Grant Dawson ran the junior boys' 1500 metres in 5m 8.1s to take .5s off H. Craig's 1976 record.

Shona Hounsell recorded a best intermediate girls' 1500 metres time of 5m 35.9s as against A. Harper's 5m 43.9s last year.

#### — JUNIOR BOYS —

100m: 1st Stephen Maguire, 2nd Peter Chamberlain, 3rd Dion Katene; 12.8s.

200m: 1st Chamberlain, 2nd Henry Tatupu, 3rd Tony Leki; 27.3s.

400m: 1st Martin Holmes, 2nd Maguire, 3rd Phillip Jellyman; 1m 5.8s.

800m: 1st Holmes, 2nd Lennie Sheath, 3rd Ian McGregor; 2m 38.3s.

1500m: 1st Grant Dawson, 2nd Michael Lace, 3rd Vance Wilson; 5m 08.1s.

3000m: 1st Dawson, 2nd Holmes, 3rd Katene; 11m 0.2s.

HURDLES: 1st Maguire, 2nd Wilson, 3rd Scott Orr; 19.8s.

LONG JUMP: 1st Tatupu, 2nd Chamberlain, 3rd P. Jellyman; 4.32m.

HIGH JUMP: 1st David Turner, 2nd Scott Gardner, 3rd Tatupu; 1.40m.

TRIPLE JUMP: 1st Grant Allan, 2nd Geoffrey Serrup, 3rd Mark Willis; 8.55m.

SHOT PUT: 1st Shane Venimore, 2nd Alan Kenny, 3rd John Morrell; 7.82m.

DISCUS: 1st Evan Hapimarika, 2nd Katene, 3rd Holmes. 21.51m.

D. Aldridge.

#### Senior Girls:

T. Hogarth 14th; S. Samuel 58th; B. Cantillon 91st.

### HARRIERS

The growing attraction of running is shown by the increasing number of events in which WHS runners have the opportunity to participate. The Wanganui "Heart" Run attracted a sizeable group of runners this year. Teams were entered for the Tuakau College Road Run for the first time and our girls' 3rd placing was a pointer to success in succeeding meetings.

Team: T. Hogarth 32nd; F. Samuel 36th; T. Phillips 37th. L. Mahoney 48th.

The National Inter-Secondary Schools Cross Country was held at Stratford and WHS team competed in all grades. The Virginia Lake relay is now a popular event for many secondary schools. Our runners competed in all grades with the Junior Girls being the first girls' team home, beating even the best senior teams. (T. Hogarth, L. Mahoney, J. Mahoney, J. Hogg). Participation is the feature of the WHS Road Run - there were some creditable individual performances. WHS colours were much in evidence at the Wanganui Secondary Schools Cross Country - again there were some outstanding personal achievements.

About a dozen students will compete in the Road Race at the National Inter-Secondary Schools Athletics in Hamilton in December.

### SWIMMING SPORTS

February 23

The school swimming sports were divided into two sections as it is impossible to fit the entire school into the pool area. The Juniors Competition in the morning, the Seniors in the afternoon.

Entries were very good, especially in the Junior School. Special thanks must go to the 7th Form under the guidance of Bruce Gemmell for the superb organisation and running of the sports, in terms of time-keeping, officials. Times were taken for the first time enabling the establishment of records in years to come.

Prominent swimmers were:

#### 3rd Form Girls:

Raewyn Spencer, Priscilla Spencer, Debra Garrett, Tracey Smith, Juanita Pene and Sarah Galilee.

#### 3rd Form Boys:

Guy Waipara, Brent Wakeling, John Morrell, G. Lewis, Derek Hamilton-Gibbs.

#### 4th Form Girls:

Stacey Burford, Jackie Howe, Lynette Townsend.

#### 4th Form Boys:

Kris Pene (excellent performance with 7 first placings), Chris Wakeling, Grant Dawson.

#### 5th Form Girls:

Elaine Atkinson, Vikki Oliver, Nikki Payne.

#### 5th Form Boys:

John Loomes, Andrew Parnell.

#### 6th Form Girls:

Sheila Robinson, Diane Kidd.

#### 7th Form Girls:

Brenda Donald.

#### 7th Form Boys:

Bruce Gemmell, Cameron Bell.

### Form Relays:

3rd: 1st 3G, 2nd DP, 3rd 3B.

4th: 1st 4BG, 2nd 4O, 3rd 4L.

5th: 1st 5BY, 2nd 5K, 3rd 5TY.

6th/7th: 1st 7th, 2nd 6G, 3rd 6P.

### Interform Points:

	3rd	4th	5th	6th/7th
1st	3P	4BG	5BY	7
2nd	3G	4T	5G	6G
3rd	3SK/3b	4L	5L	6SH
4th	3SM	4O		

## INTER-SCHOOL SWIMMING and DIVING SPORTS

March 1981

Junior Girls Dive: Jackie Howe 2nd.

Intermediate Boys Dive: John Loomes 1st.

Senior Girls 100m Freestyle: Natalie Pinker 1st.

Junior Boys 100m Freestyle: Richard Campbell 4th.

Senior Boys 100m Backstroke: Bruce Gemmell, 2nd.

Senior Girls 100m Backstroke: Sheila Robinson 1st; Anne-Marie Powell 2nd.

Intermediate Boys 100m Freestyle: John Loomes 4th.

Junior Girls 50m Freestyle: Raewyn Spencer 3rd.

Intermediate Boys 50m Breaststroke: Chris Wakeling 3rd.

Senior Girls 200m Freestyle: Natalie Pinker 1st.

Intermediate Girls 50m Breaststroke: Nikki Payne 2nd; Barbara Lockett 5th.

Senior Boys 100m Breaststroke: Bruce Gemmell 1st.

Junior Boys 50m Breaststroke: Glenn Whyte 1st.

Junior Girls 50m Breaststroke: Raewyn Spencer 6th.

Senior Boys 50m Backstroke: Steven Pointon 3rd.

Senior Boys 200m Freestyle: John Aldersley 3rd.

Intermediate Boys 50m Backstroke: John Loomes 1st; Chris Wakeling 5th.

Intermediate Girls 50m Backstroke: Jane Walker 4th.

Junior Boys 50m Backstroke: Glenn Whyte 1st; Brent Wakeling 4th.

Intermediate Boys 50m Freestyle: Grant Dawson 6th.

Intermediate Girls 50m Freestyle: Andrea Tong 4th.

Open Boys 50m Butterfly: Bruce Gemmell 1st; Glenn Whyte 3rd.

Open Girls 50m Butterfly: Debra Garrett 3rd; Sheila Robinson 4th.

Junior Boys Individual Medley: Glenn Whyte 1st.

Junior Girls Individual Medley: Debra Garrett 2nd.

Senior Girls Individual Medley: Sheila Robinson 2nd.

**Points:** Wanganui High School was 3rd overall on points in both Boys and Girls Events.

## WANGANUI INTER-SCHOOL LIFE-SAVING COMPETITIONS

Gonville Pool - Thursday 12 March

### Boys:

Bruce Gemmell (Instructor), Glenn Whyte, Kris Pene, Chris Wakeling, Guy Waipara. = 2nd place.

This was a meritorious effort from a team composed entirely of 3rd and 4th formers, competing against much older and more experienced opposition.

### Girls:

Natalie Pinker (Instructor), Elaine Atkinson, Stacey Burford, Lynette Townsend, Debra Garrett. = 2nd place.

Again, a young team, comprising a fifth former, two fourths, and a third. This team was extremely unlucky not to win the competition, as their performance was of a high standard.

This year the Royal Life Saving Society decided not to award individual trophies as the scoring methods make any selection unfair on some individuals.

\*\*\*

## GIRLS CRICKET

The girls cricket season was definitely varied. During the pre-Christmas session the XI combined well and their efforts were rewarded with outstanding success in the first round. The same unity was lacking, however, in the second half of the season and the only success to come was gaining the cup for Wanganui's Best Secondary School Cricket Team. The individual effort of many of the players deserves the highest of praise and it is a pity that the team effort that was shown at the opening of the season wasn't present at the end to support those girls.

Once again, High School provided more girls than any other school or club in the district representative teams. Heather Yalden performed with distinction in the "Wanganui Women's Team" and was also selected with Barbara Cantillon in the Central Districts Secondary Schoolgirls XI in the 1980-81 season. Special congratulations must also be extended to Julie Rowland (Capt), Fay Brasting, Marilyn Brasting, Andrea Tong, Lisa Fox, Joanne Oldman and Barbara Lockett. These girls were selected in the Wanganui Secondary Schools Representative XI.

It would be well to remember for future success that a knowledge of the fundamentals of the game is vital. Senior girls should be prepared to devote time encouraging and coaching the younger players.

The team is of course very grateful to Miss Tilley for all her efforts and encouragement.

Best of luck to next year's team, we wish you every success.

## BOYS CRICKET

For the first time for several years, High School was able to field four teams, one in senior reserve, one in 3rd grade and two in 4th grade.

The senior reserve side had a mixed season, winning two games outright and losing four. It also won two games on the first innings. Although most of the team contributed at some stage the batting relied heavily on Keith Gardner and Mr Milne, who between them scored almost 500 runs. Keith provided the individual highlight with a brilliant 103 not out against Collegiate. He also spearheaded the bowling attack with Richard Thompson.

Other players to excel included Paul Kilkolly and Alan Fox, both of whom gained selection in the Wanganui Colts team, as did Keith Gardner.

The 1st XI played one inter-school game, against St Augustine's. After a bad start, High School reached 109 for 9 with Alan Fox and Steven Thomas both making 26. In reply, St Augustine's could muster only 62, due to some tight bowling, particularly by Paul Kilkolly (4-30) and gave High School a win by 47 runs.

A school team was also entered in a Wanganui six-a-side tournament and made the quarter finals before being narrowly beaten.

Once again, the team would like to thank Mr Milne and Mr Blakeley for their contributions, both on and off the field.

— P.C.M.

## GOLFERS HIT THE GREEN FOR HIGH SCHOOL INTER-COLLEGE GOLF TOURNAMENT

On Thursday 17 September two Wanganui High School golf teams competed in the first Wanganui-Manawatu Inter-

College Golf Tournament which was played at the Marton Golf Club. The National Provident Fund sponsored the Tournament and has presented a magnificent trophy, valued at \$1200, to be competed for annually. Local firms donated other prizes as well. Nineteen teams of four, representing 13 district colleges made up a mixed field. The top five winners were selected by adding the three lowest gross scores together in each team.

Wanganui High School No. 1 Team was placed third with a 247 gross with Palmerston North Boys' High first on 231, and St Peter's College (Palmerston North) second on 238. Our players excelled themselves to be so highly placed among some of the country's top juniors.

Individual gross scores were as follows:— Sloan Kelly 80, Lee Mahoney 83, Glenn Park (Capt) 84, and Andrew Barker 87.

The No. 2 Team, Paul Claridge (Capt), Philip Jellyman, Tony Henry and Michael Kloppe, gained valuable experience and finished 13th ahead of some of the local schools.

### PARK'S 74 LEADS HIGH SCHOOL IN

Led by a splendid 74 by G. Park, Wanganui High School's No. 1 Boys' team captured the Munro Rosebowl in a secondary schools' golf tournament at Castlecliff on Friday 30 October.

The inter-college event, organised by the Wanganui High School and sponsored by Ed Gordon and Neil Munro, and the Castlecliff Golf Club, PGF and Eide and Co., attracted 56 golfers in 14 teams from three city schools.

The Munro Rosebowl was decided on the combined totals of the three best gross scores in the four-member teams.

High School was a walkaway winner in the boys' grade.

Apart from Park, L. Mahoney (76), A. Barker (80), and S. Kelly (88) all scored extremely well to give High School a 230 point total.

### ROWING

### WOMEN'S ROWING — 1981

This year WHS Rowing Squad included a girls' crew. This was an under 19 four consisting of Bronwyn Dalley (Stroke), Coral Ennis (3), Helen Loader (2), Clare Easinwood (Bow) and Fiona Gutschlag as coxswain.

The crew came together at the suggestion of high powers. The idea was to provide a catalyst for future female rowing in the school. They certainly pioneered all the things which can stand in one's way, from blood noses and strange bruises, to boat troubles and just what can happen to a crew without a coach. Fiona soon overcame her naive expectations, learning that even novice rowers and those fresh from retirement know a thing or two about coxing. However she quickly mastered the art of being a coxswain and stirred the crew like a professional.

The final obstacle thrown (literally) in the path of this robust little crew was the thick green sludge and boisterous conditions at Lake Horowhenua, for the Maadi Cup. The end results were a pleasant surprise with a second placing in the Petite Finals.

The future of girls' rowing at WHS looks bright with at least eight novices at the Wanganui Rowing Club and a very experienced coxswain. Another bonus was the selection of Helen Loader (an Aramoho member) for the Wanganui Representative Eight Crew, which raced against New South Wales and the New Zealand Rep Crews at the 2nd and 3rd International Tests held in Wanganui and then Karapiro.

### BOYS' ROWING — 1981

Over the years Wanganui High School rowers have developed a fine reputation amongst schools rowing, not only for their sportsmanship but also in the results achieved.

Our numbers were small but the results gained during the season were very creditable, especially those racing at Maadi Cup Regatta.

Our decision to by-pass the Maadi Cup and Springbok Four Events were vindicated by our win in the Under 19 Boys Four and our second in the Under 19 Boys Eight, and also a very meritorious second in the Premier Coxed Pairs by Craig Stuart, Cameron Bell and coxswain Patrick Todd.

We would like to thank very much the Wanganui Rowing Club for their unfailing generosity and co-operation in use of plant and coaching.

### BADMINTON REPORT

1981 has seen a revival in interest in this sport especially among the junior boys and senior girls. We again competed in the local competition, although the girls were often frustrated by a lack of participation from the other schools. Both the boys' and girls' teams qualified for the southern regional championships in Lower Hutt.

Although three of our senior boys were involved in rugby during inter-school games, we recorded wins against Rangitikei College and Colenso High School. This factor gave some of the more junior boy-players the chance to gain valuable experience.

We would like to thank Mr Wills for his support and encouragement throughout the season and know that the future of the sport in the school is assured by the emergence of keen, young players this year.

### HOCKEY

#### GIRLS' 'A' TEAM

The season got off to a very good start with the team winning the opening tournament. This added incentive for the remainder of the season. At the completion of the season Wanganui High School was placed third.

**Inter-School Games:**

Sacred Heart — 5-1: The game had a slow start, but developed into a fine win.

Rangitikei — 1-1: The team failed to co-ordinate and as a result the game was scrappy. Opportunities were lost by both teams with the game ending as a draw.

Waverley — 4-0: An evenly matched game played mainly in mid-field, with High School capitalising its chances.

Colenso — 3-3: The toughest game of the season with both teams playing hard hockey, but due to the poor standard of

umpiring the game became uncontrolled. We felt that if the umpiring had been better it would have been by far the best game of the season.

#### **Tournament:**

Terrible conditions prevailed making technical hockey impossible to play, and as a result our girls were at a serious disadvantage. However, up until the last game WHS had the least number of goals against them. Determination and team spirit was an active part of every game.

Results: two wins, two losses and one draw.

Many thanks to the Brasting family, the Yaldens, and of course, our coach for all her time and effort she put into the development of a somewhat inexperienced team.

#### **Representative Honours:**

SECONDARY: Lisa Fox, Chris Day, Marilyn Brasting, Julie Rowland, Heather Yalden, Brenda Brodie, Fay Brasting.

UNDER 21: Fay Brasting, Chris Day, Brenda Brodie, Julie Rowland, Marilyn Brasting.

#### **NATIONAL REP. TEAM:**

Fay Brasting, Julie Rowland.

— F.B. & J.R.

### **WANGANUI HIGH SCHOOL 'B' TEAM**

The 'B' Team had a good start to the season winning most games, under the capable leadership of their Captain, Fiona Duncan. They went on to be runner-up in their section and were unlucky not to win their competition. Special thanks to coaches Fay and Julie.

#### **'C' HOCKEY TEAM**

The 'C' Team progressed well under the careful supervision of Mrs Green throughout the hockey season. Although not winning our grade or winning any prizes, we enjoyed playing our game. Towards the end of the season we were beginning to work out a routine which held out well against our 'A' Team in the closing day tournament.

Thank you very much Mrs Green, who in all weather turned up to practice and there were rarely any girls who turned up regularly.

— K.S.

### **WHS 'D' HOCKEY TEAM**

High School can be proud of the girls who played in this team this year. Many of the girls who played had not played before but with the help of Mrs Green and others they soon learned their positions and became part of the team.

Although the 'D' team did not win all their games, the girls had a most enjoyable season.

#### **BOY'S HOCKEY**

In terms of achievements and trophies, 1981 was one of the most successful seasons for many years. The 1st XI won trophies for both the opening round and the Championship in the 3rd Grade, and the young Intermediate 'B' Team matched this achievement in its grade. With the personnel of these teams being so young, it appears that High School hockey should go to great heights in future years. This depends very much on the dedication of the players to increase their individual skills. The Intermediate 'A' Team worked hard for their successes; thanks go to a nucleus of reliable and spirited players.

Results for the season: 3rd Grade played 14, won 12, drew 2, lost 0; Intermediate 'A' played 14, won 8, drew 2, lost 4; Intermediate 'B' played 14, won 14, lost 0.

To cap off a successful season, the 1st XI reached the finals in the August Tournament, and the quarter finals of the 5-aside.

#### **Inter-School Games:**

Rangitikei College — Drew 2-2: The team did not give a

good showing in this opening game, played at Marton. Although up to 1-0 at half time, they quickly lost the advantage in the second half through uncontrolled play and managed to salvage a draw only in the last minute.

Collegiate — Lost 0-1: With memories of the previous season lingering, High School played this tense and tight game with vigour and determination. Played on a smooth Collegiate ground, both teams battled through a scoreless first half. The superior Collegiate fitness and size finally brought the only goal of the game ten minutes from the whistle.

Boys' College — Won 2-1: Our traditional rivals gave us a tough game on the High School ground. It was WBC who scored first from a penalty corner, but just before half time R. Beaumont equalised from a quick circle shot. It was not until late into the second half that R. Campbell put High School ahead with another field goal.

Colenso — Lost 2-5: Colenso deserved their win in this game played at Napier. The High School team was poorly co-ordinated, their trapping was bad and team dissension did not help.

#### **Secondary Schools' Tournament - August:**

Local schools were host to six visiting teams. The weather and grounds at Gonville Domain were excellent. High School managed to win its section by defeating Lytton 3-1, St Kentigerns 3-0, Newlands 4-0, and drawing with Collegiate 2-2. In the semi-finals, the team played extremely well to defeat Boys' College 3-1. The final against a strong and talented Nelson College team saw High School concede three early goals, but after this they settled down to steady hockey and held the score to 3-1 for the remainder of the game. Star of the team was the prolific goal-scorer, Richard Beaumont, who along with Ross McCallum was selected in the Tournament Rep Team.

#### **Representative Honours:**

WANGANUI COLTS: Paul Brasting.

WANGANUI SECONDARY SCHOOLS: Paul Brasting, Chris Reynolds, Richard Beaumont.

WANGANUI 3rd and 4th: Ross McCallum (Captain), Alan McCormick, Richard Campbell, David Jones, David Forrest, Andrew Beard, Anson Bovey, Lloyd Dobson, Phillip Caudwell, Bevan Lee. (McCallum and Campbell in Tournament Rep Team).

WANGANUI JUNIOR UMPIRE'S BADGE: David Forrest, Bevan Lee, Arron Rowe, James Kennedy.

In conclusion, special thanks must go to the coaches who helped so much during the season - Mr Milne, Mr D. McCallum and Mr G. Kiddle.

— P.B. & C.J.M.

### **GIRLS' BASKETBALL '81**

Girls' Basketball in the school this year got off to a good start with two more teams than usual being included in the competition from High School.

1981 also saw a new system of duty being tried on Friday nights, with each school being responsible for one court each, and having to supply scorers and referees for the night. This system worked well and gave many senior players experience and competence in refereeing, which we hope to see a few more try next year.

#### **GIRLS 'A' BASKETBALL TEAM**

The Girls' 'A' Team for this year consisted of Jo-Anne Allen, Barbara Lockett, Sandra Dawson, Barbara Cantillon, Jane Walker, Claire Easingwood, Anna Webby, Andrea Tony, Kathryn Mobbs and coach Mr Baron.

Although we had hoped to go to the regionals again this year we fell short of this aim, not managing to qualify at the zones in Dannevirke, where we had very close games only losing and winning by one or two points against St Peter's College, Otaki College and Dannevirke High School.

Because of three of our main senior players being lost this year to University our team did not have the same strength as last year. However there are some very promising players in the junior sides who, we hope, will continue with Basketball.

Special thanks to coach Mr Baron who has always supported the Girls' Basketball teams over the years and whose time and experience has been greatly appreciated by the girls.

Although our girls didn't reap all the prizes this year, the 'A' Team came second in Girls' 'A' Grade, 'B1' Team also second in 'B' Grade, 'C1' Team second in 'C' Grade and special mention should be made to the 'D2' Team who played exceptionally well for their first year under their dedicated coach Jo-Ann Allen, and won the Girls' 'D' Grade only having lost two games.

Congratulations to all those teams who did so well and kept a high standard of school spirit on and off the court.

Included in the secondary school representative teams picked from all schools were:

Junior Girls — J. Pene, L. Fox, T. Holt.

Senior Girls — B. Lockett, B. Cantillon, S. Dawson, A. Webby.

Lastly, thanks to the seniors who coached junior teams (great to see), to Mrs Pam Dawson who organised basketball at High School this year and whose help was greatly appreciated by all and to the parents and fellow basketball players for their support offered throughout the year which made this season a worthwhile, enjoyable and successful one.

## D2 GIRLS' BASKETBALL

Sharon Kaua, Megan Claridge, Vicki McPherson, Lisa Fox, Megan Wadsworth, Lisa Crichton, Jackie Boyle, Debbie Lloyd; Coach Jo-Ann Allen.

Despite the girls lack of knowledge of some basic skills like 'how to catch the ball!' the D2 team went on to win the trophy for the Girls 'D' Grade Competition on Friday nights.

Every game was played with a great spirit of enthusiasm and sportsmanship (even after being thrashed by rivals, Girls College, 42-2!).

Size proved no obstacle as some of the girls remarks of their opponents were "Boy! they're gigantic!" and "I'm too small. I can't see over their heads!"

But overall the season was enjoyed by all and special thanks to parents and 'vocal' supporters.

## BOYS' BASKETBALL

This year High School entered six teams in the local Secondary School Competition with varying amounts of success.

The Senior 'A' Team was not as strong as in previous years but the experience of Alan Fox, Stephen Lockett, Ian Sammons and Keith Gardner formed a solid base for the team to be built up from. Add to this the enthusiasm of Shane Gembitsky, Robert Mallasch, Andrew MacGregor, Jason Smith and Karl-John Allen and the accurate shooting of hard-working Paul Kilkolly and you get a team which came second in the Secondary Schools' Regional Basketball Tournament and thus qualified for the zones. Unfortunately the team was plagued by injuries prior to the zones competition and was unable to compete.

Special thanks to coaches Mr E. Price, Mr C. Burgess, Mr M. Gardner and Mr P. Kilkolly, without whose time it would not have been possible to field six boys' teams.

And a very special thanks to Mrs Price, for without her patience and tolerance Mr Price would not have been able to coach basketball... and stay married.

— Ian Sammons, Captain

## VOLLEYBALL

### SENIOR GIRLS

Team — M. Carson, B. Everleigh, L. Smithies, J. Walker, B. Lockett, S. Dawson, K. Mobbs, J. Quirk, A. Tong, A. Western. Coach - Richard Watson.

The team played five inter-school fixtures; these were against well-trained teams and the girls won four out of five games. Rangitikei College 3-0; Paraparaumu College 3-1; Sacred Heart College 3-0; Otaki College 3-0. The team was narrowly defeated by Girls' College, who won 3-2.

The girls entered a team into the Regionals and were placed third in their section with an overall placing of 5th out of 12 teams.

The team was also entered in a Social League on Monday nights and played well against experienced competition to come 3rd out of eight teams.

### BOYS' VOLLEYBALL

1981 saw the emergence of Boys' Volleyball as a major sport at WHS. High School entered teams in both the Junior and Senior divisions of the Manawatu Regional-National Qualifying Tournament.

#### Junior Boys:

The junior boys' team surprised everyone but themselves by finishing 3rd in the Manawatu Regionals and qualifying for the Central Zone Competition in their first year of volleyball. This team consisted of mainly fourth formers with the addition of three talented third formers making their presence known. The team included hard-hitting Darren Borthwick and Tony Allan, Daryl Elmer, Solomon Su'a, Frank Larkin, Henry Tatupu, Steven Tuapola, Arvind Daji, Brian Kilkolly and Nicky Mallasch.

Many of these players will form a solid and vital part of Wanganui High School's 1982 Senior and Junior Boys' teams. In fact, Darren Borthwick, Solomon Su'a and Henry Tatupu have already seen action with the WHS Senior Club and are definite players to watch in the future.

#### Senior Boys:

The senior boys entered two teams in the Manawatu Regionals with mixed success. WHS Green consisting of John Aldersley (Captain), Paul Kilkolly, Keith Gardner, Ian Sammons, David Allan, Geoff McGowan and Alan Fox narrowly missed qualifying for the Central Zones when they lost 1-2 to Central Hawkes Bay in an exciting, well-played match.

WHS Gold consisting of young and enthusiastic players such as Shane Gembitsky (Captain), Brendan Crofskey, Andrew MacGregor, Robert Mallasch, Grant Paul, Paul Gladwell, Grant McKinlay and Karl Cobb finished well-back in the competition but showed themselves to be definite up and coming players. The Gold team gained a great deal of confidence and experience and its players will form the nucleus of High School teams of the future.

Many of High School's players played at the Senior Men's level in tournaments against some of New Zealand's top clubs including Wellington, Northcote University and Massey University. The experience gained at this level must be a plus for 1982.

## SOCCER 1981

High School again competed in the top grade of the local league competition, a league where the standard of play has improved considerably over recent years. Thus while our team contested every fixture with vigour and enthusiasm, we eventually managed to win points off only four other teams and the bulk off only two, suffering heavy defeats at the hands of the eventual winners and runners-up. We couldn't score enough goals to take pressure off our over-worked defence and it must be said that only rarely

did the ball run kindly for us. It was however an enjoyable season, our discipline record was very good but in the end two unexpected defections to Rugby and one serious injury to another key player meant that we were lacking in skill and experience in important positions.

In College fixtures we came out even, with very satisfying victories over local rivals, Collegiate and Boys' College, a narrow defeat at Rangitikei and a heavy loss to Colenso.

For the third successive season the players earned a spot in the semi-final of the Charity Cup and probably played well enough to have deserved at least extra-time in a 2-0 defeat.

We say farewell to Alan Fox, an inspiring, tireless captain for two seasons and Graeme Silk, a tenacious defender, both of whom have played in the team for four seasons. I would like to thank them personally for their contribution to High School soccer over the years, a contribution which has been tremendous in terms of effort, skill and leadership qualities.

#### Results:

Local League: Played 21, Won 6, Drew 2, Lost 13. Points 14. Scorers: Klopper 9, Sammons 7, Fox 6, Blakeley S. 2, Gardner 2, Forlong 2, Allen 1, Blakeley F. 2.

Inter-College: Played 4, Won 2, Drew 0, Lost 2. Scorers: Sammons 3, Silk 1, Forlong 2, Marshall 1.

Charity Cup Scorers: Klopper 2, Forlong 2, Chant, Blakeley F.

— F.C.B.

## NETBALL

It has been a very successful year for Netball, especially for participation, with a record 14 teams entered in the Saturday competition.

#### 'A' Team:

Members — Rachel Wallace (Captain), Jo-Ann Allen, Huia Morgan, Lydia Karena, Barbara Lockett, Moetu Rihia, Lexia Hiri and reserves Ema Andrews and Kim Penetito.

The 'A' Team, lacking experience of previous years, began the season in the Senior Second Grade. Although initially this was a disappointment to the team after five years in the Premier Grade, it proved to be beneficial in the long term results. Starting the season tentatively, the team lost 3 games in the first round but the 2nd round saw the team forge ahead ending on an unbeaten note, but unfortunately this tremendous effort left them still in runner-up position, only 1 point behind the eventual winners, St Vincents B, who High School had actually beaten in the 2nd Round.

The team had improved in skills, cohesiveness and spirit throughout the season although at times the team lacked some determination and ability to read a game, which hopefully will come with experience. This was particularly noticeable in the Inter-School fixtures.

In particular, Barbara Lockett, proved to be the strength of the team with her versatility skills and tenacity and she will prove an asset in the future for school and Wanganui Netball.

Other teams to perform with credit throughout the season were the following:—

#### 'C' Team:

Coached by Mrs Pearson, were co-winners of their Grade.

#### 'H' Team:

Had a close competition with High 'G' - both coached by Jo-Ann Allen and Mr Dave Karena, the former winning the competition from High 'G' by 1 point.

Both teams contain players of potential, the future members of the 'A' and 'B' teams.

#### 'L' and 'M' Teams:

The top 3rd form teams, coached by Mrs Sheena Armishaw had a very successful year, the 'L' winning its grade, also contained players of flair and ability who will be an asset to High School Netball in the future.

Our thanks must be extended to the willing and able coaches who made it possible to field so many teams this year — Mrs Pearson, Mrs Sheena Armishaw, Mr Dave Karena, Mrs Ager, Mrs Caroline Crawford and pupils Jo-Ann Allen, Desiree Kiriona and Michelle McClintock.

Without their support and efforts WHS Netball would not be the force, especially in the number of participants it has become.

#### Inter-School Results:

'A' v Colenso: Lost 29-32 but was definitely the best performance by the 'A' team in which they almost pulled off a surprise victory against a very strong team. Rachel Wallace showed her versatility at GK - played a courageous game.

'A' v Girls' College 'A': Lost 22-28. Despite this full-time score Girls College, playing in a higher grade this year, were given a fright when only ahead 13-12 at half-time. Shooters Lydia and Jo-Ann particularly had good games.

'A' v Sacred Heart 'A': Lost 14-39. A predictable results in the circumstances.

'B' v Sacred Heart 'B': Lost 25-26. A very close, exciting game.

'L' v Sacred Heart '3rd Form A': Lost 12-17.

'M' v Sacred Heart '3rd Form B': Lost 14-15.

'A' v Rangitikei 'A': Lost 17-18.

'B' v Rangitikei 'B': Lost 25-21.

4th Form 'A' v Rangitikei 4th Form: Won 31-19.

3rd Form 'A' v Rangitikei 3rd Form: Won 19-18.

A number of pupils gained representative honours in their respective grades:— Sharon Kaua, Sharon Potaka, Tracey Davis, Robyn Karena and Juanita Pene.

Barbara Lockett gained selection in the Senior Reserve Reps. Secondary School Team for North Island Tournament and to the National Junior Coaching School - a very creditable achievement.

It has been very pleasing to see at least 10 3rd formers assisting with umpiring Primary Saturday morning Netball and putting time and energy back into the sport. A number were successful in gaining passes in the Junior Umpires' Exam. Congratulations to those concerned - Liz Cadogan, Sandra Ching, Glenda Deans, Juanita Pene and Simone Bale.

All in all, it was a very busy Netball Season - my heartfelt thanks to all those who helped ease the workload by coaching, umpiring, etc. With the potential and enthusiasm evident in the Junior school it augers well for Netball at WHS in the future.

## RUGBY

This year the Rugby 1st XV saw its fair share of wins and losses, maintaining a consistently high standard of play all season.

The 1st XV under the captaincy of Bruce Gemmell, retained

nine of the previous season's members and the complement of the team was made up of ten younger but extremely talented players, who in their own right, will be a major driving force in future fifteens, and in the present added their own special touch to every game.

Although not being overly impressive in competition (placed fifth overall in the Under 19 Grade), the team acquitted itself well in the inter-school matches. Here again the 1st XV's success rate was not over-whelming but the team demonstrated a spirited fervour and determination in keeping the scores in most of the games to the closest of possible margins.

This spirit and determination must also attribute for the number of 1st XV members who were selected for representative trials. Those members and the grade they were selected for are as follows:-

Wanganui Under 16 Representative Trials — Andrew Rodgers, Malcolm Corkran \*.

Wanganui Under 18 Representative Trials — Steven Lockett \*, Richard Thompson \*, Jonathon Davis, Karl Cobb, Craig Stuart, Stephen Pointon, Cameron Bell.

Wanganui Under 19 Representative Trials — Richard Thompson \*, Stephen Pointon \*.

New Zealand Under 18 Secondary Schools' Training School for Promising Players — Cameron Bell, Craig Stuart, Jonathon Davis.

\* — indicates those who achieved representative honours. NB. Richard Thompson attained the rare achievement of making both the Under 18 and Under 19 Representative Teams.

A special thanks to co-coaches John Broadfoot and John Bell for the obvious enthusiasm they had for the task of coaching this year's 1st XV.

### 3rd XV RUGBY

Forwards — Earl Cleveland, Captain, Chris Adair, Barry Quirk, Neil Forlong, Robert Chamberlain, Greig Falconer, William Papple, Alan Flintoff, Andrew Gifford, Dion Chadfield. Backs — Lee Mahoney, Vice Captain, Kelvin Seerup, Neil Forlong, Andrew Robinson, Michael Friis, Chris Pene, Keith Hobson, Eddie Peterson. Mr Smeaton, coach.

Outstanding players are Kelvin Seerup, Keith Hobson and Eddie Peterson.

The team got off to a shaky start but with a bit of hard training we managed to win a few games.

With Neil Forlong in our team we didn't need any cheer girls, although Eddie's brother was always there.

Robert Chamberlain improved greatly and Andrew Robinson was a reliable half-back. Earl Cleveland acted as a good leader in the forwards.

## OBITUARY

### DONNA ELIZABETH SPEAK ...

Attended Wanganui High School 1979-1981.

When one walked into a classroom, Donna's warm, friendly personality was only too obvious. The charming smile that was always a part of Donna was a welcome beginning for any teacher. Her maturity and courteous manner, and her well groomed and immaculate appearance was a fine example for all to follow. Donna's wide circle of friends was the indication of how supportive and understanding she always was of her peers. Her diligent, enthusiastic approach to her schoolwork was a delight. Students of this calibre are all too rare so the loss of Donna as a member of our school was indeed a tragedy.

\*\*\*

### ROSEMARY PATERSON ...

If you had to sum up the outstanding qualities of Rosemary Paterson you might use two simple words — life and warmth.

Rosemary had such a zest for life. She was full of vitality. She bubbled and sparkled; the rapid speech, the

words tumbling out, the quick step, the wide eyes, the freshness, the openness of that alive face. She radiated such a positive warm attitude. Immediately you felt she was a welcoming person. Compared with so much gloom in today's world, Rosemary always greeted life with a friendly smile. You couldn't help but feel this warmth, this interest in people when you met her.

She was born in Hastings. Educated at Hastings Girls' High. To Dunedin then Christchurch to gain a Dip. H/Ec., and train as a teacher. She returned to Hastings to teach, also at Woodford House and later at Central H.B. College. She married in 1971 and moved to Waipukurau in 1972 and to Wanganui in 1976.

The facts of Rosemary's short life are slender. The worth of her life was far from that. Her life centred not around facts and things, but people. For Rosemary's greatest talent was making friends. She just seemed to gather people to her.

I remember the day she and Tim moved in to their new house, followed by streams of well-wishers and cars, and this seems to have continued ever since. As well as going out to coffee mornings to meet people she invited people home to meet each other. She was generous, not only in hospitality, but in giving of herself. She never maligned people or put anyone down. You always felt welcome whoever you were. There was no side in any of her relationships.

Rosemary first came to WHS as a Home Economics Teacher to help out when somebody left. Judy Titter remembers Rosemary breezing in when Judy was cleaning up a mess, this bright young thing saying "I'm Rosemary Paterson, what would you like me to do?"

She was the image of a good Home Economics Teacher, interested, keen, believing strongly in what she was doing, and she was very good at her job — efficient, supportive. Pupils liked her.

She returned to WHS again in 1981 when a vacancy suddenly occurred. This time to teach junior science, not really her subject but a major interest. She became a dedicated science teacher, always well prepared, always willing to help; a real asset to the Science Department. There was no question of her ability. The Inspectors this year said some of the best teaching they had seen in Junior Science was by part-time teachers — they meant Rosemary.

As a Home Economics teacher you would expect her to be a competent housewife and gracious hostess. She was. She was a concerned and caring mother, a tolerant and long-suffering wife — a cricket wife. Her husband and the children came a clear first in her life.

The greatest quality she possessed in the last two years was her tremendous courage. I think all who knew her admired her after her operation. She endured about six months of treatment and all those wearying trips to Palmerston North. She never felt sorry for herself. She never indulged in self-pity. Her courage was a clear example.

Perhaps the fear, always carefully hidden in the back of her mind, of her mother's early death, compelled her to make the most of every day and live it to the full. She never moped. She seemed determined to be as normal as possible, determined to take up life again as if each day was enough in itself and precious to her. That such tenacity and brightness should be lost is part of our human tragedy, for we all lose her reflected radiance. It is the sudden loss of this goodness that causes such numbing human hurt.

"Life and warmth". It is significant that the worth of Rosemary's life is not measured by the great things she did, or the positions she held, or the organisations she assisted, but by what she was as a person — the quality of her life.

Perhaps she achieved more in this way in her thirty-two years of life than we might in twice the time.

\*\*\*

## WANGANUI HIGH SCHOOL

### JUNIOR PRIZE LIST

- 3B: 1st Kim Struthers, 2nd Jamie Peffers, 3rd equal Philip Jellyman, Michael Lacey. Merits: Deborah Wikotu, Henry Maddocks, Brett Humphrey, Lesley Sorensen.
- 3G: 1st Daniel Omunsden, 2nd Kirsten Broadfoot, 3rd Tina Lusher. Merits: Brent Wakeley, Mary Sewell.
- 3L: 1st Paul Park, 2nd Brett McLean, 3rd Sean Morgan. Merits: Bryan Leatham, Michelle Buchanan, Wayne Pointon, Karen Kiriona.
- 3P: 1st Guy Waipara, 2nd Derek Hamilton-Gibbs, 3rd Lisa Fox. Merits: Karen Francis, Tracey Smith, Brent Hooper, Scott Gardner.
- 3R: 1st Megan Claridge, 2nd Evan Barker, 3rd Shevaun Brown. Merits: David Hodson, Anna Dunlop, Lara Cook, Erin Oldfield.
- 3SK: 1st Michael Sharpe, 2nd Pauline Booth, 3rd Tracy Phillips. Merits: Andrew Hainsworth, Timothy Nitz, Jackie Laybourn, Jackie Kelly.
- 3Sm: 1st Matthew Blakeley, 2nd Evelyn Hood, 3rd equal Leigh Marks, Diane Berridge. Merits: Vanessa Kereama, Rochelle Constantine, Leah Spicer, Joanne Mahoney, Conan Nylan, Robyn Francis, Martin Holmes.
- 3Sn: 1st Glenn Duxfield, 2nd Sarah Osborne, 3rd Caryne Johnstone. Merits: Debra Rigg, Debbie Sharratt, Joy Coleman, Mark Cromarty, Daniel English.
- 3W: 1st Jacqueline Dwane, 2nd Maria Matsis, 3rd Karen Van Gernerden. Merits: Vicky Townsend, Glenda Deans, Neralee Cathro, Donna Hodson, Karl Keinold.
- 4Br: 1st Keith Hobson, 2nd Vernon Head, 3rd equal Susan Baillie, Denyse Shingles. Merits: Sandra Aitcheson, Kelvin Van Gernerden, Glenn Whyte.
- 4Bg: 1st Simon Round, 2nd equal Lisa O'Brien, Jane Pachoud. Merits: Lisa Lance, Daryl Elmer, Quoc Dat Tran, Louise King, Alison Lewin.
- 4G: 1st Janet Vaughan, 2nd Anna Petherick, 3rd equal David Fowles, Andrew Gifford. Merits: Lisa Mahoney, David McKnight, Susan Berridge, Karen Doney, Toni Holt, Michelle Park, Lisa Weekes.
- 4L: 1st Jane Van Delden, 2nd Maurice Haley, 3rd Maressa Forward. Merits: Murray Hodson, Kris Pene, Janet Dixon.
- 4O: 1st Catherine Bishop, 2nd equal Lloyd Dobson, Andrew Robinson. Merits: Tracy Donald, Jenny Warren, Andrew Rodgers, Tina Claridge, Michelle Peters.
- 4Wb: 1st Leanne Griggs, 2nd Hamish Jackson, 3rd Jane Clarke. Merits: Andrea Brett, Tania Taylor (Social Studies, English).
- 4Tr: 1st Jacqueline Funnell, 2nd Paula Walton, 3rd Leona Parker. Merits: Philip Rice, Fiona Page, Steven Rudhall.

### FIFTH FORM SUBJECT PRIZES

Merits: (For mention only. Awarded for special effort in subjects.)

- IN ENGLISH: Coralie Bycroft, Rachel Wooding, Nicola Stansfield, Richard Easingwood, Anthony Phillips.
- IN MATHEMATICS: Shelley Nicholas, Diane Papworth, Janeen Claridge, Jacqueline Scott, Sharon McGlynn,

Phuoc Tran, Murray Fleury, Jennifer Lacey, Vikki Oliver, Kerry Watson.

IN SCIENCE: David Osborne, Susan Worsell, Judith Robinson, Rachel Wooding.

IN GEOGRAPHY: Tracey Hogarth, Michael Kloppe, Debbie McConachie, Keay Bishop, Susan Worsell, Tracey Broadhead.

IN TYPING: Jennifer Beach, Christine Green, Sharon McGlynn, Christine Browne, Theresa Gates, Susie Mathews, Erica Luke.

IN HISTORY: Sharon McGlynn, Dianna Bloor, Rachel Wooding, Sandra Osman, Julia Sewell, Felicity Samuel, Patricia McGrath, Jacqueline Scott, Brendon King, Vivian Schipper, Diane Papworth, James Casson.

IN BIOLOGY: David Dougherty.

IN ECONOMIC STUDIES: Christine Green, Ria Tauroa, Angela Wright, Tracey Broadhead, Kerry Watson.

IN ACCOUNTING: Shane Rowe, Sharon McGlynn, Keay Bishop, Katrina Ross.

IN ART: Joanne Fothergill, Glyn Struthers, Phuoc Tran, Helen Lusher, Vikki Oliver, Mathew White.

IN PHYSICS: Ken Henderson, Fiona Gutschlag, Nicola Payne, Philip Day.

IN CHEMISTRY: Christopher Park.

IN FRENCH: Patricia McGrath, Timothy Wilson, Sandra Osman, Nicola Payne.

IN HOME ECONOMICS: Helen King.

IN JAPANESE: Felicity Samuel, Mark Duckworth.

IN CLOTHING: Donna Carseldine.

### SUBJECT AWARDS:

Grant Paul - 2 Accounting; Lexia Hiri - 2 Human Biology; Karen Grenside - 2 Typing; Darren Pidwell - 2 Geography; Sandra Osman - 2 Science; Nicola Payne - 2 Maths; Susan Worsell - 1 Typing; Julia Sewell - 1 French; Debbie McConachie - 1 Clothing; Tracey Healy - 1 Home Economics; Rose Samuel - 1 Human Biology; Phuoc Tran - 1 Woodwork; Ainsley Gifford - 1 Accounting; Alistair McGowan - 1 Art; Linda Speck - 1 Economic Studies, 3 English; Felicity Samuel - 1 Maths, 2 English, 2 Economic Studies; Vikki Oliver - 1 Japanese, 1 Languages; Ken Henderson - 1 Technical Drawing, 1 Biology; Richard Beaumont - 1 Physics, 1 Applied Science, 2 Biology; Fiona Gutschlag - 1 Chemistry, 1 equal History, 3 Maths; Christopher Park - 1 Science, 1 Engineering, 1 Technical, 2 Technical Drawing; Timothy Wilson - 1 English, 1 Geography, 1 equal History, 3 Science.

### SIXTH FORM SUBJECT PRIZES

Merits: (For mention only. Awarded for special effort in subjects).

IN ENGLISH: Anita Humphrey, Jennifer Gibson, Pamela Cronin, Catherine Bennett, Sheila Robinson, Jonathan Davis, Tracey Brownbridge.

IN MATHEMATICS: Sandra Dawson, Brenda Brodie, Heather Papworth, Catherine Bennett, Mark Osborne, David Branford, Alan Thorburn, Urmela Daji.

IN BIOLOGY: Catherine Bennett, Ema Andrews, Donna Stuthridge, Anita Humphrey, Ian Sammons, Keith Gardner.

IN GEOGRAPHY: Sheila Robinson, Ross Jewell, Colin Hobson, Janet Lewis, Mark Osborne.

IN ECONOMICS: Sandra Dawson, Esther Bukholt, Janet Lewis, Steven Blakeley, Tracey Brownbridge, Glenn Park, Brenda Brodie, Liane Smithies.

IN PHYSICS: Martin Ball, Jonathan Davis, Nicholas Taylor, Ian Sammons, Michelle Hall, Sven Baker.

IN HISTORY OF ART: Jo-Ann Allen.

IN HISTORY: Esther Bukholt, Catherine Bennett.

IN CHEMISTRY: Ann-Marie Harper, Jonathan Davis, Mandy Payne.

IN ACCOUNTING: Jonathan Davis.  
 IN ELECTRONICS: Nicholas Taylor, Martin Ball, Stephen Lacey, Steven Potbury, Ann-Marie Harper, Stephen Rice.  
 IN TYPING: Karen Allan, Vicki Rodgers.  
 IN HOME ECONOMICS: Jacqueline Gordon.  
 IN TECHNICAL DRAWING: Barry Jones.  
 IN ART: Mark Osborne, Pamela Cronin, Anne Barclay, Prudence Westwood.  
 IN GERMAN: Bronwyn Labrum, Van Payne.  
 IN FRENCH: Van Payne, Jennifer Kloppe, Sheila Robinson, Hanna Von Randow.  
 IN JAPANESE: Mandy Payne, Anita Humphrey, Bronwyn Labrum, Mandy Donne.  
 IN MAORI: Kim Penetito.

#### SUBJECT AWARDS:

Heather Papworth - 2 equal Economics; Nicholas Taylor - 2 equal Biology; Pamela Cronin - 1 French; Sven Baker - 1 Art; Steven Lockett - 1 Technical Drawing; Liane Smithies - 1 Home Economics; Hilda Henare - 1 Typing; Sloan Kelly - 1 Economics; Martin Ball - 1 Geography; Ross Jewell - 1 Electronics, 2 Geography; Colin Hodson - 1 Accounting, 2 equal Economics; Bronwyn Labrum - 1 History, 1 Languages, 2 English; Mandy Payne - 1 Physics, 2 Mathematics, 3 English; Ann-Marie Harper - 1 English, 2 Biology, 3 Mathematics; Jennifer Gibson - 1 Mathematics, 1 Biology, 1 Chemistry, 1 German.

#### SEVENTH FORM SUBJECT PRIZES

Merits: (For mention only. Awarded for special effort in subjects.)

IN ENGLISH: Joanne Kelly, Brendan Gembitsky, Gael Bonnington, Nicola Hartfield.  
 IN MATHEMATICS: Joanne Kelly, Bronwyn Dalley, Gael Bonnington, Phillipa Story.  
 IN BIOLOGY: Brendan Gembitsky, Gael Bonnington, Brian Dougherty.  
 IN HISTORY OF ART: Linda Woodbury, Nicola Hartfield.  
 IN CHEMISTRY: Brian Dougherty.  
 IN PHYSICS: Julie Rowland, Stephen Mahoney, Allan Neilson, Eric Pyl.  
 IN ECONOMICS: Bronwyn Dalley.  
 IN FRENCH: Janet McLean, Bronwyn Dalley.  
 IN GERMAN: Bronwyn Dalley.  
 IN GEOGRAPHY: Joanne Kelly, Gael Bonnington.  
 IN HISTORY: Brendan Gembitsky, Fiona Duncan, Anne Coppin.

#### SUBJECT AWARDS:

Philip Warren - 3 Biology; Joanne Kelly - 2 Geography; Brian Dougherty - 2 Applied Mathematics, 3 Mathematics; Vivien Chapman - 1 German; Linda Woodbury - 1 equal Art; Helen Loader - 1 equal Art; Gary Whitlock - 1 Japanese; Christine Day - 1 Accounting; Anita Gutschlag - 1 Biology; Phillipa Story - 1 French, 3 English; Bronwyn Dalley - 1 Languages, 2 English; Philip Marshall - 1 Economics, 2 Mathematics; Janet McLean - 1 English, 1 History, 1 Geography; Heather Wallace - 1 Mathematics, 1 Applied Mathematics, 1 Chemistry, 1 Physics, 2 Biology.

#### TROPHIES

(\* denotes recipient left school during year.)

The Conybeer Cup - Best Progress for Junior Typist: Lisa Lance.  
 Commercial Department - Scholar of the Year: Colin Hodson.  
 Paul Minnett Memorial Shield for 3rd Form art: Timothy Nitz.
