BLAIR GOWAN - HEAD BOY

Calculus & Algebra, Chemistry, English, Physics, Probability & Statistics, Study

I am eager to encourage our students to excel at the incredible opportunities offered here at Whanganui High School. I am honoured to work with an incredible prefect team to ensure that a welcoming and lively environment is created. I am very excited for the year ahead and I wish everyone the best in their respective areas.

SOPHIA UNGA-CRIBB - HEAD GIRL

Classical Studies, English, History, Psychology, Physical Education, Spanish

I want to contribute to the success of Whanganui High School by encouraging Maoritanga and Tangata Pasifika by using the language consistently on a daily basis within and outside of school. I want to provide all students with support in all aspects of their high school experience. As a new Year 9 student, I remember wanting to succeed in my schooling and have an enjoyable experience whilst doing so. Therefore, I will do whatever it takes to help provide enjoyable and successful student experiences.

TROY BRENNAN - DEPUTY HEAD BOY

Calculus & Algebra, Chemistry, Digital Technologies Science, Physics, Probability & Statistics, Study

I hope to contribute to the success of Whanganui High School through steady leadership and setting high expectations. I hope to set a high standard in and out of the classroom for other students to look up to and follow. Through the student council I aim to give every student a voice in the changes made around the school so we can continue building a stronger community.

LILEE TAYLOR - DEPUTY HEAD GIRL

English, Health, Mathematics, Outdoor Education, Social Studies, Sport Smart

Helping instil our school values of "LIFE" - Learning, Integrity, Fellowship and Excellence. Role modelling this ethos to other students, and helping peers with practical solutions and to help all students build resilience with school life including sports, education, as well as social and personal life. Helping all students to become the best they can be and to have fun at the same time.
