✧ INTRODUCING OUR HEAD PREFECTS 2022 ✧

NAT KIRK HEAD BOY

Music, Art Painting, Art Design, Sport Smart, Physical Education, Study

I am blessed to have such a great team to work alongside. I aim to see our school operate together as a family, respecting and encouraging one another and where Learning, Integrity, Fellowship and Excellence are always highly valued. I would like to see students inspired to be involved in all the incredible opportunities offered here at Whanganui High School. I look forward to serving you as Head Boy and can't wait to see you step into new things.

Good luck for the year and all the best.

OLIVIA BEDWELL HEAD GIRL

Music, English, Biology, Geography, Probability & Statistics, Chemistry

I want to contribute and collaborate with our amazing prefect team to make this year one of Whanganui High School's best!! I will encourage wider involvement for every student and keep building House spirit and pride within our school. I hope to empower, uplift, and create change for our student body, making 2022 everybody's year.

FI ROOZE COLAABAVALA DEPUTY HEAD BOY

Social Studies, English, Calculus & Algebra, Physics, Economics, Study

Student voice is one of the things I love most about Whanganui High School and with my position of leadership this year I want to build up student voice. I believe in everyone having the opportunity to express their opinions and be heard. The Student Council is a great forum and I hope to be able to give students the ability to contribute to making a school in which they can reach their full potential.

MESSINA SU'A DEPUTY HEAD GIRL

English, Biology, Physics, Probability & Statistics, Chemistry, Study

I am humbled to be a part of the prefect leadership group and to co-lead this year's Student Council. Supporting each other to ensure we all reach our potential can be enhanced through fostering and maintaining respectful and caring relationships. I will support and advocate for our peers to set goals no matter how big or small. Knowing what direction you are going can make the journey easier, and coupling this with continuous application of our core 'LIFE' values is a recipe for success.

AMY BENNETTS
Social Studies, English Literature, Biology, Physics, Chemistry, Study

HEAD OF ACADEMIA

BENJAMIN WHITE
Classical Studies, English Literature, Calculus & Algebra, Chemistry, Physics, Study

MYLES SIMPSON
English, Psychology, Biology, Geography, Probability & Statistics, Study

HEAD OF COMMUNITY

SJOERD MOLIJN
