

## Want to become an EMT? Apply now & change your life

- Earn while you learn
- Build your career in the ambulance service
- No existing ambulance qualifications required

Following the incredible success of our previous programmes and ongoing growth, St John is excited to offer another fast-track ambulance officer education programme open to the public. Once fully trained you will be leading or assisting with the delivery of patient care, driving in emergency and non-emergency conditions, ensuring operational readiness and meeting the urgent and emergency health needs of the people of Aotearoa.

Start dates for the training programme is 7th November 2022
