## **NOVEMBER NEWSLETTER**

### **NCEA & Scholarship Examinations (7 November to 2 December)**

Thank you for supporting our senior students at home and ensuring that they attend all their external NCEA and Scholarship examinations up to 2 December. Please remember that all subject teachers are only an email away from helping students with final revision and relevant guidance.

### **Te Kura Summer School**

It is possible to complete some credits with Te Kura Summer School between 19 December and early February 2023. This will help with further study, training or employment in 2023. Email [summerschool@tekura.school.nz](mailto:summerschool@tekura.school.nz) for more information about registration details or phone 0800 659 988.

### **Just finished school and looking for work?**

### **Donating any surplus uniform items to the Deans' House**

We stock and supply the full range of Whanganui High School uniform items in the Deans' House to lend on a short-term basis to students who arrive at school in non-uniform items of clothing, or to give completely to students whose families are under economic pressure. If you currently have spare WHS uniform items that are in good to excellent condition, I would greatly appreciate donations of surplus uniform items to the Deans' House (the first building next to the Bus Bay area on Purnell Street). This would enable me to divert money to other areas of crucial student well-being needs within our school.

Please contact our Deans' House Support Worker - Pru McDonald - on email [mcdonald.pru@whs.ac.nz](mailto:mcdonald.pru@whs.ac.nz) or phone number 349 1182 for more details regarding drop-off or collection as soon as possible. Thank you very much.

Nga mihi
