HEAD BOY | *Lucas Munn*

Classical Studies, Supervised Study, Academic English, Economics, Biology, Psychology, Physical Education

I am honoured to serve Whanganui High School as Head Boy this year and to work alongside an incredible prefect team. This role is an opportunity to lead by example while upholding our school values and supporting others to make the most of everything our school has to offer. I believe that with commitment, teamwork and a positive mindset, we can create a school environment where everyone feels encouraged to grow and succeed. I am excited to face the challenges ahead, celebrate our achievements together and help make this year memorable for all.

HEAD GIRL | *Te Otakura Potaka-Osborne Milner-Skudder*

Supervised Study, Te Reo Maori, Academic English, Psychology, Physical Education, Sport Smart, Maori Performing Arts

Kia Ora and greetings to you all. As Head Girl for 2026 I am beyond grateful to be given the opportunity to step into this role and become a role model for all my peers and younger students. My hopes and goals for this year are to lead by example and to have younger students look up to me as someone whose footsteps they would follow. I want to be a voice for my peers and believe that by upholding our school's LIFE values I can achieve that. Blessed with an amazing prefect team I believe we will create new opportunities and experiences that will be remembered forever. "Mā mua ka kite a muri. Mā muri ka ora a mua. Those who lead give sight to those who follow. Those who follow give life to those who lead." I am excited to tackle this new year of challenges and success ahead and wish everyone the best year. Ngā mihi!

DEPUTY HEAD BOY | *Ethan Clark*

Geography, Academic English, Drama, Music, Geometry & Calculus, Photography, Supervised Study

Being appointed Deputy Head Boy at Whanganui High School in 2026 is an honour. We have a good prefect team, which gives me hope that we can all make a significant contribution to the school. Together with Isla Jones, as co-head of the student council, I can give students a voice and bring about necessary improvements at Whanganui High School. As I approach my final year of secondary school, I am happy to see the efforts of Year 13 as a whole and the role models we are, preparing students to be the best leaders they can be. I wish everyone the best of luck in their final year of high school, and I look forward to seeing where this year takes us all.

DEPUTY HEAD GIRL | *Isla Jones*

Photography, Sport Smart, Supervised Study, Psychology, Biology, Trigonometry & Algebra, Physical Education

I am honoured to serve as Deputy Head Girl this year at Whanganui High School and really grateful for the opportunity to give back to the school community that has shaped me. Throughout my time here, I've learned how important it is to support others, stay resilient, and step outside my comfort zone, and these are values I hope to lead by. As Deputy Head Girl, I want to be someone students feel comfortable talking to and can turn to for support and encouragement. I'm excited to work alongside the prefect team and staff to make this year positive, inclusive, and memorable, and to help everyone make the most of the opportunities that come their way.
