

# Specifications

## Eaton 515CLTY-F

Eaton straight blade connector, Lighted/Power Indicating, #18-12 AWG, 15A, Residential & Commercial, 125V, Back wire, Yellow, Brass, Nylon, 5-15R, Two-pole, three-wire, grounding, Straight body, Screw, Green LED pilot light, Nylon

### General specifications

|                      |                                |
|----------------------|--------------------------------|
| PRODUCT NAME         | Eaton straight blade connector |
| CATALOG NUMBER       | 515CLTY-F                      |
| UPC                  | 032664766565                   |
| PRODUCT LENGTH/DEPTH | 2.71 in                        |
| PRODUCT HEIGHT       | 1.52 in                        |
| PRODUCT WIDTH        | 1.52 in                        |
| PRODUCT WEIGHT       | 0.06 lb                        |
| COMPLIANCES          | RoHS Compliant                 |
| CERTIFICATIONS       | cULus Listed                   |
| PRODUCT TYPE         | Straight blade connector       |

## Product specifications

|                       |                                 |
|-----------------------|---------------------------------|
| DEVICE TYPE           | Connector                       |
| SPECIAL FEATURES      | Lighted/Power Indicating        |
| TYPE                  | Connector                       |
| AMPERAGE RATING       | 15A                             |
| VOLTAGE RATING        | 125V                            |
| CONTACT MATERIAL      | Brass                           |
| APPLICATION           | Commercial/residential          |
| WIRING METHOD         | Back and side                   |
| NUMBER OF WIRES       | Three-wire                      |
| NUMBER OF POLES       | Two-pole                        |
| STYLE TYPE            | Straight body                   |
| LED PILOT LIGHT COLOR | Green                           |
| MATERIAL              | Nylon                           |
| PACKAGING TYPE        | Polybag                         |
| COLOR                 | Yellow                          |
| CONNECTION TYPE       | Screw                           |
| ALLOWABLE WIRE SIZE   | #18-12 AWG                      |
| NEMA CONFIGURATION    | 5-20R                           |
| DESIGN TYPE           | Straight blade                  |
| FACE/BODY MATERIAL    | Nylon                           |
| RECEPTACLE TYPE       | Two-pole, three-wire, grounding |
