Color Your Kitchen With Granite

Make sure it's a Franke

Franke granite sinks are made from 80% quartz, the hardest component of granite. The material is bonded using high-quality acrylic resins which makes the sink incredibly robust and provides a lifetime of beauty.

Wonderfully easy to clean

Beauty is even better when it's durable. These tough granite sinks are scratch, heat and stain resistant, making them easy to clean. A little bit of daily care will keep your granite sink looking like new.

Sanitized® material

Bacteria can spread quickly, particularly in kitchens. The Sanitized function in Franke sinks helps to keep areas clean and hygienic.

Active-Plus Faucets

Active-Plus faucets combine contemporary design and performance, making your life easier and your kitchen more beautiful. Every element was considered to ensure that form and function achieve a harmonious balance.

- **Dual Function Pull-Out Spray:** Toggles easily between spray and stream.
- **360 Degree Swivel Spout:** Ultimate versatility in reaching every inch of the sink.
- **Ergonomic Handle:** Smooth movement operation from hot to cold and on to off.
- **Flow Rate:** Active-Plus faucets are in compliance with CALGreen Standards, with a flow rate of 1.75 gpm (gallons per minute).

The Active-Plus is available in a choice of 8 finishes to complement your Franke granite sink.
