

BRASS THREADED SLEEVE COMPRESSION (BTHREAD-SLV)

Applications:

Air, oil, water lines and instrumentation. For applications which do not require removal. Used with copper, aluminum and plastic tubing.

Working Pressure:

Dash Size	Tube O.D.	PSI	Tube Wall
-2	1/8	500	.030
-3	3/16	500	.030
-4	1/4	500	.030
-5	5/16	250	.032
-6	3/8	250	.032

Working Temperature:

-65°F (-54°C) to 250°F (120°C)
