GERBER

VITREOUS CHINA WARRANTY

LIMITED LIFETIME WARRANTY - Vitreous China

Gerber Plumbing Fixtures LLC (Gerber) warrants to the original consumer purchaser of this product that the vitreous china will be free from defects in material and workmanship under intended use for as long as it is owned by the original purchaser.

TEN (10) YEAR LIMITED WARRANTY - Pressure Vessels

Gerber warrants to the original consumer purchaser of this product that the pressure vessel will be free from defects in material and workmanship under intended use for a period of ten (10) years from the date of original purchase, as shown on the original consumer-purchaser's receipt if purchased on or after November 1, 2004.

TEN (10) YEAR LIMITED WARRANTY - Avalanche

Gerber warrants to the original consumer purchaser that all parts and components of Avalanche toilets, except toilet seats, will be free from defects in material and workmanship under reasonable use for a period of ten (10) years from the date of original purchase, if purchased on or after January 1, 2014.

FIVE (5) YEAR LIMITED WARRANTY ON OTHER PARTS

Gerber warrants to the original consumer purchaser of this product that all parts and components not mentioned above included as original equipment except toilet seats will be free from defects in material and workmanship under reasonable use for a period of five (5) years from the date of original purchase.

Toilet seats shall be covered to the extent indicated by the original equipment suppliers' warranties

As the exclusive remedy for any breach of the above warranties, Gerber agrees, at Gerber's option, to repair or replace these products or any parts thereof, which prove, upon inspection by Gerber, to be defective in material or workmanship during the above stated periods of warranty coverage.

Gerber will not be liable for any labor, shipping, freight, or any other costs or charges incurred in connection with removal or replacement of the product or otherwise acting upon the above warranties, or for any costs associated with repair or replacement of any other personal property, building or installation materials. Installation or use of the product not in accordance with product instructions or improper use, abuse or neglect of, or accident to the product, or moving the product from the location of its original installation will void the above warranties. Damage to the finish or performance of any components caused by the use of cleaning solvents/chemicals or improper cleaning methods (i.e. in-tank bowl cleaners) will also void the above warranties.

This limited warranty does not cover deterioration caused by normal wear and tear.

If the Federal Consumer Product Warranties Act applies to the original purchaser of this product, then any implied warranties which may be applicable under state law, such as any implied warranty of merchantability or any implied warranty of fitness for a particular purpose, are limited to one (1) year.

Other than as described above, Gerber disclaims any and all other warranties, express or implied, including any warranties of merchantability or fitness for a particular purpose. In no event shall Gerber be liable to anyone, including without limitation the original purchaser, for any damages for loss of business opportunities or profits or any business interruption or for any special, incidental or consequential damages.

The above warranties give you specific legal rights, and you may also have other rights which vary from state to state. Certain federal and state laws may limit or disallow disclaimers of incidental or consequential damages and/or limitations on implied warranties.

To obtain warranty service, contact your local dealer and/or contractor from whom you purchased this product or contact Gerber Plumbing Fixtures LLC, 2500 Internationale Parkway, Woodridge, IL 60517. For warranty to issues related to Eco Flush, contact WDI at 1-800-391-9821. For warranty issues related to Flushmate®, contact Sloan Flushmate® at 800-533-3450

ULTRA FLUSH® THE ULTIMATE FLUSHING MACHINE

- Maximum Bowl Clearing and Line Carry
- Ideal for Heavy Use Applications
- Widest Array of Pressure Assisted Models Available

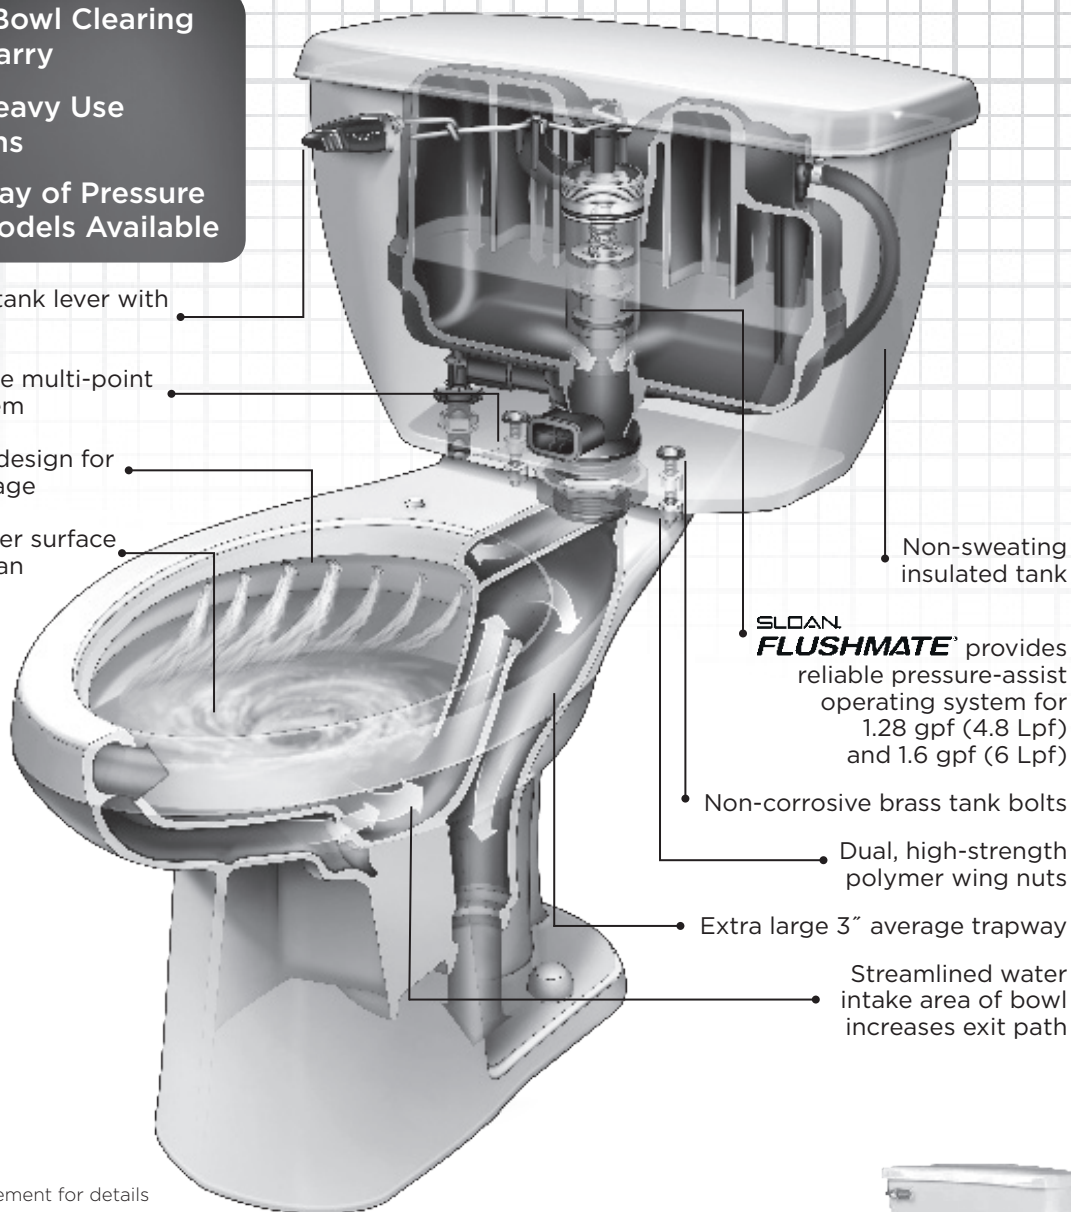

Durable metal tank lever with brass lever arm

Exclusive secure multi-point mounting system

Unique rim jet design for full rinse coverage

Extra large water surface keeps bowl clean

10
YEAR
WARRANTY

Non-sweating insulated tank

SLOAN FLUSHMATE® provides reliable pressure-assist operating system for 1.28 gpf (4.8 Lpf) and 1.6 gpf (6 Lpf)

Non-corrosive brass tank bolts

Dual, high-strength polymer wing nuts

Extra large 3" average trapway

Streamlined water intake area of bowl increases exit path

* See warranty statement for details

Product Testimonial

"I recommend the Gerber Ultra Flush, haven't found a toilet I like better. Great bowl choices...standard round, elongated and ADA height elongated."
- Don Sheppard Construction, Solano County, CA

GERBER GRAVITY TOILETS

ONE-FLUSH PERFORMANCE

TOILET-GRAVITY

TOILET-GRAVITY

All Maxwell®, Avalanche™, and Viper™ toilets are also offered in high efficiency, WaterSense certified models which use 20% less water while still providing one-flush performance!

With a heritage of excellence in design and a total commitment to innovation, Gerber's selection of toilets provides classic good looks and a full range of options for flushing power, quiet operation, water conservation, and ADA compliance.

For a DVD demonstrating the superior flushing performance of our toilets, contact your local Gerber representative.

Product Testimonial

Steve Rudesill from Alpine Plumbing, currently installing Gerber products in hundreds of units in several commercial and high-rise projects throughout Wisconsin. *"We're proud to put Gerber into these sites,"* says Steve. *"We know the property managers and ultimately the end-users will appreciate the quality and reliability of Gerber as much as we do."*

viper™

UPGRADE TO HIGH PERFORMANCE

- The Professional's Choice
- Set-it and Forget-it Performance
- Trusted  400A Fill Valve

Durable, color-matched metal tank lever

Exclusive secure multi-point mounting system

Unique rim jet design for full rinse coverage

Large water surface keeps bowl clean

Sturdy brass lever arm

Non-kinking flapper chain

Fluidmaster® 400A fill valve

Tall, narrow tank increases flush speed

Quick action Fluidmaster® 3" flush valve

Non-corrosive brass tank bolts

Dual, high-strength polymer wing nuts

Fully glazed 2" trapway

Dual-fed siphon jet maximizes speed and power of flush

Product Testimonial

"We only stock Gerber toilets," said Rick Kogge, owner of Kogge Plumbing, Heating and A/C. *"The Viper is definitely our number one toilet; it's an excellent flush for the money."*

"Viper toilets will offer more than double the flushing capacity of the industry standard."

MAXWELL®

THE STARTING LINE OF PERFORMANCE

- Dual-Fed Siphon Jet
- Good, Consistent Performance
- Good Value

Exclusive secure multi-point mounting system

Large water surface keeps bowl clean

Non-kinking flapper chain

Non-corrosive brass tank bolts

Dual, high-strength polymer wing nuts

Dual-fed siphon jet maximizes speed and power of flush

Fully glazed 2" trapway

Product Testimonial

Steve Rudesill from Alpine Plumbing, Milwaukee, Wisconsin, says, *"The Maxwell toilets were a perfect choice for this project. Compared to older models, they conserve thousands of gallons of water over the course of a year, and the residents won't ever have to worry about performance. The flushing mechanisms are reliable, the bowl cleans well and it's friendly on your water bill. All this for the end user, and we were able to offer it to Cardinal at a great price point."*
