Description

The 3-in-1 Confined Space Press Tool is designed to press connections of ½", ¾", and 1" using HeatLink PEX-a tubing, SS press sleeves and fittings, and qualifies for HeatLink's 25 year system warranty.

The tool includes three sets of interchangeable collars, and a convenient case for storage and transportation.

Designed to be a cost effective alternative for those doing repairs and service, the tool is perfect to use in tight spaces with one hand (even on 1" tubing) thanks to the innovative multi-stage press design.

The 3-in-1 Confined Space Press Tool is an effective, flexible, and compact alternative for repair, service, and remodeling.

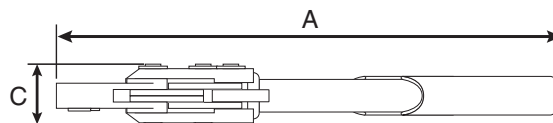

Technical Data

Material:..... Metal

Qty	Stk. #	Sleeve Size	Dimensions			Weight
			A	B	C	
	11435	½", ¾", 1"	9" (22.66cm)	8.25" (20.96cm)	1.2" (3.05cm)	2.0 lbs (.90kg)

Installation

Installation of the stainless steel press sleeves must follow all of HeatLink's instructions and guidelines, found in the Potable Water Systems Installation Guide.
