Milwaukee Electric Tool Corporation introduces the new Milwaukee 6 IN 1 Lineman's Pliers. The Milwaukee Lineman's Pliers are the only tool of its kind on the market with an integrated reaming head to smooth out rough edges of metal pipe. Milwaukee 6 IN 1 Lineman's pliers features a high-leverage design for maximum cutting power and precision. Backed by Milwaukee's Limited Lifetime Warranty, the Milwaukee 6 IN 1 Lineman's Pliers feature six application specific designs (Reaming, Bolt Cutter, Wire Cutting, Nail Pulling, Pliers, Fish Tape Puller) that allows professionals to carry less tools and get more done.

"Overall I like it, but....."

PROS Not too bulky Versatile Wonderful design

CONS Not durable

BEST USES Gifts Home Repair Large Projects Small Projects

Comments about Milwaukee 6 IN 1 Lineman's Pliers:

Definitely an overall good concept. I like the versatility of the lineman pliers with the fish tape puller, the reamer, and bolt cutter. However, as of late the bolt cutters seem to be less effective. I am not getting that clean straight cut that I became accustomed to when I first purchased the pliers. Hopefully a future version would prove to be more durable. Though I would recommend the brand as a whole, I would definitely have to warn or advise friends, co-workers, or family of it's lack of durability.

PRIMARY USE: Business

BOTTOM LINE Yes, I would recommend this to a friend

"strong, sturdy and efficient"

PROS Good weight Looks great Strong Sturdy case Versatile Works Effectively

CONS
BEST USES Construction Gifts Home Repair Large Projects Maintenance Small Projects

Comments about Milwaukee 6 IN 1 Lineman's Pliers:

I really love how this tool looks and feels but above all that its versatile. When I'm working with emt i can rim it without searching for the right tool i just pull out the linesman. When im pulling the fish and looking for that extra grip it does more then the job. Then i do the connection and close the box. I just love the fact that im not looking threw my tools all the time trying to find the right one.
