

Glow Rod Set, 30-Foot

This specialty set of fish rods is the perfect solution for low-light applications. In addition to the six 5-foot glow rods, this set also includes an illuminated LED, a hook and a bullet nose tip making it a great option for telecom and datacom installations. The protective Splinter Guard™ coating on these fish rods guard your hands against fiberglass splinters. These mid-flex, 3/16-Inch rods can connect together easily up to a full 30-foot allowing wire to be pulled across long distances.
