

## Diagonal Cutting Pliers, Electronics, Tapered Nose, Mini Jaw, 4-Inch

These Electronics Pliers are the smallest diagonal-cutter Klein offers for close quarter work. They feature a miniature jaw for maximum visibility in tight spaces. The sharp, pointed, tapered nose allows for precise tip cutting. The short jaws and semi-flush, beveled cutting knives permit close cutting of wire. Made of the finest U.S. steel alloy and induction hardened for long life.

### Specifications
