SAFETY LAMP

The 56063 red Safety Lamp provides supplemental visual alert in busy, noisy, dark, and bright environments. It is designed to directly attach to the Klein Tools' hard hat/safety helmet front or back accessory mounts. This compact and lightweight Safety Lamp can also be attached to magnetic surfaces to serve as a "work-in-progress" stationary alert beacon. The safety lamp is water, dust, and impact resistance rated for indoor and outdoor use. The Safety Lamp has four user-selectable modes and is rechargeable.

QUAD-DIRECTIONAL RED LEDs FOR GREATER VISIBILITY

Easily attaches to Klein Hard Hats and Safety Helmets equipped with front and back accessory mounts

MAGNETIC FOR USE AS A STATIONARY ALERT BEACON FOR "WORK IN PROGRESS" NOTICE
