

KNIPEX Quality – Made in Germany

KNIPEX CoBolt® S

Compact and powerful

Now in a pocket-sized length
of 6 1/4" (160 mm)

Strong cutting edges:
specially hardened
and laser-cut

Gripping surface
for pulling wire

Strongest cutters of
their length due to
lever action design

KNIPEX CoBolt® S
Compact Bolt Cutter

71

NEW

- ▶ Extremely high cutting performance in a convenient length of 6 1/4" (160 mm)
- ▶ Small, slim head for better access to confined areas

- > Compact and powerful: cuts bolts, nails, rivets etc. up to a diameter of 11/64" (4.4 mm)
- > Heavy duty, induction hardened edges for cutting thin, hard wire, screws and springs. Cutting edge hardness (approx. 64 HRC)
- > Less physical effort required due to efficient lever action mechanism
- > No slipping of the material being cut due to lasered cutting edge
- > Gripping surface below the joint for gripping and pulling wires with a diameter from 3/64" (1.0 mm)
- > Chrome vanadium heavy-duty steel, forged, multi stage oil-hardened

71 01 160
High cutting force – ideal for small hands

Lasered cutting edge prevents material being cut from slipping

Powerful cutting even at the tips of the blades

Slim head for easier accessibility

Compact, lightweight and easy to carry
