

KNIPEX Quality – Made in Germany

Pipe Cutters

For composite pipes
and pneumatic hoses

Pipe Cutter for plastic composite pipes

Clean cut: cuts aluminum composite and plastic pipes

- ▶ For cutting composite pipes from 1/2" to 1" in diameter
- ▶ Clean, smooth and burr-free cut surfaces
- ▶ Spare blade can easily be replaced
 - > With opening spring and locking device
 - > Handles made of fiberglass-reinforced plastic
 - > Not suitable for cutting cables
 - > Blade made of high-strength special grade steel, oil-hardened and tempered

Part Number	↔ inch	Cutting Capacity Ø inch	⚖ lbs
90 25 185	7 1/4	1/2" to 1"	0.39
90 29 01	spare blade		0.05

90 25 185

The high-strength, sharp blade cuts composite and plastic pipes evenly and cleanly

Pipe Cutter for multilayer and pneumatic hoses

Perfect cutting results

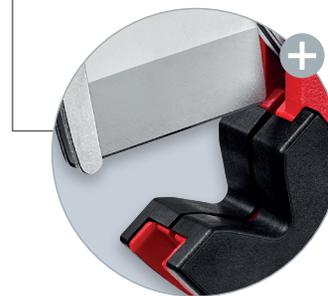

- ▶ Ideal for all liquid, multilayer and pneumatic hoses from 3/16" to 3/4" in diameter
- ▶ Hose support keeps hose at a right angle for a clean and even cut
- ▶ Perfect for repetitive cutting due to opening spring
 - > Spare blade can easily be replaced
 - > With opening spring and locking device
 - > Handles made of fiberglass-reinforced plastic
 - > Not suitable for cutting cables
 - > Blade made of high-strength special grade steel, oil-hardened and tempered

Part Number	↔ inch	Cutting Capacity Ø inch	⚖ lbs
90 10 185	7 1/4	3/16" to 3/4"	0.39
90 29 01	spare blade		0.05

90 10 185

The wide support base aligns the hose at a perfect right angle to the blade

Ease of cutting due to the smooth joint and opening spring
